(iii) The Members' Capital Accounts also shall be maintained and adjusted as permitted by the provisions of Section 1.704-1(b)(2)(iv)(f) of the Treasury Regulations and as required by the other provisions of Sections 1.704-1(b)(2)(iv) and 1.704(b)(4) of the Treasury Regulations, including adjustments to reflect the allocations to the Members of depreciation, depletion, amortization, and gain or loss as computed for book purposes rather than the allocation of the corresponding items as computed for tax purposes, as required by Section 1.704(b)(2)(iv)(g) of the Treasury Regulations.

(iv) A Member that has more than one Membership Interest shall have a single Capital Account that reflects all his or its Membership Interests, regardless of the class of Membership Interests owned by that Member and regardless of the time or manner in which those Membership Interests were acquired. On the transfer of all or part of a

Membership Interest, the Capital Account of the transferor that is attributable to the transferred Membership Interest or part thereof shall carry over to the transferee Member in accordance with the provisions of Section 1.704-1(b)(2)(iv)(1) of the Treasury Regulations.

(b) “*Profits*” and “*Losses*” mean, for each fiscal year or other period, an amount equal to the Company’s taxable income or loss for such year or period, determined in accordance with Section 703(a) of the Code (for this purpose, all items of income, gain, loss, or deduction required to be stated separately pursuant to Section 703(a)(1) of the Code shall be included in taxable income or loss), but with the following adjustments for such fiscal year or other period:

(i) Income of the Company that is exempt from federal income tax as described in Section 705(a)(1)(B) of the Code and not otherwise taken into account in computing Profits and Losses pursuant to this Section 4.5(b) shall be added to such taxable income or loss as if it were taxable income.

(ii) Any expenditures of the Company described in Section 705(a)(2)(B) of the Code, or treated as expenditures under Section 705(a)(2)(B) of the Code pursuant to Section 1.704-1(b)(2)(iv)(i) of the Treasury Regulations, and not otherwise taken into account in computing Profits and Losses, shall be subtracted from such taxable income or loss as if such expenditures were deductible items.

(iii) If the Gross Asset Value of any Company asset is adjusted pursuant to this Company Agreement, the amount of the adjustment shall be taken into account as gain or loss from the disposition of the asset for purposes of computing such taxable income or loss.

(iv) Gain or loss resulting from any disposition of property with respect to which gain or loss is recognized for federal income tax purposes shall be computed by reference to the Gross Asset Value of the property disposed of, notwithstanding that the adjusted tax basis of the property differs from the Gross Asset Value of the property.

(v) In lieu of the deduction for depreciation, cost recovery, or amortization taken into account in computing such taxable income or loss, there shall be taken into account Book Depreciation for such fiscal year or other period.

(vi) Notwithstanding any other provision of this Company Agreement, any items that are specially allocated pursuant to Section 5.3(a) or 5.3(b) of this Company Agreement shall not be taken into account as taxable income or loss for purposes of computing Profits and Losses.

(vii) If the Company’s taxable income or taxable loss for the year or period, as adjusted pursuant to subparagraphs (i)-(vi) above, is a positive amount, that amount shall be the Company’s Profit for such fiscal year or other period; and if negative, that amount shall be the Company’s Loss for such fiscal year or other period.

(c) “*Gross Asset Value*” means, for any asset, the asset’s adjusted basis for federal income tax purposes, except as set forth below:

(i) The initial Gross Asset Value of any asset contributed by a Member to the Company shall be the gross fair market value of the asset on the date of determination, as determined by the contributing Member and the Company. The Gross Asset Values of all assets shall be adjusted to equal their gross fair market values, as determined by the Members, as of the following times: (A) the contribution of more than a *de minimis* amount of money or other property to the Company as a Capital Contribution by a new or existing Member, or the distribution by the Company to a retiring or continuing Member of more than a *de minimis* amount of property as consideration for an interest in the Company, if the Members reasonably determine that such adjustment is necessary or appropriate to reflect the relative economic interests of the Members in the Company; or (B) the liquidation of the Company within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Treasury Regulations.

(ii) The Gross Asset Value of any Company asset distributed to any Member shall be the gross fair market value of such asset on the date of distribution.

(iii) The Gross Asset Values of Company assets shall be increased (or decreased) to reflect any adjustment to the adjusted basis of such assets pursuant to Section 734(b) of the Code or Section 743(b) of the Code, but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Section 1.704-1(b)(2)(iv)(m) of the Treasury Regulations; provided, however, that Gross Asset Values shall not be adjusted pursuant to this Section 4.5(c)(iv) to the extent the Managers determine that an adjustment pursuant to Section 4.5(c)(ii) is necessary or appropriate in connection with a transaction that would otherwise result in an adjustment pursuant to this Section 4.5(c)(iv).

