THE OFFERING AND THE SECURITIES

The Offering

The Issuer is offering a minimum amount of \$75,000.00 (the “**Target Offering Amount**”) and up to a maximum amount of \$850,000.00 (the “**Maximum Offering Amount**”) of Revenue Participation Interests (the “**Securities**”) on a best-efforts basis as described in this Form C (this “**Offering**”). The Minimum Individual Purchase Amount is \$250.00, and the Maximum Individual Purchase Amount is \$124,000.00. The Issuer reserves the right to amend the Minimum Individual Purchase Amount and Maximum Individual Purchase Amount, in its sole discretion. In particular, the Issuer may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Purchase Amounts and Maximum Individual Purchase Amounts to Investors participating in such programs without notice. The Issuer must raise an amount equal to or greater than the Target Offering Amount by February 3, 2026 (the “**Offering Deadline**”). Unless the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled, and all committed funds will be returned.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Issuer’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

In order to purchase the Securities, you must make a commitment to purchase by completing the purchase process hosted by the **Intermediary** (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Issuer are required to correct any errors or omissions made by the Investor.**

Investor funds will be held in escrow with a qualified third-party escrow agent meeting the requirements of Regulation CF (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. **Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the Investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the Investor will receive their Securities.**

Investment commitments made in this Offering will be represented by a pro rata beneficial interest (based on the amount invested) subject to the terms of the Revenue Participation Agreement (attached as Exhibit B), Custody Agreement (attached as Exhibit C), and Omnibus Nominee Trust Agreement (attached as Exhibit D). Securities sold in this Offering will be deposited into a custodial account (“**Custodial Account**”) with BitGo Trust Company, Inc., who will serve as the custodian, nominee, and legal record holder (the “**Custodian**” or “**Nominee**”). In order to receive Securities from this Offering, Investors will be required to establish, or verify that they already have, an account with the Custodian. The legal title to the Securities purchased by the Investor in this Offering will be held in the name of a trust established by and maintained by the Nominee for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities pursuant to the terms and conditions of the Omnibus Nominee Trust Agreement attached hereto as Exhibit D.

The Issuer will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Issuer reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Intermediary must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Issuer continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

The Deal Page

A description of our products, services and business plan can be found on the Issuer's profile page on the Intermediary's website under <https://republic.com/thorpe> (the "**Deal Page**"). The Deal Page can be used by prospective Investors to ask the Issuer questions and for the Issuer to post immaterial updates to this Form C as well as make general announcements. You should view the Deal Page at the time you consider making an investment commitment. Updates on the status of this Offering can also be found on the Deal Page.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline the Issuer will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor's investment commitment will be canceled, and the committed funds will be returned without interest or deductions.

Intermediate Closings

In the event an amount equal to two (2) times the Target Offering Amount is committed and meets all required terms of the Offering prior to the Offering Deadline on such date or such later time the Issuer designates pursuant to Rule 304(b) of Regulation CF, the Issuer may conduct the first of multiple closings of the Offering early, *provided* (i) the early closing date must be twenty-one (21) days from the time the Offering opened and (ii) that all Investors will receive notice of such early closing date at least five (5) business days prior to such new offering deadline (absent a material change that would require an extension of the Offering and reconfirmation of all investment commitments). Investors who committed on the date such notice is provided or prior to the issuance of such notice will be able to cancel their investment commitment until 48 hours before such early closing date.

If the Issuer conducts an initial closing (the "**Initial Closing**"), the Issuer agrees to only withdraw seventy percent (70%) of the proceeds that are in escrow and will only conduct such Initial Closing if there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of the Initial Closing. The Issuer may only conduct another close (a "**Subsequent Closing**") before the Offering Deadline if the amount of investment commitments made as of the date of such Subsequent Closing exceeds two times the Target Offering Amount as of the date of the Initial Closing and there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of such Subsequent Closing.

Any investment commitments received after an intermediate closing will be released to the Issuer upon a subsequent closing and the Investor will receive evidence of the Securities via electronic certificate/PDF in exchange for their investment commitment as soon as practicable thereafter.

The Issuer has agreed to return all funds to Investors in the event a Form C-W is ultimately filed in relation to this Offering, regardless of whether multiple closings are conducted.

Investment commitments are not binding on the Issuer until they are accepted by the Issuer, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Issuer rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

The Securities

We request that you please review this Form C, the Revenue Participation Agreement attached as Exhibit B, Custodial Services Agreement attached hereto as Exhibit C, and Omnibus Nominee Trust Agreement attached as Exhibit D, in conjunction with the following summary information.

Revenue Participation Interests

The Issuer is offering revenue participation interests related to its Productions (as defined below) (the "**Participation Interests**" or "**Securities**").

The Offering is being undertaken in order to create and develop a series of scripts and ancillary creative intellectual property inspired by the life of Jim Thorpe, that will be licensed, sold or optioned for film production and exploitation

(the intellectual property developed known collectively hereinafter as a "**Development Project**"). Upon the closing of the Offering, the Issuer will develop the Development Project, the manner of which will be determined solely by the Issuer (the Development Project which is licensed, sold or optioned for film production and exploitation is known hereinafter as a "**Production**").

For purposes hereof, an Investor's "**Participation Percentage**" is equal to the aggregate price the Investor paid for its Participation Interests ("**Participation Purchase Price**") divided by the aggregate Participation Interests sold in this Offering, including any securities commission paid to the Intermediary, expressed as a percentage.

An Investor will be eligible to recoup the price paid for the Participation Interests (Participation Purchase Price) and receive returns, on a pro rata and pari passu basis with each other investor in the Offering, from the Production, if any, as follows:

- Collectively, the Investors will receive an amount equal to eighty percent (80%) of the Issuer's share of Distributable Net Revenues, if any, from the Production (collectively, "**Investors' Initial Distributable Net Revenues**") until Investors have recouped one hundred percent (100%) of their respective Participation Purchase Price together with a twenty percent (20%) return on their respective Participation Purchase Price (collectively, the "**Preferred Return**"). After the Preferred Return has been fully paid to the Investors, the Investors will be entitled to receive Distributable Net Revenues in the amount of thirty percent (30%) of the Issuer's share of Distributable Net Revenues in connection with the Productions (collectively, the "**Investors' Post-Recoupment Distributable Net Revenues**"), in perpetuity. Each Investor will be entitled to a share of the Distributable Net Revenues in an amount equal to such Investor's Participation Percentage multiplied by the Distributable Net Revenues. As used herein, "**Distributable Net Revenues**" shall be defined as all gross proceeds received by the Issuer from all sources, including (i) any license or acquisition fees, (ii) development fees paid as a line item on production, (iii) any fees attributable to the Issuer via a position as a producer, co-producer, creator, etc, during production, (iv) any royalties or residuals negotiated, (v) any profit sharing entitlements, and/or (vi) any revenue generated through negotiated ancillary rights (spin-offs, sequel, prequel, novelization). The Issuer makes no representation that the Production will generate any, or any particular amount of, Distributable Net Revenues.
- The Company may offer up to \$5,000,000 in Securities, which if it were to occur, would require the amendment of this Form C to increase the Maximum Offering Amount.

Payment to Investor

Any recoupment and returns to which Investors are entitled will be paid to Investors on a quarterly basis following the close of the Offering. The first quarterly payment will commence within ninety (90) days following the receipt of Distributable Net Revenues. Subsequent payouts will continue on a quarterly basis provided that Issuer is in receipt of monies to which Investors are entitled.

In order to receive entitled payouts, the Investor must create and provide a self-custodied Republic digital wallet ("**Wallet**") address that will be used to receive payments. The Investor recognizes that this mechanism is the sole and exclusive means to receive payment and that no payment can be distributed without the Investor's provision of a Wallet (as defined below) address. Wallet addresses can be created by following the relevant instructions on republic.com. The Custodian is not responsible for creating and managing the Republic wallet on the Investor's behalf.

Transferability

Within one hundred and eighty (180) days of the Initial Closing, the Investor may be able to receive one digital blockchain token (the "**Blockchain Instruction Token**" or "**BIT**") for each Participation Interest to the Investor's unique wallet address on the applicable blockchain. These BITs will be tools to transfer ownership of the Securities.

If the Investor transfers Securities to another person by way of BITs or otherwise, then that person (the "**New Holder**") is deemed to be bound by the terms of the Instrument as an Investor for the period of time they hold such Securities and the Investor irrevocably and unconditionally undertakes to ensure that each New Holder, prior to the transfer of Securities to them, expressly agrees to be bound by the Instrument as an Investor for the period of time they hold such Securities. By transferring any Securities, the Investor assigns all the Investor's rights, title and interest under the Instrument to the recipient of those Securities or to the owner of the wallet to which the Investor transfers any BITs.

Blockchain Instruction Tokens

- The Issuer intends to use an alternative method of providing an instruction called a Blockchain Instruction Token, an ERC-1404 type token, to provide an additional method for the Investor to provide a notification directing the transfer of the Securities. BITs are not intended to be a digital representation of the Securities, nor is the Issuer required to mint or release the BITs.

- After purchasing the Securities in the Offering, Investors may have the opportunity to receive BITs to their self-custodied Republic digital wallets (“Wallets”) by accessing the Investors’ Republic Portfolio page, where there will be an option to receive the BITs. The BITs may be issued before the lock-up period is over, but there will be built-in restrictions to restrict the transfer of any BITs before the lock-up is over.

- Additionally, to receive BITs, the transferee will need to go through onboarding, enter into various agreements with the Custodian, and get their Wallets whitelisted (KYC/AML, etc.). If a transferee fails to meet these requirements, the transfer of BITs will be blocked until the requirements are met.

- The entire series of Securities purchased by investors in the Offering through the Intermediary will be registered in the name of, and held of record by, the Custodian. The Custodian is the legal holder of record for the Securities purchased through the Intermediary.

- The Issuer, its agents or representatives shall deliver the Securities to the Custodian. Investors will sign an Omnibus Nominee Trust Agreement (attached as Exhibit D) and new account forms with the Custodian to designate the Custodian as the legal holder of record for the purchased Securities.

- The Issuer and the Investor authorize the Custodian for the benefit of the Investor, to hold the Securities in registered form in the Custodian’s name or the name of its nominees for the benefit of the Investor and the Investor’s permitted assigns. The Issuer and Investor acknowledge and agree that the Custodian may assign any and all of its agreements with Investor, delegate its duties thereunder, and transfer Investor’s Securities to any of its affiliates or to its successors and assigns, whether by merger, consolidation, or otherwise, in each case, without the consent of the Investor or the Issuer.

- When an Investor wishes to sell or transfer their Securities, they must provide notice to the Custodian, which, subject to any applicable restrictions on transfers, will facilitate the transfer. Transfer of BITs may be one mechanism to do so subject to certain terms and conditions.

- BITs may be considered “securities” in the United States and are expected to be listed for transfer and exchange on securities marketplaces, including without limitation the INX Alternative Trading System (“INX”).

provided, however, that no such termination will be effective with respect to any Securities the transfer of which is restricted by contract, law, edict or otherwise unless consented to by the Issuer thereof (including by blanket consent). Nominee's sole function during the term of the Omnibus Nominee Trust Agreement will be to hold nominal legal title to the Securities for the benefit of the Investors under and subject to the Investor's instructions. Investors agree to indemnify Nominee per the terms of the Omnibus Nominee Trust Agreement.

Voting and Control

The Securities do not have any voting rights.

The Issuer does not have any voting agreements in place.

The Issuer has an Operating Agreement in place, dated June 25, 2025, which addresses, among other things, (i) membership interests and capital contributions, (ii) management, (iii) allocations and distributions, (iv) voting and meetings, and (v) restrictions on transfer.

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future issuances above 5,000,000 in Revenue Participation Interests and certain other events will dilute the percentage of revenue share that Investors may eventually receive. The Issuer may issue up to an aggregate of 5,000,000 Revenue Participation Interests, including those issued in this Offering.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Issuer; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. "Member of the family" as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them. Furthermore, as the Custodian is the legal owner of the Securities, until the Custodian transfers the Securities from custodial accounts with the Custodian ("***Custodial Accounts***") to the accounts designated by Investors, Investors may only transfer their beneficial interest in the Securities and not the Securities themselves. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them, particularly as transfers will require coordination with the Custodian and only the beneficial interest in such Securities, and not legal ownership, may be transferred.

Prohibition on Creation of Security Interest

The Investor may not grant a security interest in the Securities or otherwise encumber the Investor's Revenue Participation Interests in any manner.

Other Material Terms

- The Issuer does not have the right to repurchase the Securities.
- Transfer restrictions may conflict with the terms of the Custodial Services Agreement as described in Exhibit C and Omnibus Nominee Trust Agreement described in Exhibit D.
- The Securities do not have a stated return or liquidation preference
- Since the legal title to the Securities will be held by the Nominee, Investors will need to coordinate any permitted sales/transfers of the Securities with the Nominee (as Nominee and Custodian) pursuant to the afore-referenced Custodial Services Agreement and Omnibus Nominee Trust Agreement.

COMMISSION AND FEES

Cash Commission

At the conclusion of the Offering, the Issuer shall pay the Intermediary the greater of (A) \$15,000 or (B) the amount determined pursuant to the following schedule: (1) 0% of any dollar amounts raised in the Offering up to \$100,000.00 and (2) 5% of any dollar amounts raised in the Offering exceeding \$100,000.01. Additionally, the Issuer shall pay to the Intermediary a non-refundable onboarding fee of \$7,500.00).

Other Compensation

The Intermediary will also receive compensation in the form of the Securities equal to two percent (2%) of the total number of Securities sold in the Offering. The total number of Securities outstanding after the Offering is subject to increase in an amount equal to the Intermediary's fee of two percent (2%) of the Securities issued in this Offering.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. In addition to the risks specified below, the Issuer is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Risks Related to the Issuer's Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Issuer is still in an early phase, and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Issuer may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Issuer is attempting to raise in this Offering may not be enough to sustain the Issuer's current business plan.

In order to achieve the Issuer's near and long-term goals, the Issuer may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Issuer will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, our lack of revenues from sales, as well as the inherent business risks associated with the Issuer and present and future market conditions. Additionally, our future sources of revenue may not be sufficient to meet our future capital requirements. As such, we may require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of alter efforts, any of which may materially harm our business, financial condition and results of operations.

Affiliates of the Issuer's CEO and Founder currently own all of the outstanding equity interests of the Company, and they will exercise voting control.

Prior to the Offering, affiliates of Barry Capece, the CEO and Founder of the Issuer, beneficially own all of the outstanding equity interests of the Issuer (the "***Capece Affiliates***"). Subject to any fiduciary duties owed to other shareholders under Texas law, the Capece affiliates may be able to exercise significant influence over matters requiring shareholder approval, including the election of directors and approval of significant Issuer transactions, and will have significant control over the Issuer's management and policies. The Capece Affiliates may have interests that are different from yours. For example, the Capece Affiliates may support proposals and actions with which you may disagree. The concentration of ownership could delay or prevent a change in control of the Issuer or otherwise discourage a potential acquirer from attempting to obtain control of the Issuer, which in turn could reduce the price potential investors are willing to pay for the Issuer. In addition, the Capece Affiliates could use their voting influence to maintain the Issuer's existing management, which determines the Development Projects and Productions that may be pursued by the Issuer.

We may implement new lines of business or offer new products and services within existing lines of business.

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

We rely on other companies to provide services for our products.

We will depend on third party service providers and vendors to meet our contractual obligations and conduct our operations. Our ability to meet our obligations may be adversely affected if service providers and vendors do not provide the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our services may be adversely impacted if companies to whom we delegate certain services do not perform to our, and our customers', expectations. Our service providers and vendors may also be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two service providers and vendors for a particular service.

We rely on various intellectual property rights in order to operate our business.