(iv) If the Gross Asset Value of an asset has been determined or adjusted pursuant to Section 4.5(c)(i), (ii), or (iv), such Gross Asset Value shall thereafter be adjusted by the Book Depreciation taken into account with respect to such asset for purposes of computing Profits and Losses.

ARTICLE V ALLOCATIONS OF PROFITS AND LOSSES AND DISTRIBUTIONS

5.1 Allocations.

(a) **General Allocations.** Except as may be required by Section 704(c) of the Code and Section 1.704-1(b)(2)(iv)(f)(4) of the Treasury Regulations, Profits and Losses of the Company shall be allocated among the Members as follows:

(i) Except as otherwise provided in Section 5.3 of this Company Agreement, Profits shall be allocated to the Members first to offset prior allocations or losses and then in proportion to their respective Sharing Ratios.

(ii) Except as otherwise provided in Sections 5.1(a)(iii) and 5.3 of this Company Agreement, Losses for any fiscal year or other period shall be allocated to the Members in proportion to their aggregate Sharing Ratios.

(iii) The aggregate amount of Losses allocated pursuant to Section 5.1(a)(ii) hereof and the next sentence of this Section 5.1(a)(iii) to any Member for any fiscal year shall not exceed the maximum amount of losses that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit at the end of such fiscal year. All Losses in excess of the limitation in this Section 5.1(a)(iii) with respect to any Member shall be allocated solely to the other Members in proportion to their Sharing Ratios. If no other Member may receive an additional allocation of Losses pursuant to this Section 5.1(a)(iii), such additional Losses not allocated pursuant to Section 5.1(a)(ii) of this Company Agreement or the preceding sentence shall be allocated solely to those Members that bear the economic risk for such additional Losses within the meaning of Section 704(b) of the Code and the Treasury Regulations thereunder. If it is necessary to allocate Losses under the preceding sentence, the Managers shall determine those Members that bear the economic risk for such additional Losses.

(b) **Transfer.** All items of Profit, Loss, income, gain, loss, deduction, and credit allocable to any Membership Interest that may have been transferred shall be allocated between the transferor and the transferee based on the portion of the calendar year during which each was recognized as owning that Membership Interest, without regard to the results of Company operations during any particular portion of that calendar year and without regard to whether cash distributions were made to the transferor or the transferee during that calendar year; provided, however, that this allocation must be made in accordance with a method permissible under Section 706 of the Code and the Treasury Regulations thereunder.

5.2 Distributions.

(a) **General.** From time to time, but not less than quarterly, the Managers shall determine in its reasonable judgment to what extent (if any) the Company's cash on hand exceeds its current and anticipated needs, including, without limitation, for operating expenses, debt service, acquisitions, and a reasonable contingency reserve. The Manager is currently anticipating making monthly distributions to Class A Members and quarterly distributions to Class B Members. Except as otherwise provided in Articles VI and XII, if such an excess exists, the Managers may in their sole discretion cause the Company to distribute to the Members as follows: First, a non-compounding, cumulative preferred return of eight percent (8%), to the Class A Investors (8%). Second, a non-compounding, cumulative preferred return of six percent (6%) for Class B Investors; Third, thereafter Seventy percent (70%) to the Class B Unit Holders and Thirty percent (30%) to the Class C Unit Holders. The non-compounding, cumulative preferred return is based on the invested capital or adjusted capital (as Class A and B Members are paid their capital). Class A Members shall not share in any further distributions from the Company once they cease being Members, which shall occur once the Class A Members have received repayment of their initial invested capital and their preferred return on their investment. UPON REPAYMENT TO CLASS B INVESTORS OF A 10% CASH ON CASH RETURN, THE COMPANY'S CASHFLOW SHARING RATIOS SHALL CHANGE TO A SIXTY PERCENT (60%) SHARING RATIO FOR ALL CLASS B MEMBERS AND FORTY PERCENT (40%) SHARING RATIO FOR THE CLASS C MEMBERS. UPON REPAYMENT TO CLASS B INVESTORS OF A GREATER THAN 13% CASH ON CASH RETURN, THE COMPANY'S CASHFLOW SHARING RATIOS SHALL CHANGE TO A FIFTY PERCENT (50%) SHARING RATIO FOR ALL CLASS B MEMBERS AND FIFTY PERCENT (50%) SHARING RATIO FOR THE CLASS C

MEMBERS. THIS CHANGE IN SHARING RATIOS DOES NOT APPLY TO A REFINANCE OR SUPPLEMENTAL LOAN ON THE PROPERTY, NOR DOES THE CHANGE IN SHARING RATIOS APPLY TO A SALE OR LIQUIDITY EVENT FOR THE PROPERTY.

(b) **Refinance or Supplemental Loan Distribution.** Distributable income from a refinance, or supplemental loan will be distributed to the members as soon as practicable after such event, in the following manner and order of priority as follows:

1. First, the Company shall pay all closing costs, fees, and expenses incurred in connection with the capital event from proceeds realized by such event; then

2. Second, the Non-compounding, Cumulative preferred returns to Class A Members (8% per annum) on their invested or adjusted capital (as having been paid) pursuant to the terms of the refinanced or supplemental loan; then

3. Third, a Non-compounding, Cumulative preferred return to Class B Members (6% per annum) on their invested or adjusted capital pursuant to the terms of the refinanced or supplemental loan; then

4. Fourth, with respect to any further excesses, payment of an amount equal to the "Unrecovered Capital Contribution" of each Class A Member; then

5. Fifth, the Company shall pay the Manager a management fee equal to one percent (1%) in connection with a Capital Transaction calculated as follows: in the case of a refinancing of all or a portion of any indebtedness secured by the Project, a fee equal to 1% of the amount refinanced; and then

6. Last, with respect to any remaining excess, to members as follows:

i. 70% to the Class B members in proportion to each Class B member's respective sharing ratio; and

ii. 30% to the Class C members in proportion to each Class C member's respective sharing ratio.

7. Class A Members shall not share in any further distributions from the Company once they cease being Members, which shall occur once the Class A Members have received repayment of their initial invested capital and their preferred return on their investment.

(c) **Liquidation Distribution.** Distributable income from a sale or other disposition of the Property will be distributed to the members as soon as practicable after such event, in the following manner and order of priority as follows:

1. First, the Company shall pay all closing costs, fees, and expenses incurred in connection with the capital event from proceeds realized by such event; then

2. Second, the Non-compounding, Cumulative preferred returns to

Class A Members (8% per annum) on their invested or adjusted capital (as having been paid) pursuant to the terms of the refinanced or supplemental loan; then

3. Third, a Non-compounding, Cumulative preferred return to Class B Members (6% per annum) on their invested or adjusted capital pursuant to the terms of the refinanced or supplemental loan; then

4. Fourth, with respect to any further excesses, payment of an amount equal to the "Unrecovered Capital Contribution" of each Class A (any remaining) and B Member; provided, that if not enough cash is available to return the Unrecovered Capital Contribution of each Class A and B Member, then such excess shall be distributed first to Class A and next to Class B Members "Unrecovered Capital Contribution" shall be calculated as a Member's Capital Contribution less any prior distributions of capital; then; then

5. Fifth, the Company shall pay the Manager a management fee equal to one percent (1%) in connection with a Capital Transaction calculated as follows: in the case of a refinancing of all or a portion of any indebtedness secured by the Project, a fee equal to 1% of the amount refinanced; and then

6. Last, with respect to any remaining excess, to members as follows:

iii. 70% to the Class B members in proportion to each Class B member's respective sharing ratio; and

iv. 30% to the Class C members in proportion to each Class C member's respective sharing ratio.

7. Class A Members shall not share in any further distributions from the Company once they cease being Members, which shall occur once the Class A Members have received repayment of their initial invested capital and their preferred return on their investment.

(d) ***Overriding Distribution.*** Notwithstanding the provisions of Section 5.2(a) above, if at any time distributions to a Member would create or increase an Adjusted Capital Account Deficit and if another Member has a positive Capital Account balance (after such Adjusted Capital Account Deficit and Capital Account balances have been adjusted to reflect the allocations of Profits, Losses, income, gains, and losses pursuant to this Article V, and taking into account interim Profits, Losses, income, gains, and losses (determined using such accounting methods as shall be selected by the Managers) for the period ending on or before such distribution), such cash or assets shall be distributed first to the Member having a positive Capital Account balance in an amount equal to such positive balance, and the remaining cash or assets, if any, shall be distributed in accordance with Section 5.2(a) including the obligation for this to be subordinated to any debt service on the property as referenced i this Company Agreement.

(e) ***Payments Not Deemed Distributions.*** Any amounts paid pursuant to Section 6.9 or Article VIII of this Company Agreement shall not be deemed to be distributions for purposes of this Company Agreement.