The Issuer relies on certain intellectual property rights, particularly life story rights, copyrights, tradenames and trade secrets (hereinafter collectively referred to as "trade secrets"), to operate its business. The Issuer's intellectual property rights are unregistered and may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our intellectual property rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

We cannot guarantee we will be successful in licensing, selling, producing, distributing, commercializing or exploiting our Production, or any products created in connection therewith, or that if we are able to do so, that we will make a profit.

No assurance can be given that we will be successful in licensing, selling, producing, distributing, commercializing or exploiting any Production, or any products created in connection therewith, to our targeted markets. Further, even if we do so, no assurance can be given that we will generate a profit from such sales. If we cannot generate a profit, we will have to suspend or cease operations and any investor in the Issuer may lose their entire investment.

We may not be able to implement our strategies of licensing or selling our intellectual property for production, effectively or at all.

Our growth strategy depends on our ability to successfully develop, and license or sell, Productions by leveraging the talents of our personnel, their experience and relationships with production companies and our to-be-developed proprietary business model. Entry into such licensing and/or sales of intellectual property, presents significant challenges and subjects our business to significant risks, including those risks set forth below. The inability to successfully manage these challenges could adversely affect our potential success in maximizing licensing and sales opportunities. Such failures would significantly limit our ability to grow our business and could also divert significant resources from our digital production and other businesses.

Our successful entry into the licensing or sales of our intellectual property related to the life of Jim Thorpe faces various risks and challenges, including:

- the success of our licensing or sales of Jim Thorpe intellectual property will be primarily dependent on audience acceptance of our content, which is extremely difficult to predict;
- the marketing of our Productions is capital-intensive and our capacity to generate cash from our licensed or sold Productions may be insufficient to meet our anticipated capital requirements;
- delays and increased expenditures due to creative problems, technical difficulties, talent availability, accidents, natural disasters or other events beyond the control of the production companies and distributors to whom we license or sell our intellectual property;
- the entrance of additional firms focused on Jim Thorpe content, which may result in increased competition for our audiences and for talented staff;
- the costs of producing and marketing content have steadily increased and may increase in the future, which may make it more difficult for us to generate a profit or compete against other content creators;
- production is subject to seasonal variations based on the timing of other releases, including theatrical motion picture and home entertainment content, and a short-term negative impact on business during a time of high seasonal demand (such as might result from a natural disaster or a terrorist attack during the time of one of our theatrical or home entertainment releases) could have a disproportionate effect on our results for the year;
- a strike by one or more of the labor unions or similar groups that provide personnel essential to the production of Jim Thorpe licensed or sold content could delay or halt proposed production activities;
- the strain on our personnel from the effort required to license or sell Jim Thorpe content and the time required for creative development of future content may hinder our ability to consistently release our Jim Thorpe content; and
- the profitable distribution of Jim Thorpe content depends in large part on the availability of one or more capable distributors who are able to arrange for appropriate advertising and promotion, proper release dates, and any decision by those distributors not to distribute or promote Jim Thorpe content which we have licensed or sold, or to promote competitors' content to a greater extent than they promote the licensed or sold Jim Thorpe contents, or our inability to enter into profitable distribution arrangements with such distributors, could have an adverse effect on our proposed production business.

A substantial part of our business relies upon the success and popularity of our Jim Thorpe content. If other forms of entertainment prove to be more attractive to consumers than such content, our growth and operating results could be harmed.

A substantial part of our business relies on the popularity of content around Jim Thorpe. If other forms of content, or other entertainment with which our content competes for consumers' leisure time and disposable income, such as other content or genres of conventional motion pictures, television, digital streaming services, concerts, amusement parks and sporting events, become more popular than our Thorpe content, our business and operating results could be harmed.

We cannot predict the effect that rapid technological change may have on our business or industry.

The entertainment industry in general, and the content production sector thereof in particular, are rapidly evolving, primarily due to technological developments. The rapid growth of technology and shifting consumer tastes prevent us from being able to accurately predict the overall effect that technological growth may have on our potential revenue and profitability. If we are unable to develop and effectively market new technologies that adequately or competitively address the needs of these changing industries, it could have an adverse effect on our business and growth prospects.

Piracy may affect our ability to maximize our revenues.

Piracy is extensive in many parts of the world and is made easier by technological advances. This trend facilitates the creation, transmission and sharing of high- quality unauthorized copies of Productions in theatrical release, on videotapes and DVDs, from pay-per-view through set top boxes and other devices through unlicensed broadcasts on free TV and the internet. The proliferation of unauthorized copies of these products will likely continue, and if it does, will have an adverse effect on the Issuer's business, because these products could reduce the revenue generated by the Productions. Additionally, in order to contain this problem, we may have to implement elaborate and costly security and anti-piracy measures, which could result in significant expenses and losses of revenue. There can be no assurance that even the highest levels of security and anti-piracy measures will prevent piracy. In particular, unauthorized copying and piracy are prevalent in countries outside of the U.S., whose legal systems may make it difficult for the Issuer to enforce its intellectual property rights. While the U.S. government has publicly considered implementing trade sanctions against specific countries that, in its opinion, do not make appropriate efforts to prevent copyright infringements of U.S. products, there can be no assurance that any such sanctions will be enacted or, if enacted, will be effective. In addition, if enacted, such sanctions could impact the amount of revenue generated from the international exploitation of the Productions. If enacted, such trade sanctions could impact the amount of revenue that we realize from the international exploitation of our content, depending upon the countries subject to such action and the duration of such action. If embargoes or sanctions are not enacted or if other measures are not taken, we may lose an indeterminate amount of additional revenue as a result of piracy.

The Issuer's business plan is based on numerous assumptions and projections that may not prove accurate.

The Issuer's business plan and potential growth is based upon numerous assumptions. No assurance can be given regarding the attainability of the financial projections. The Issuer's ability to adhere to, and implement, its business plan will depend upon the Issuer's ability to successfully raise funds and a variety of other factors, many of which are beyond the Issuer's control. Likewise, management is not bound to follow the business plan and may elect to adopt other strategies based upon unanticipated opportunities, or changes in circumstances or market conditions. All financial projections contained in the business plan are based entirely upon management's assumptions and projections and should not be considered as a forecast of actual revenues or our liquidity. Actual operating results may be materially different.

Although the Issuer believes the assumptions upon which the Issuer's business and financial projections are based have reasonable bases, the Issuer cannot offer any assurance that its results of operations and growth will be as contemplated. If any of the assumptions upon which these opinions and projections are based prove to be inaccurate, including growth of the economy in general and trends in our industry, these opinions and projections could be adversely affected. Prospective investors should be aware that these opinions and other projections and predictions of future performance, whether included in the business plan, or previously or subsequently communicated to prospective investors, are based on certain assumptions which are highly speculative. Such projections or opinions are not (and should not be regarded as) a representation or warranty by the Issuer or any other person that the overall objectives of the Issuer will ever be achieved or that the Issuer will ever achieve significant revenues or profitability. These opinions, financial projections, and any other predictions of future performance should not be relied upon by potential investors in making an investment decision in regard to this Offering.

The Issuer's success depends on the experience and skill of its executive officers and key personnel.

We are dependent on our executive officers and key personnel. These persons may not devote their full time and attention to the matters of the Issuer. The loss of all or any of our executive officers and key personnel could harm the Issuer's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Issuer does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Issuer has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Issuer will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Issuer and our operations. We have no way to guarantee key personnel will stay with the Issuer, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

In order for the Issuer to compete and grow, it must attract, recruit, retain and develop the necessary personnel who have the needed experience.

Recruiting and retaining highly qualified personnel is critical to our success. These demands may require us to hire additional personnel and will require our existing management and other personnel to develop additional expertise. We face intense competition for personnel, making recruitment time-consuming and expensive. The failure to attract and retain personnel or to develop such expertise could delay or halt the development and commercialization of our product candidates. If we experience difficulties in hiring and retaining personnel in key positions, we could suffer from delays in product development, loss of customers and sales and diversion of management resources, which could adversely affect operating results. Our consultants and advisors may be employed by third parties and may have commitments under consulting or advisory contracts with third parties that may limit their availability to us, which could further delay or disrupt our product development and growth plans.

We need to rapidly and successfully develop and introduce new products in a competitive, demanding and rapidly changing environment.

To succeed, we must continually improve, refresh and expand our product offerings to keep pace with changes in the industry. Shortened product life cycles due to changing customer demands and competitive pressures may impact the pace at which we must introduce new products. In addition, bringing new products to the market entails a costly and lengthy process, and requires us to accurately anticipate changing customer needs and trends. We must continue to respond to changing market demands and trends or our business operations may be adversely affected.

The development and commercialization of our products is highly competitive.

Our content will compete with a variety of other content and productions. We face competition with respect to any productions that we may seek to develop or commercialize in the future. Our competitors include major companies worldwide. Many of our competitors have significantly greater financial, technical and human resources than we have and superior expertise in licensing, selling, producing and marketing and thus may be better equipped than us to develop and commercialize productions. These competitors also compete with us in recruiting and retaining qualified personnel and acquiring technologies. Smaller or early-stage companies may also prove to be significant competitors, particularly through collaborative arrangements with large and established companies. Accordingly, our competitors may commercialize productions more rapidly or effectively than we are able to, which would adversely affect our competitive position, the likelihood that our productions will achieve initial market acceptance, and our ability to generate meaningful additional revenues from our productions.

We have not prepared any audited financial statements.

The financial statements attached as Exhibit A to this Form C have been "reviewed" only and such financial statements have not been verified with outside evidence as to management's amounts and disclosures. Additionally, tests on internal controls have not been conducted. Therefore, you will have no audited financial information regarding the Issuer's capitalization or assets or liabilities on which to make your investment decision.

If we fail to effectively and efficiently advertise, the growth of our business may be compromised.

The future growth and profitability of our business will be dependent in part on the effectiveness and efficiency of our advertising and promotional expenditures, including our ability to (i) create greater awareness of our licensed or sold Productions, (ii) determine the appropriate creative message and media mix for future advertising expenditures, and (iii) effectively manage advertising and promotional costs in order to maintain acceptable operating margins. There can be no assurance that we will experience benefits from advertising and promotional expenditures in the future. In addition, no assurance can be given that our planned advertising and promotional expenditures will result in increased revenues, will generate levels of service and name awareness or that we will be able to manage such advertising and promotional expenditures on a cost-effective basis.

There may never be any Distributable Net Revenues.

In general, the economic performance of a Production is dependent on its domestic performance, which is a key factor in predicting revenue from other distribution channels and is determined by many factors, including the ability to license, sell and/or produce content around Jim Thorpe and develop stories and characters appealing to a broad audience and the effective marketing of the Production. The revenues to be received by the Issuer from the Productions are therefore highly uncertain and speculative. The Issuer's only source of revenue will be derived from the exploitation of the Productions. There can be no assurance that any Distributable Net Revenues will be received by the Issuer, or that after customary deductions and expenses, the Issuer will be able to distribute Distributable Net Revenues to Investors.

Calculation of Distributable Net Revenues.

The basis for the calculation of Distributable Net Revenues the Issuer will be entitled to receive from the sale, licenses or exploitation of the Development Project, or will be, detailed in one or more acquisition or licensing agreements, distribution agreement(s), and/or production agreements, none of which have yet been negotiated or finalized. The terms and conditions in the acquisition or licensing agreements, distribution agreement(s) and/or production agreement(s), will be negotiated generally in accordance with industry standards but there is no guarantee that the calculation of Distributable Net Revenues will be favorable for the Issuer and the Investors.

Uncertainty of success of the Development Project.

Distributable Net Revenues may fluctuate significantly and unexpectedly from period to period, and the results of any one period may not be indicative of the results for any future period. The Issuer cannot make, and has not made, any assurances (i) as to the amount of Distributable Net Revenues that will be or may be derived from or collected in connection with the distribution and exploitation of the Development Project, or (ii) that the Development Project will perform in any particular manner or will be favorably received.

Development Projects may never be produced.

The proceeds from this Offering will be used to develop, license and/or sell a singular Development Project, the manner of which will be determined solely by the Issuer. If the Development Project has been licensed or sold to a third party to develop a Production, the Issuer will use commercially reasonable efforts to cause the licensor or purchaser to raise production financing to produce such Development Project. However, there is no assurance that the Issuer will be successful in licensing or selling the Development Project to a third party, therefore producing, any Production. If the Development Project is not licensed or sold, and nothing is produced, then Investors risk a total loss of their investments.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We may face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including “bugs” and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulations are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers’ or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security, such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud, could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Issuer is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Issuer may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) issuer, the Issuer is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Issuer’s financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Issuer of such compliance could be substantial and could have a material adverse effect on the Issuer’s results of operations.

Changes in federal, state or local laws and government regulation could adversely impact our business.

The cable/media/television/internet/entertainment industry is subject to extensive legislation and regulation at the federal and local levels and, in some instances, at the state level. Many aspects of such legislation and regulation are currently the subject of judicial and administrative proceedings, legislative and administrative proposals, and lobbying efforts by us and our competitors. New laws and regulations may impose new and significant disclosure obligations and other operational, marketing and compliance-related obligations and requirements, which may lead to additional costs, risks of non-compliance, and diversion of our management's time and attention from strategic initiatives. Additionally, federal, state and local legislators or regulators may change current laws or regulations which could adversely impact our business. Further, court actions or regulatory proceedings could also change our rights and obligations under applicable federal, state and local laws, which cannot be predicted. Modifications to existing requirements or imposition of new requirements or limitations could have an adverse impact on our business.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease-and-desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we may incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

Changes in employment laws or regulation could harm our performance.

Various federal and state labor laws govern our relationship with our employees and affect operating costs. These laws include minimum wage requirements, overtime pay, healthcare reform and the implementation of the Patient Protection and Affordable Care Act, unemployment tax rates, workers' compensation rates, citizenship requirements, union membership and sales taxes. A number of factors could adversely affect our operating results, including additional government-imposed increases in minimum wages, overtime pay, paid leaves of absence and mandated health benefits, mandated training for employees, changing regulations from the National Labor Relations Board and increased employee litigation including claims relating to the Fair Labor Standards Act.

Global crises and geopolitical events, including without limitation, COVID-19 can have a significant effect on our business operations and revenue projections.

A significant outbreak of contagious diseases, such as COVID-19, in the human population could result in a widespread health crisis. Additionally, geopolitical events, such as wars or conflicts, could result in global disruptions to supplies, political uncertainty and displacement. Each of these crises could adversely affect the economies and financial markets of many countries, including the United States where we principally operate, resulting in an economic downturn that could reduce the demand for our products and impair our business prospects, including as a result of being unable to raise additional capital on acceptable terms, if at all.

Risks Related to the Offering

The Issuer reserves the right to change the Escrow Agent at its sole discretion, which may result in delays or operational adjustments.

The Issuer reserves the right, in its sole discretion, to replace the Escrow Agent at any time during the Offering. In the event of such a change, investor funds held in escrow may be transferred to a new escrow account with a different financial institution. Any such transition will be conducted in compliance with applicable laws and regulations; however, Investors should be aware that a change in Escrow Agent may result in processing delays, modifications to administrative procedures, or other operational adjustments that could affect the timing of investment processing and disbursement of funds. The Intermediary assists in establishing and managing escrow accounts, including communicating with the Escrow Agent via API, and any transition to a new Escrow Agent may require adjustments to these processes.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

The Issuer's management may have broad discretion in how the Issuer uses the net proceeds of the Offering.

Unless the Issuer has agreed to a specific use of the proceeds from the Offering, the Issuer's management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Intermediary Fees paid by the Issuer are subject to change depending on the success of the Offering.