(f) ***Withheld Amounts.*** Notwithstanding any other provision of this Section 5.2 to the contrary, each Member hereby authorizes the Company to withhold and to pay over, or otherwise pay, any withholding or other taxes payable by the Company with respect to the Member as a result of the Member's participation in the Company; if and to the extent that the Company shall be required to withhold or pay any such taxes, such Member shall be deemed for all purposes of this Company Agreement to have received a payment from the Company as of the time such withholding or tax is paid, which payment shall be deemed to be a distribution with respect to such Member's Membership Interest to the extent that the Member (or any successor to such Member's Membership Interest) is then entitled to receive a distribution. To the extent that the aggregate amount of such payments to a Member for any period exceeds the distributions to which such Member is entitled for such period, the amount of such excess shall be considered a loan from the Company to such Member. Such loan shall bear interest (which interest shall be treated as an item of income to the Company) at the General Interest Rate until discharged by such Member by repayment, which may be made by the Company out of distributions to which such Member would otherwise be subsequently entitled. Any withholdings authorized by this Section 5.2(f) shall be made at the maximum applicable statutory rate under the applicable tax law unless the Company shall have received an opinion of counsel or other evidence satisfactory to the Managers to the effect that a lower rate is applicable, or that no withholding is applicable.

(g) ***Distributions in Liquidation of Member's Membership Interest.*** For purposes of this Company Agreement, a liquidation of a Member's Membership Interest means the termination of the Member's entire Membership Interest other than in connection with the dissolution, winding up, and termination of the Company. Where a Member's Membership Interest is to be liquidated by a series of distributions, the Membership Interest shall not be considered as liquidated until the final distribution has been made. If a Member's Membership Interest is to be liquidated, liquidating distributions shall be made in accordance with the positive Capital Account balance of that Member (as determined after taking into account all Capital Account adjustments with respect to that Member's Membership Interest for the taxable year during which the liquidation occurs, as determined in accordance with Section 706 of the Code). A distribution in liquidation of a Member's Membership Interest shall be made by the end of the taxable year in which such liquidation occurs, or, if later, within 90 days after the Member's Membership Interest is liquidated.

(h) ***Depreciation.*** Each Member (Class A, B, and C) shall receive their pro rata share of depreciation for so long as they are Members of the Company according to their sharing ratios. Class C Members bear the economic risk of loss in connection with the Loan and acquisition of the Property.

5.3 **Special Allocations of Profits and Losses.**

(a) ***Special Allocations.***

(i) ***Qualified Income Offset.*** If any Member has an Adjusted Capital Account Deficit, items of income and gain shall be specially allocated (on a gross basis) to each such Member in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit of such Member as quickly as possible; provided, however, that an allocation pursuant to this Section 5.3(a)(i) shall be made only if and to the extent that a Member would have an Adjusted Capital Account Deficit after all other allocations

provided for in this Article V have been tentatively made as if this Section 5.3(a)(i) were not in this Company Agreement. It is intended that this Section 5.3(a)(i) constitute a “qualified income offset” within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Treasury Regulations and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

(ii) **Gross Income Allocation.** If any Member has a deficit Capital Account at the end of any fiscal year, and such deficit Capital Account is in excess of the sum of (A) the amount such Member is obligated to restore pursuant to any provisions of this Company Agreement and (B) the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Sections 1.704-2(g)(1) and 1.704-2(i)(5) of the Treasury Regulations, each such Member shall be specially allocated items of income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 5.3(a)(ii) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in Article V have been made as if Section 5.3(a)(i) hereof and this Section 5.3(a)(ii) were not in this Company Agreement.

(iii) **Minimum Gain Chargeback - Company Nonrecourse Liabilities.** If there is a net decrease in Company Minimum Gain during any Company taxable year, certain items of income and gain shall be allocated (on a gross basis) to the Members in the amounts and manner described in Section 1.704-2(f) of the Treasury Regulations. This Section 5.3(a)(iii) is intended to comply with the minimum gain chargeback requirement (set forth in Section 1.704-2(f) of the Treasury Regulations) relating to Company nonrecourse liabilities (as defined in Section 1.704-2(b)(3) of the Treasury Regulations) and shall be so interpreted.

(iv) **Minimum Gain Chargeback - Member Nonrecourse Debt.** If there is a net decrease in Member Minimum Gain during any Company taxable year, certain items of income and gain shall be allocated (on a gross basis) as quickly as possible to those Members who had a share of the Member Minimum Gain (determined pursuant to Section 1.704-2(i)(5) of the Treasury Regulations) in the amounts and manner described in Section 1.704-2(i)(4) of the Treasury Regulations. This Section 5.3(a)(iv) is intended to comply with the minimum gain chargeback requirement (set forth in Section 1.704-2(i)(4) of the Treasury Regulations) relating to Member nonrecourse debt (as defined in Section 1.704-2(b)(4) of the Treasury Regulations) and shall be so interpreted.