At the conclusion of the Offering, the Issuer shall pay the Intermediary the greater of (A) \$15,000 or B) the amount determined pursuant to the following schedule: (1) 0% of any dollar amounts raised in the Offering up to \$100,000.00 and (2) 5% of any dollar amounts raised in the Offering exceeding \$100,000.01. The compensation paid by the Issuer to the Intermediary may impact how the Issuer uses the net proceeds of the Offering. Additionally, the Issuer shall pay to the Intermediary a non-refundable onboarding fee of \$7,500.00. The Intermediary will also receive compensation in the form of Securities equal to two percent (2%) of the total number of Securities sold in the Offering. The total number of Securities outstanding after the Offering is subject to increase in an amount equal to the Intermediary's fee of two percent (2%) of the Securities issued in this Offering.

The Issuer has the right to limit individual Investor commitment amounts based on the Issuer's determination of an Investor's sophistication.

The Issuer may prevent any Investor from committing more than a certain amount in this Offering based on the Issuer's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Issuer's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Issuer's determination.

The Issuer has the right to extend the Offering Deadline.

The Issuer may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Issuer attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Issuer extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Issuer receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Issuer receives the Target Offering Amount, at which time it will be released to the Issuer to be used as set forth herein. Upon or shortly after the release of such funds to the Issuer, the Securities will be issued and distributed to you.

The Issuer may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Issuer can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Issuer may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Issuer has the right to conduct multiple closings during the Offering.

If the Issuer meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Issuer to draw down on seventy percent (70%) of Investor proceeds committed and captured in the Offering during the relevant period. The Issuer may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

The Issuer intends to use an alternative method of providing an instruction called a Security Instruction Token. The Securities purchased by an Investor in the Offering will be registered in the name of, and held of record by, the Custodian. If an Investor wishes to sell or transfer its Securities, such Investor must provide notice to the Custodian.

The Issuer intends to use an alternative method of providing an instruction called a BIT, or such other designation as the BIT might be changed to from time to time, an ERC-1404 type token, to provide an additional method for the Investor to provide a notification directing the transfer of the Securities. BITs are not intended to be a digital representation of the Securities, nor is the Issuer required to mint or release the BITs.

After purchasing the Securities in the Offering, Investors may have the opportunity to receive BITs to their self-custodied Wallets by accessing the Investors' Republic Portfolio page, where there will be an option to receive BITs in the event that BITs are ultimately issued in connection with the Offering. The BITs may be issued before the lock up period is over, but there will be built-in restrictions to restrict the transfer of any BITs before the lock-up is over. Additionally, to receive BITs, the transferee will need to go through onboarding, enter into various agreements with the Custodian, and get their Wallets whitelisted (KYC/AML, etc.). If a transferee fails to meet these requirements, the transfer of BITs will be blocked until the requirements are met.

The entire series of Securities purchased by Investors in the Offering through the Intermediary will be registered in the name of, and held of record by, the Custodian. Pursuant to each Investor's agreements with the Custodian, the Custodian is the legal holder of record for the Securities purchased through the Intermediary via Regulation Crowdfunding offerings. The Issuer, its agents or representatives shall deliver the Securities to the Custodian. Investors will sign an Omnibus Nominee Trust Agreement (attached as Exhibit D) and new account forms with the Custodian to designate the Custodian as the legal holder of record for the Securities.

The Issuer and the Investor authorize the Custodian to hold the Securities in registered form in the Custodian's name or the name of its nominees for the benefit of the Investor and the Investor's permitted assigns. The Issuer and Investor acknowledge and agree that the Custodian may assign any and all of its agreements with Investor, delegate its duties thereunder, and transfer Investor's Securities to any of its affiliates or to its successors and assigns, whether by merger, consolidation, or otherwise, in each case, without the consent of the Investor or the Issuer.

When an Investor wishes to sell or transfer their Securities, they must provide notice to the Custodian, which, subject to any applicable restrictions on transfers, will facilitate the transfer. Transfer of BITs may be one mechanism to do so subject to certain terms and conditions.

BITs may be considered "securities" in the United States and are expected to be listed for transfer and exchange on securities marketplaces, including without limitation INX.

The Custodian is not responsible for creating and managing the Wallet on the Investor's behalf.

The Investor is responsible for creating a self-custody wallet that can be created by following the relevant instructions on republic.com. The Custodian is not responsible for creating and managing the Wallet on the Investor's behalf.

If an Investor does not create a Wallet, such Investor will not be entitled to receive any payment of any amounts related to the Securities.

Deliveries of payment of any amounts due to Investor herein related to the Securities will be made to an Investor's Wallet. In order to receive such payments, Investor must create and provide the Issuer with a Wallet address that will be used to receive such payments and complete the Know-Your-Customer (KYC) verification through the

Intermediary's platform, and once verified, supply the digital wallet address to the Issuer. The Investor recognizes that this mechanism is the sole and exclusive means to receive payment and that no payment can be distributed without the Investor's provision of a Wallet address.

Investor is solely responsible for implementing reasonable measures for securing any digital wallet, vault or other storage mechanism the Investor uses to receive and hold the BITs.

Investor is solely responsible for implementing reasonable measures for securing any digital wallet, vault or other storage mechanism the Investor uses to receive and hold the BITs, including, without limitation, any requisite private key(s) or other credentials necessary to access the storage mechanism(s). If Investor's private key(s) or other access credentials are lost, Investor may lose access to the BITs.

If the Investor transfers Securities to another person by way of BITs or otherwise, then the New Holder is deemed to be bound by the terms of the Instrument as an Investor for the period of time they hold such Securities.

If the Investor transfers Securities to another person by way of BITs or otherwise, then the New Holder is deemed to be bound by the terms of the Instrument as an Investor for the period of time they hold such Securities and the Investor irrevocably and unconditionally undertakes to ensure that each New Holder, prior to the transfer of Securities to them, expressly agrees to be bound by the Instrument as an Investor for the period of time they hold such Securities. By transferring any Securities, the Investor assigns all the Investor's rights, title and interest under the Instrument to the recipient of those Securities or to the owner of the wallet to which the Investor transfers any BITs.

Investors are not equity holders of the Issuer and will not have voting rights.

Investors are not equity holders of the Issuer and will not have an ownership claim to the Issuer or to any of its assets. Additionally, Investors will not have voting rights. Thus, by participating in the Offering, Investors will not be able to vote upon matters related to the governance and affairs of the Issuer nor take or effect actions that might otherwise be available to holders of the equity securities of the Issuer.

The Custodian shall serve as the legal title holder of the Securities. Investors will only obtain a beneficial ownership in the Securities.

The Issuer and the Investor shall appoint and authorize the qualified third-party Custodian for the benefit of the Investor, to hold the Securities in registered form in the Custodian's name or the name of the Custodian's nominees for the benefit of the Investor and Investor's permitted assigns. The Custodian may take direction from the Lead who will act on behalf of the Investors, and the Custodian may be permitted to rely on the Lead's instructions related to the Securities. As such, an Investor will never become an equity holder, merely a beneficial owner of the Securities.

The Securities will not be freely tradable under the Securities Act until one year from when the securities are issued. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF beginning one year following the issuance of the Securities. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Issuer. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. Additionally, Investors will only have a beneficial interest in the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with BitGo Trust Company, Inc., who will serve as the custodian and nominee for the Securities.

An investment in the Issuer's Securities could result in a loss of your entire investment.

An investment in the Issuer's Securities offered in this Offering involves a high degree of risk and you should not purchase the Securities if you cannot afford the loss of your entire investment. You may not be able to liquidate your investment for any reason in the near future.

The securities in this Offering have no protective provisions.

The Securities in this Offering have no protective provisions. As such, you will not be afforded protection, by any provision of the Securities, in the event of a transaction that may adversely affect you, including a reorganization, restructuring, merger or other similar transaction involving the Issuer. If there is a liquidation event, or change of control for the Issuer, the Securities being offered do not provide you with any protection.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Issuer or to receive financial or other information from the Issuer, other than as required by law. Other security holders of the Issuer may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Issuer can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Issuer such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

The Securities may be significantly diluted as a consequence of subsequent revenue participation interests.