(v) **Basis Adjustments.** To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Section 1.704-1(b)(2)(iv)(m) of the Treasury Regulations, to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(vi) **Nonrecourse Deductions.** Member Nonrecourse Deductions shall

be allocated in accordance with Section 1.704-2(i)(1) of the Treasury Regulations to the Member who bears the economic risk of loss with respect to such deductions.

(vii) ***Allocation of Proceeds of Nonrecourse Liability.*** The determination of whether any distribution by the Company is allocable to the proceeds of a nonrecourse liability of the Company shall be made by the Member under any reasonable method that is in compliance with Section 1.704-2(h) of the Treasury Regulations.

(b) ***Curative Allocations.*** The allocations set forth in Sections 5.1(a)(iii) and 5.3(a) hereof (the “Regulatory Allocations”) are intended to comply with certain requirements of Section 1.704-1(b) of the Treasury Regulations. The Members hereby acknowledge and agree that the Regulatory Allocations may not be consistent with the manner in which the Members intend to make Company distributions. Accordingly, the Managers are hereby authorized and directed to make other allocations of Profit, Loss, or Book Depreciation among the Members in any reasonable manner that the Managers deem appropriate, in their sole discretion, so as to prevent the Regulatory Allocations from distorting the manner in which the Company distributions would otherwise be divided among the Members pursuant to Sections 5.2 and 12.2 hereof. In general, the Members anticipate that this will be accomplished by specially allocating other Profits, Losses, or Book Depreciation among the Members so that, after such offsetting special allocations are made, the amount of each Member’s Capital Account will be, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not a part of this Company Agreement and all Company items had been allocated to the Members solely pursuant to Section 5.1(a) hereof.

(c) ***Tax Allocations: Code Section 704(c).*** In accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and the initial Gross Asset Value of such property (determined in accordance with Section 4.5(c)(i) hereof). In accordance with the requirements of Section 1.704-1(b)(4)(i) of the Treasury Regulations, if the Gross Asset Value of any Company asset is adjusted pursuant to Section 4.5(c)(ii) hereof, subsequent allocations of income, gain, loss, and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and the Gross Asset Value of such asset in the same manner as such variations are taken into account under Section 704(c) of the Code and the Treasury Regulations thereunder with respect to property contributed to the Company. Any elections or other decisions relating to such allocation shall be made by the Managers in any manner that reasonably reflects the purpose and intention of this Company Agreement. Allocations pursuant to this Section 5.3(c) are solely for purposes of federal, state, and local taxes and shall not affect or be taken into account in computing any Member’s Capital Account or share of Profits, Losses, other items, or distributions pursuant to this Company Agreement.

(d) ***Other Allocation Rules.***

(i) For purposes of determining the Profits, Losses, or any other item allocable to any period (including periods before and after the admission of a new Member), Profits, Losses, and any such other item shall be determined on a daily,

monthly, or other basis, as determined and allocated by the Managers using any permissible method under Section 706 of the Code and the Treasury Regulations thereunder.

(ii) For federal income tax purposes, every item of income, gain, loss, and deduction shall be allocated among the Members in accordance with the allocations under Sections 5.1, 5.3(a), 5.3(b), and 5.3(c) of this Company Agreement.

(iii) The Members are aware of the income tax consequences of the allocations made by this Section 5.3 and Section 5.1 and hereby agree to be bound by the provisions of this Section 5.3 and Section 5.1 in reporting their shares of Company income and loss for income tax purposes.

(iv) To the extent permissible under Section 704 of the Code and the Treasury Regulations thereunder, in making allocations provided for in this Section 5.3 and Section 5.1, ordinary income realized by the Company from recapture of previously reported deductions shall be allocated to those Members (or their successors in interest) to whom such deductions were originally allocated and in proportion to such original allocations. Any obligation relating to the recapture of previously reported credits shall be allocated to those Members (or their successors in interest) to whom such credits were originally allocated and in proportion to such original allocations.

(v) It is intended that the allocations in Sections 5.1, 5.3(a), 5.3(b), and 5.3(c) of this Company Agreement effect an allocation for federal income tax purposes consistent with Section 704 of the Code and comply with any limitations or restrictions therein. The Managers shall have complete discretion to make the allocations pursuant to this Section 5.3 and Section 5.1 in any reasonable manner consistent with Section 704 of the Code and to amend the provisions of this Company Agreement as appropriate to comply with the Treasury Regulations promulgated under Section 704 of the Code, if in the opinion of counsel to the Company, such an amendment is advisable to reflect allocations among the Members consistent with those Treasury Regulations.

(vi) The Members agree that their Membership Interests represent their interests in Company profits for purposes of allocating excess nonrecourse liabilities pursuant to Section 1.752-3(a)(3) of the Treasury Regulations.

With respect to any matter, other than a matter for which the affirmative vote of the holders of a specified portion of the aggregate Sharing Ratios of all Members entitled to vote is required by this Company Agreement or the Act, the affirmative vote of a Required Interest at a meeting of Members at which a quorum is present shall be the act of the Members.

Upon the resumption of such adjourned meeting, any business may be transacted that might have been transacted at the meeting as originally called.

(d) An annual meeting of the Members for the transaction of such business as may properly come before the meeting, shall be held at such place, within or without the State of North Carolina, on such date and at such time as the Managers shall fix and set forth in the notice of the meeting, which date shall be within thirteen (13) months subsequent to the date of organization of the Company or the last annual meeting of Members, whichever most recently occurred; provided, however, that the Managers may elect not to hold annual meetings of the Members if it deems in its sole discretion such meeting or meetings to be unnecessary or burdensome. Any action taken at an annual meeting of Members pursuant to this Section 7.1(d) must be approved by the vote of Members required to approve such action as provided for in this Company Agreement, and if so approved, shall be the action of the Company and shall not require the approval of the Managers, notwithstanding the provisions of Section 6.1(a).

(e) Special meetings of the Members for any proper purpose or purposes may be called at any time by the Managers or the holders of at least ten percent (10%) of the Sharing Ratios of all Members. If not otherwise stated in or fixed in accordance with the remaining provisions hereof, the record date for determining Members entitled to call a special meeting is the date any Member first signs the notice of that meeting. Only business within the purpose or purposes described in the notice (or waiver thereof) required by this Company Agreement may be conducted at a special meeting of the Members. Any action taken at a special meeting of Members pursuant to this Section 7.1(e) must be approved by the vote of Members required to approve such action as provided for in this Company Agreement, and if so approved, shall be the action of the Company and shall not require the approval of the Managers, notwithstanding the provisions of Section 6.1(a).

If mailed, any such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Member at his address provided for in Section 15.2, with postage thereon prepaid.

(g) The date on which notice of a meeting of Members is mailed or the date on which the resolution of the Managers declaring a distribution is adopted, as the case may be, shall be the record date for the determination of the Members entitled to notice of or to vote at such meeting, including any adjournment thereof, or the Members entitled to receive such distribution.

(h) The right of Members to cumulative voting in the election of Managers is expressly prohibited.

7.2 **Voting List.** The Managers shall make, at least ten (10) days before each meeting of Members, a complete list of the Members entitled to vote at such meeting or any adjournment thereof, arranged in alphabetical order, with the address of and the Sharing Ratios held by each,

which list, for a period of ten (10) days prior to such meeting, shall be kept on file at the registered office or principal place of business of the Company and shall be subject to inspection by any Member at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any Member during the whole time of the meeting. The original membership records shall be prima- facie evidence as to who are the Members entitled to examine such list or transfer records or to vote at any meeting of Members. Failure to comply with the requirements of this Section shall not affect the validity of any action taken at the meeting.

7.3 Proxies. A Member may vote either in person or by proxy executed in writing by the Member. A telegram, telex, cablegram, or similar transmission by the Member, or a photographic, photostatic, facsimile, or similar reproduction of a writing executed by the Member shall be treated as an execution in writing for purposes of this Section. Proxies for use at any meeting of Members or in connection with the taking of any action by written consent shall be filed with the Managers, before or at the time of the meeting or execution of the written consent, as the case may be. All proxies shall be received and taken charge of and all ballots shall be received and canvassed by the Managers, who shall decide all questions touching upon the qualification of voters, the validity of the proxies, and the acceptance or rejection of votes, unless an inspector or inspectors shall have been appointed by the chairman of the meeting, in which event such inspector or inspectors shall decide all such questions. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. A proxy shall be revocable unless the proxy form conspicuously states that the proxy is irrevocable and the proxy is coupled with an interest. Should a proxy designate two (2) or more Persons to act as proxies, unless that instrument shall provide to the contrary, a majority of such Persons present at any meeting at which their powers thereunder are to be exercised shall have and may exercise all the powers of voting or giving consents thereby conferred, or if only one be present, then such powers may be exercised by that one; or, if an even number attend and a majority do not agree on any particular issue, the Company shall not be required to recognize such proxy with respect to such issue if such proxy does not specify how the Sharing Ratios that are the subject of such proxy are to be voted with respect to such issue.

7.4 Conduct of Meetings. All meetings of the Members shall be presided over by the chairman of the meeting, who shall be the Chairman of the Managers or another Managers approved by the Managers. The chairman of any meeting of Members shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of discussion as seem to him in order.