The Securities will be subject to dilution. The Issuer may issue up to an aggregate of 5,000,000 Revenue Participation Interests, including the Securities issued in this Offering. The actual amount of Securities to be issued, and the total Revenue Participation Interests to be sold, are uncertain at this time, and as a consequence holders of the Securities will be subject to dilution in an unpredictable amount but no more than the aggregate cap. In the event the Issuer decides to issue more than 5,000,000 Revenue Participation Interests, then the securities will be subject to further dilution.

The amount of additional financing needed by the Issuer will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Issuer with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Issuer's needs, the Issuer may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Issuer. There can be no assurance that the Issuer will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

There is no present market for the Securities, and we have arbitrarily set the price.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues, prior earnings or other established criteria of value. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

In the event of the dissolution or bankruptcy of the Issuer, Investors will not be treated as debt holders and therefore are unlikely to recover any proceeds.

In the event of the dissolution or bankruptcy of the Issuer, the holders of the Securities will not be entitled to distributions as an equity holder nor will they recover as creditors and debt holders.

The underlying blockchain may be the target of malicious cyberattacks or may contain exploitable flaws in its underlying code, which may result in security breaches and the loss or theft of BITs. If these technologies' security is compromised or if the protocols are subjected to attacks that frustrate or thwart access to and use of the BITs, secondary trading using BITs may be thwarted, which could seriously curtail the liquidity of the Securities and cause a decline in the market price of the Securities.

The BITs, and the networks, applications and other interfaces which will utilize it, as well as applications built upon the networks that will utilize it, are still in the early stages and are unproven, and there can be no assurances that the operation of the BITs will be uninterrupted or fully secure which may result in a complete loss of the BITs. Additionally, if the underlying blockchain or network is subject to unknown and known security attacks (such as double-spend attacks or other malicious attacks), this may materially and adversely affect the Issuer's reputation, even though the Issuer is not responsible for the attacked network. In any such event, Investors may lose all of their investment.

Real or perceived errors, failures, or bugs in the BITs, or in the software or systems of third-party developers utilizing the BITs, could adversely affect the Issuer and the value of the Securities.

Real or perceived errors, failures, vulnerabilities, or bugs in the BITs or in the software or systems of third-party developers utilizing the BITs, could harm the value of the Issuer and the Securities. Errors, failures, vulnerabilities, or bugs may occur and may cause errors or failures that cause BITs to be transferred without proper permissions, affecting the liquidity and effectiveness of resale of Securities via BITs. The Issuer will take all efforts to prevent such occurrences and will strive to ultimately maintain proper ownership records even in the event of fraudulent activity that results in an unauthorized transfer of a BIT, but there is a risk that such unauthorized transfers may be irreversible, perhaps because of local laws or otherwise. Any such errors, failures, vulnerabilities, or bugs may not be found until after the BITs have been deployed on a network, which could result in negative publicity, a decrease in user and developer satisfaction or adoption, loss of competitive position, or claims from third parties. We may not be able to promptly resolve these problems, if at all. Any of these incidents could materially and adversely harm the Issuer and the Securities.

The tax treatment of acquiring, holding, and where permitted, selling, exchanging, or otherwise disposing of the Securities in conjunction with the BITs is uncertain, and there may be adverse tax consequences for Investors upon certain future events.

The tax treatment of acquiring, holding, and where permitted, selling, exchanging, or otherwise disposing of the Securities in conjunction with the BITs is uncertain, and each Investor must seek its own tax advice in connection with a purchase of the Securities as described herein. The Issuer has not requested a ruling from any tax authority regarding the tax treatment of the Securities. Acquiring, holding, and where permitted, selling, exchanging, or otherwise disposing of the Securities in conjunction with the BITs may result in adverse tax consequences to Investors, including liability for withholding taxes and income taxes and responsibility for complying with certain tax reporting requirements. Each Investor should consult with and must rely upon the advice of its own tax advisors with respect to the tax treatment of acquiring, holding, selling, exchanging, or otherwise disposing of the Securities.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all attached Exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

The Issuer plans to grow its business by hiring writers and creators to develop the Jim Thorpe Story into valuable Intellectual Property and Development Projects and leveraging its expertise to license, sell or option its intellectual property to maximize its Development Projects. Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

1. NATURE OF OPERATION

THORPE, LLC was incorporated on June 05, 2025, in the state of Texas. The financial statements of THORPE, LLC (which may be referred to as the "Company", "we", "us", or "our") are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Company's headquarters are located in Dallas, Texas.

The Company operates in the entertainment industry, with a primary focus on the development, sale, licensing, optioning, and production of intellectual property for film and television. Operations may include creating, acquiring, and managing original content and related intellectual property for distribution across traditional and digital media platforms.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies is presented to assist in understanding the Company's financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP" and "US GAAP").

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with US GAAP and the Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

Cash includes all cash in banks. As of inception date the Company does not have any bank accounts, the Company's cash did not exceed FDIC insured limits.

Advertising & Promotional Costs

Advertising and promotional costs are expensed as incurred. Advertising and promotional expenses for inception June 05, 2025, amounted to \$38,000, which is included in sales and marketing expenses.

Subsequent Events

The Company considers events or transactions that occur after the balance sheet date, but prior to the issuance of the financial statements to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. Subsequent events have been evaluated through the date the financial statements were issued.

3. EQUITY AND CAPITALIZATION

As of June 05, 2025, the Company have not issued any Voting rights.

4. CONTINGENCIES AND COMMITMENTS

Contingencies

The Company's operations are subject to a variety of local, state, and federal regulations. Failure to comply with these requirements may result in fines, penalties, restrictions on operations, or losses of permits, which will have an adverse impact on the Company's operations and might result in an outflow of economic resources.

THORPE, LLC
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE ONE DAY ENDED JUNE 05, 2025 (INCEPTION DATE)

Litigation and Claims

From time to time, the Company may be involved in or exposed to litigation arising from operations in the normal course of business. As of inception date, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

5. RELATED PARTY TRANSACTIONS

On June 5, 2025, Thorpe LLC entered into an unsecured loan with Verily Storyworks, LLC. The \$38,000 principal was paid by the related party for marketing expenses and \$7,000 for Legal expenses. It carries 4% simple interest, with principal and interest due June 5, 2027. Prepayment is allowed without penalty. No default has occurred. Accrued interest at inception (June 5, 2025) is \$0.

6. GOING CONCERN

The Company lacks significant working capital and has only recently commenced operations. The Company expects to incur substantial additional costs before generating significant revenues. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Over the next 12 months, the Company intends to fund its operations through additional debt and/or equity financing, as necessary. There are no assurances that management will be able to raise capital on terms acceptable to the Company. If the Company is unable to obtain sufficient additional capital, it may be required to reduce the scope of its planned development activities, which could adversely affect its business, financial condition, and operating results. The accompanying balance sheet and related financial statements do not include any adjustments that might result from these uncertainties.

7. SUBSEQUENT EVENTS

2.3.1. The closing of the purchase and sale of the Securities shall take place on or around the Offering campaign deadline as specified in the Form C ("Offering Deadline") or at such earlier time as set by the Company under the Form C (the "Closing").

2.3.4. Payment for the Securities shall be received by the escrow agent identified in the Form C (the "Escrow Agent") from Investor by wire transfer of immediately available funds or other means approved by the Company at least two (2) days prior to the Closing, in the amount of the Participation Purchase Price. Upon the Closing, the Escrow Agent shall release such funds to the Company. Investor shall receive notice and evidence of the entry of the number of Securities owned by Investor reflected on the books and records of the Company, which shall bear a notation that the Securities were sold in reliance upon an exemption from registration under the Securities Act.