7.5 Action by Written Consent or Telephone Conference.

No written consent shall be effective to take the action that is the subject to the consent unless, within sixty (60) days after the date of the earliest dated consent delivered to the Company in the manner required by this Section, a consent or consents signed by the holder or holders of not less than the minimum Sharing Ratios that would be necessary to take the action that is the subject

A telegram, telex, cablegram, or similar transmission by a Member, or a photographic, photostatic, facsimile, or similar reproduction of a writing signed by a Member, shall be regarded as signed by the Member for purposes of this Section. Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action. The record date for determining Members entitled to consent to action in writing without a meeting shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its registered office, its principal place of business, or the Managers. Delivery to the Company's principal place of business shall be addressed to the Managers.

(b) If any action by Members is taken by written consent, any articles or documents filed with the Secretary of State of North Carolina as a result of the taking of the action shall state, in lieu of any statement required by the Act concerning any vote of Members, that written consent has been given in accordance with the provisions of the Act and that any written notice required by the Act has been given.

(c) Members may participate in and hold a meeting by means of conference telephone or similar communications equipment by means of which all Persons participating in the meeting can hear each other, and participation in such meeting shall constitute attendance and presence in person at such meeting, except where a Person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE VIII INDEMNIFICATION

8.1 **Actions Other Than by or in the Right of the Company.** The Company shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Company), by reason of the fact that he is or was a Managers, officer, employee, or agent of the Company, or is or was serving at the request of the Company as a Managers, director, officer, employee, or agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise (all of such persons being hereafter referred to in this Article as a "Company Functionary"), against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

8.2 **Actions by or in the Right of the Company.** The Company shall indemnify any

person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he is or was a Company Functionary against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable to the Company, unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

83 Determination of Right to Indemnification. Any indemnification under Sections 8.1 or 8.2 (unless ordered by a court) may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Company Functionary is proper in the circumstances and that he has met the applicable standard of conduct set forth in Sections 8.1 or 8.2. Such determination shall be made by the Managers.

84 Prepaid Expenses. Expenses incurred by a Company Functionary in defending a civil, criminal, administrative, or investigative action, suit, or proceeding may be paid by the Company in advance of the final disposition of such action, suit, or proceeding, upon receipt of an undertaking by or on behalf of the Company Functionary to repay such amount if it shall ultimately be determined he is not entitled to be indemnified by the Company as authorized in this Article VIII.

85 Other Rights and Remedies. The indemnification and advancement of expenses provided by or granted pursuant to this Article VIII shall not be deemed exclusive of any other rights to which any person seeking indemnification and for advancement of expenses may be entitled under this Company Agreement, or any agreement, determination of the Managers, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a Company Functionary and shall inure to the benefit of the heirs, executors, and administrators of such a person. Any repeal or modification of this Company Agreement or relevant provisions of the act and other applicable law, if any, shall not affect any than existing rights of a Company Functionary to indemnification or advancement of expenses.

86 Insurance. Upon approval by the Managers, the Company may purchase and maintain insurance on behalf of any person who is or was a Managers, officer, employee, or agent of the Company, or is or was serving at the request of the Company as a Managers, director, officer, employee, or agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Company would have the power to indemnify him against such liability under the provisions of this Article VIII or the Act.

87 Mergers. For purposes of this Article VIII, references to "the Company" shall include, in addition to the resulting or surviving company, constituent entities (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence

had continued, would have had power and authority to indemnify its Managers, directors, officers, employees, or agents, so that any person who is or was a Managers, director, officer, employee, or agent of such constituent entity or is or was serving at the request of such constituent entity as a Managers, director, officer, employee, or agent of another limited liability company, partnership, joint venture, trust, or other enterprise shall stand in the same position under the provisions of this Article VIII with respect to the resulting or surviving entity as he would have with respect to such constituent entity if its separate existence had continued.

88 **Savings Provision.** If this Article VIII or any portion hereof shall be invalidated on any ground by a court of competent jurisdiction, the Company may nevertheless indemnify each Company Functionary as to expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any action, suit, proceeding, or investigation, whether civil, criminal, or administrative, including a grand jury proceeding or action or suit brought by or in the right of the Company, to the full extent permitted by any applicable portion of this Article VIII that shall not have been invalidated.

ARTICLE IX TAXES

9.1 **Tax Returns.** The Managers shall cause to be prepared and filed all necessary federal and state income tax returns for the Company, including making the elections described in Section 9.2. Each Member shall furnish to the Managers all pertinent information in his or its possession relating to Company operations that is necessary to enable the Company's income tax returns to be prepared and filed.