3. **Investment Returns.**

3.1. For the avoidance of doubt, Investor shall be eligible to recoup its Participation Purchase Price and receive returns, on a pro rata and pari passu basis with each other investor in the Offering, from each Production, if any, as follows:

3.1.1. Collectively, the Investors will receive an amount equal to eighty percent (80%) of the Company's share of Distributable Net Revenues, if any, from each Production (collectively, "Investors' Initial Distributable Net Revenues") until Investors have recouped one hundred percent (100%) of their respective Participation Purchase Price together with a twenty percent (20%) return on their respective Participation Purchase Price (collectively, the "Preferred Return"). After the Preferred Return has been fully paid to the Investors, the Investors will be entitled to receive Distributable Net Revenues in the amount of thirty percent (30%) of the Company's share of Distributable Net Revenues in connection with the Productions (collectively, "Investors' Post-Recoupment Distributable Net Revenues"), in perpetuity. Each Investor will be entitled to a share of the Distributable Net Revenues in an amount equal to such Investor's Participation Percentage multiplied by the Distributable Net Revenues. As used herein, "Distributable Net Revenues" shall be defined as all gross proceeds received by the Company from all sources, including (i) any license or acquisition fees, (ii) development fees paid as a line item on production, (iii) any fees attributable to the Issuer via a position as a producer, co-producer, creator, etc, during production, (iv) any royalties or residuals negotiated, (v) any profit sharing entitlements, and/or (vi) any revenue generated through negotiated ancillary rights (spin-offs, sequel, prequel, novelization). The Company makes no representation that any Production will generate any, or any particular amount of, Distributable Net Revenues.

3.2. **Payments to Investor.**

3.2.1. Any recoupments and returns to which Investors are entitled will be paid to Investors on a quarterly basis following the close of the Offering. The first quarterly payment will commence

within ninety (90) days following the receipt of Distributable Net Revenues. Subsequent payouts will continue on a quarterly basis provided that Company is in receipt of monies to which Investors are entitled.

3.2.2. In order to receive entitled payouts, the Investor must create and provide a self-custodied Republic digital wallet address that will be used to receive payments. The Investor recognizes that this mechanism is the sole and exclusive means to receive payment and that no payment can be distributed without the Investor's provision of a Republic wallet address. Republic wallet addresses can be created by following the relevant instructions on republic.com. The Custodian is not responsible for creating and managing the Republic wallet on the Investor's behalf.

3.3. Transferability.

3.3.1. Blockchain Instruction Tokens. Within one hundred and eighty (180) days of the Closing, the Investor may be able to receive one digital blockchain token (the "Blockchain Instruction Token" or "BIT") for each Participation Interest to the Investor's unique wallet address on the applicable blockchain. These BITs, if issued, will be tools to transfer ownership of the Securities. The Company has the right, but not the obligation, to mint and distribute to, or for the benefit of, the Investor one or more types of BITs on a blockchain network, which may serve as an administrative arrangement to the Securities or as a technological means of providing a transfer instruction to the Company or an entitlement order to a securities intermediary holding the Securities on behalf of others. The BITs, if issued, may embody certain rights, preferences, privileges, and restrictions of the respective Securities to which they relate or may provide the means to give such instructions or entitlement orders.

3.3.2. If the Investor transfers Securities to another person by way of BITs or otherwise, then that person ("New Holder") is deemed to be bound by the terms of this Agreement as an Investor for the period of time they hold such Securities, and the Investor irrevocably and unconditionally undertakes to ensure that each New Holder, prior to the transfer of Securities to them, expressly agrees to be bound by this Agreement as an Investor for the period of time they hold such Securities. By transferring any Securities, the Investor assigns all the Investor's rights, title and interest under this Agreement to the recipient of those Securities or to the owner of the wallet to which the Investor transfers any BITs.

3.3.3. BIT Ownership Treatment. Neither the Company nor any other person will be liable for treating the owner of the wallet in which any BIT is held (except as otherwise required by law or as ordered by a court of competent jurisdiction) as the owner of the Security to which it is linked.

3.3.4. Written Notice. The Company agrees that, if any rule of law (including any legislation, rule of common law, rule of equity or customary law) requires written notice to effect the transfer of any Securities, such notice is deemed given as an electronic record by inclusion of the relevant transaction on the Republic platform or via transfer of a BIT on a block on the blockchain in accordance with clause 3.3.2 above.

3.3.5. Voidability. Notwithstanding any other provision in this Section 3, the Company reserves the right to treat as void any transfer of Securities which the Company reasonably believes to be unlawful or fraudulent for any reason, including based on a transfer of BITs, which the Company reserves the right to reissue in such cases.

4. Custodian; Securities Entitlement.

4.1.1. Investor appoints and authorizes BitGo Trust Company, Inc. (collectively with its successors and assigns, the "Custodian") for the benefit of Investor, to hold the Securities in registered form in the Custodian's name or the name of the Custodian's nominees for the benefit of Investor and Investor's permitted assigns. The Investor acknowledges and agrees that upon acceptance of this Agreement, the Company shall issue and deliver this Agreement to the Custodian, who shall solely hold the Securities being issued hereunder for the benefit of Investor and shall be a "protected purchaser" of the Securities within the meaning of Section 8.303 of the Texas Uniform Commercial Code (Texas Business and Commerce Code § 8.303), which

shall be in book-entry uncertificated form.

4.1.2. The Company and Investor acknowledge and agree that the Custodian may assign any and all of its agreements with Investor, delegate its duties thereunder, and transfer the Securities to any of its affiliates or to its successors and assigns, whether by merger, consolidation or otherwise, in each case, without the consent of Investor or the Company. The Investor acknowledges and agrees that Investor may not assign or transfer any of its rights or obligations under such agreements without the Custodian's prior written consent, and any attempted transfer or assignment in violation hereof shall be null and void.

5. Representations, Warranties and Covenants

5.1. **By Company.** As of the Closing, the Company hereby represents, warrants and covenants to Investor that:

5.1.1. The Company is duly formed and validly existing under the laws of the state of Texas, with full power and authority to conduct its business as it is currently being conducted and to own its assets; and has secured any other authorizations, approvals, permits and orders required by law for the conduct by the Company of its business as it is currently being conducted.

5.1.2. The Securities have been duly authorized and, when issued, delivered and paid for in the manner set forth in this Agreement, will be validly issued, fully paid and nonassessable, and will conform in all material respects to the description thereof set forth in the Form C.

5.1.3. The execution and delivery by the Company of this Agreement and the consummation of the transactions contemplated hereby (including the issuance, sale and delivery of the Securities) are within the Company's powers and have been duly authorized by all necessary corporate action on the part of the Company. Upon full execution hereof, this Agreement shall constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies and (c) with respect to provisions relating to indemnification and contribution, as limited by considerations of public policy and by federal or securities, "blue sky" or other similar laws of such jurisdiction (collectively referred to as the "State Securities Laws").

5.1.4. Assuming the accuracy of Investor's representations and warranties set forth below, no order, license, consent, authorization or approval of, or exemption by, or action by or in respect of, or notice to, or filing or registration with, any governmental body, agency or official is required by or with respect to the Company in connection with the execution, delivery and performance by the Company of this Agreement except (a) for such filings as may be required under Regulation Crowdfunding promulgated under the Act, or under any applicable State Securities Laws, (b) for such other filings and approvals as have been made or obtained, or (c) where the failure to obtain any such order, license, consent, authorization, approval or exemption or give any such notice or make any filing or registration would not have a material adverse effect on the ability of the Company to perform its obligations hereunder.

5.1.5. The Company makes no representation, warranty, guarantee or assurance of any kind or nature whatsoever, express or implied, with regard to the Participation Interests or the Company's business (including any representation, warranty, guarantee or assurance of future earnings, likelihood of success or future prospects).

5.1.6. The Company hereby authorizes the Custodian to hold the Securities in registered form in its name or the name of its nominees for the benefit of Investor, which shall be in uncertificated form. The Company agrees that the Custodian is an intended third-party beneficiary to the representations made by Investor and the Company hereunder, including, without limitation, any representations, warranties, and covenants made by the Company and Investor.

5.2. **By Investor.** As a material inducement for the Company to enter into this Agreement, Investor hereby represents, warrants and covenants to the Company that:

5.2.1. Investor has the capacity to purchase the Securities, enter into this Agreement and to perform all the obligations required to be performed by Investor hereunder, and such purchase will not contravene any law, rule or regulation binding on Investor or any investment guideline or restriction applicable to Investor.