92 **Tax Elections.** The Company shall make the following elections on the appropriate tax returns:

- (b) if a distribution of Company property as described in Section 734 of the Code occurs or if a transfer of a Membership Interest as described in Section 743 of the Code occurs, on written request of any Member, to elect, pursuant to Section 754 of the Code, to adjust the basis of Company properties;
- (c) to elect to amortize the organizational expenses of the Company and the startup expenditures of the Company ratably over a period of sixty (60) months as permitted under Section 195 and Section 709(b) of the Code; and
- (d) any other election including, without limitation, whether the Company shall adopt a cash or accrual method of accounting as the Managers may deem appropriate and in the best interests of the Members.

Neither the Company nor any Managers or Member may make an election for the Company to be excluded from the application of the provisions of subchapter K of chapter 1 of subtitle A of the Code or any similar provisions of applicable state law, and no provision of this Company Agreement (including, without limitation, Section 2.8) shall be construed to sanction or approve such an election.

9.3 **Tax Matters Partner.** The Manager shall be the “tax matters partner” of the Company pursuant to Section 6231(a)(7) of the Code. Any Member or Managers who is designated “tax matters partner” shall take such action as may be necessary to cause each other Member to become a “notice partner” within the meaning of Section 6223 of the Code. Any Member who is designated “tax matters partner” shall inform each other Member of all significant matters that may come to his or its attention in his or its capacity as “tax matters partner” by giving notice thereof on or before the fifth (5th) Business Day after becoming aware thereof and, within that time, shall forward to each other Member copies of all significant written communications he or it may receive in that capacity. Any Member who is designated “tax matters partner” may not take any action contemplated by Sections 6222 through 6232 of the Code without the consent of a Required Interest, but this sentence does not authorize such Member (or any other Member) to take any action left to the determination of an individual Member under Sections 6222 through 6232 of the Code. Each Member shall execute, certify, acknowledge, deliver, swear to, file and record all documents necessary or appropriate to evidence its approval of this designation. In such capacity the Tax Matters Member shall represent the Company in any disputes, controversies or proceedings with the Internal Revenue Service or with any state, local, or non-U.S. taxing authority and is hereby authorized to take any and all actions that it is permitted to take by applicable legal requirements when acting in that capacity. The Tax Matters Member shall be entitled to take such actions on behalf of the Company in any and all proceedings with the Internal Revenue Service and any other taxing authority as it reasonably determines to be appropriate and that is consistent with this Section. The Tax Matters Member shall be reimbursed by the Company for all out-of-pocket costs and expenses reasonably incurred in connection with any such proceeding and shall be indemnified by the Company (solely out of Company assets) with respect to any action brought against such Tax Matters Member in connection with the settlement of any such proceeding. If the Person receiving that notice objects on or before the tenth (10th) day following receipt to the independent appraiser designated in that notice, and those Persons otherwise fail to agree on an independent appraiser, either such Person may petition the United States District Judge in the jurisdiction of the Property then senior in service to designate an independent appraiser. The distribution of cash and/or property to a Member in accordance with the provisions of this Section 12.2 constitutes a complete distribution to the Member with respect to his or its Membership Interest and the Member's interest in the Company's property, and constitutes a compromise to which all Members have consented. To the extent that a Member returns funds to the Company, he or it has no claim against any other Member for those funds.

12.3 Deficit Capital Account. Notwithstanding anything to the contrary in this Company Agreement, and notwithstanding any custom or rule of law to the contrary, if any Member has a negative balance in his or its Capital Account on the date of the liquidation of such Member's "interest in the partnership" (within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Treasury Regulations) after taking into account allocations of Profits, Losses, and other items of income, gain, loss, deduction, or credit, and distributions of cash or property (in each case as provided in Article V), that Member shall have no obligation to restore the negative balance or to make any Capital Contribution by reason thereof, and the negative balance shall not be considered an asset or a liability of the Company or of any Member.

14.2 **Lost Certificates.** The Company may direct that a new certificate be issued in place of any certificate theretofore issued by the Company alleged to have been lost or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate to be lost or destroyed. When authorizing the issue of a new certificate, the Managers in their discretion and as a condition precedent to the issuance thereof, may require the owner of the lost or destroyed certificate, or his legal representative, to advertise the same in such manner as it shall require and/or give the Company a bond in such form, in such sum, and with such surety or sureties as it may direct as indemnity against any claim that may be made against the Company with respect to the certificate alleged to have been lost, stolen, or destroyed.

14.3 **Transfer of Certificates.** Certificates representing Membership Interests shall be transferable, subject to the provisions of Section 3.3, only on the records of the Company by the holder thereof in person or by his duly authorized attorney.