5.2.2. Investor is a resident of the state set forth on the Investor Signature Page and is not acquiring the Participation Interests as a nominee or agent or otherwise for any other person.

5.2.3. Investor, if a natural person, is at least eighteen (18) years of age.

5.2.4. Investor will comply with all applicable laws and regulations in effect in any jurisdiction in which Investor purchases or sells the Securities and obtain any consent, approval or permission required for such purchases or sales under the laws and regulations of any jurisdiction to which Investor is subject or in which Investor makes such purchases or sales, and the Company shall have no responsibility therefor.

5.2.5. Including the amount set forth on the Investor Signature Page, in the past twelve (12) month period, Investor has not exceeded the investment limit as set forth in Rule 100(a)(2) of Regulation Crowdfunding.

5.2.6. Investor has received a copy of the Form C, has not been furnished any offering literature other than the Form C and has relied only on the information contained therein to make the decision to purchase the Securities.

5.2.7. Investor understands and accepts that the purchase of the Securities involves various risks, including the risks outlined in the Form C and in this Agreement. Investor represents that it is able to bear any and all loss associated with an investment in the Securities. Investor acknowledges that the price of the Securities was set by the Company arbitrarily and no warranties are made as to value.

5.2.8. Investor confirms that it is not relying and will not rely on any communication (written or oral) of the Company, the Intermediary, or any of their respective affiliates, as investment advice or as a recommendation to purchase the Securities. It is understood that information and explanations related to the terms and conditions of the Securities provided in the Form C or otherwise by the Company, the Intermediary or any of their respective affiliates shall not be considered investment advice or a recommendation to purchase the Securities, and that neither the Company, the Intermediary nor any of their respective affiliates is acting or has acted as an advisor to the undersigned in deciding to invest in the Securities. Investor acknowledges that neither the Company, the Intermediary nor any of their respective affiliates have made any representation regarding the proper characterization of the Securities for purposes of determining Investor's authority or suitability to invest in the Securities.

5.2.9. Investor is familiar with the business and financial condition and operations of the Company, all as generally described in the Form C. Investor has had access to such information concerning the Company and the Securities as it deems necessary to enable it to make an informed investment decision concerning the purchase of the Securities.

5.2.10. Investor understands that each of Investor's representations and warranties contained in this Agreement will be deemed to have been reaffirmed and confirmed as of the Closing, taking into account all information received by Investor.

5.2.11. Investor acknowledges that the Company has the right in its sole and absolute discretion to abandon the Offering at any time prior to the completion of the Offering. This Agreement shall thereafter have no force or effect and the Company shall cause the Escrow Agent to return the previously paid Participation Purchase Price, without interest thereon, to Investor.

5.2.12. Investor understands that no federal or state agency has passed upon the merits or risks of an investment in the Securities or made any finding or determination concerning the fairness or advisability of this investment.

5.2.13. Investor confirms that the Company has not (a) given any guarantee or representation as to the potential success, return, effect or benefit (either legal, regulatory, tax, financial, accounting or otherwise) of an investment in the Securities or (b) made any representation to Investor regarding the legality of an investment in the Securities under applicable legal investment or similar laws or regulations. In deciding to purchase the Securities, Investor is not relying on the advice or recommendations of the Company and Investor has made its own independent decision that the investment in the Securities is suitable and appropriate for Investor.

5.2.14. Investor has such knowledge, skill and experience in business, financial and investment matters that Investor is capable of evaluating the merits and risks of an investment in the Securities. With the assistance of Investor's own professional advisors, to the extent that Investor has deemed appropriate, Investor has made its own legal, tax, accounting and financial evaluation of the merits and risks of an investment in the Securities and the consequences of this Agreement. Investor has considered the suitability of the Securities as an investment in light of its own circumstances and financial condition and Investor is able to bear the risks associated with an investment in the Securities.

5.2.15. Investor is acquiring the Securities solely for Investor's own beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities. Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. Investor further represents that it does not presently have any contract, undertaking, agreement or arrangement with any person to sell, transfer or grant participations to such person or to any third person, with respect to any of the Securities. Investor understands that the Securities have not been registered under the Act or any State Securities Laws by reason of specific exemptions under the provisions thereof which depend in part upon the investment intent of Investor and of the other representations made by Investor in this Agreement. Investor understands that the Company is relying upon the representations and agreements contained in this Agreement (and any supplemental information) for the purpose of determining whether this transaction meets the requirements for such exemptions.

5.2.16. Investor understands that the Securities are restricted from transfer for a period of time under applicable federal securities laws and that the Act and the rules of the U.S. Securities and Exchange Commission provide in substance that Investor may dispose of the Securities only pursuant to an effective registration statement under the Act, an exemption therefrom or as further described in Rule 501 of Regulation Crowdfunding, after which certain state restrictions may apply. Investor understands that the Company has no obligation or intention to register any of the Securities, or to take action so as to permit sales pursuant to the Act. Even when the Securities become freely transferrable, a secondary market in the Securities may not develop. Consequently, Investor understands that it must bear the economic risks of the investment in the Securities for an indefinite period of time.

5.2.17. Investor agrees that it will not sell, assign, pledge, give, transfer or otherwise dispose of the Securities or any interest therein, or make any offer or attempt to do any of the foregoing, except pursuant to Rule 501 of Regulation Crowdfunding.

5.2.18. Investor understands that the Investor has no right to withdraw or receive a refund of the Participation Purchase Price, in whole or in part. Investor further understands it is not a holder of any limited liability company membership interest in the Company, and is not otherwise entitled, as a holder of the Securities, to vote or receive distributions or be deemed the holder of any limited liability company membership interest for any purpose, nor will anything contained herein be construed to confer on the Investor, as such, any of the rights of a member of the Company or any right to vote for the election of managers or upon any matter submitted to the members at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive purchase rights or otherwise.

5.2.19. Investor is solely responsible for implementing reasonable measures for

securing any digital wallet, vault or other storage mechanism the Investor uses to receive and hold the BITs, including, without limitation, any requisite private key(s) or other credentials necessary to access the storage mechanism(s). If Investor's private key(s) or other access credentials are lost, Investor may lose access to the BITs..

5.2.20. Investor directs the Company to issue the Securities in the name of the Custodian, and Investor acknowledges and agrees that the Custodian will hold the Securities in registered form for the benefit of Investor, which shall be in uncertificated form. The Investor agrees that the Custodian is an intended third-party beneficiary to the representations made by Investor and the Company hereunder, including, without limitation, any representations, warranties, and covenants made by the Company and the Investor.

5.2.21. Investor will maintain an account in good standing with the Custodian pursuant to a valid and binding Custody Account Agreement. To the extent any of the provisions of such Custody Account Agreement contradict this Agreement, the Custody Account Agreement shall be provided precedence.

5.2.22. Investor agrees any action contemplated by this instrument and requested by the Company must be completed by Investor within thirty (30) calendar days of receipt of the relevant notice (whether actual or constructive) to Investor or the Custodian as Investor's agent.

5.2.23. Investor understands that the Securities have not been, and will not be, registered under the Securities Act or any applicable state securities laws, by reason of a specific exemption from the registration provisions of the Securities Act and other applicable state securities laws which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of Investor's representations as expressed herein. Investor understands that the Securities or BITs may be deemed "restricted securities" under applicable United States federal and state securities laws and that, pursuant to these laws, Investor must hold the Securities and corresponding BITs indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities, or an exemption from such registration and qualification requirements is available. Investor acknowledges that the Company has no obligation to register or qualify the Securities for resale, and exemptions from registration and qualification may not be available or may not permit Investor to transfer all or any of the Securities in the amounts or at the times proposed by Investor. Investor further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Securities, and on requirements relating to the Company which are outside of Investor's control, and which the Company is under no obligation and may not be able to satisfy. Investor is not registered with the U.S. Securities and Exchange Commission as a broker-dealer, alternative trading system or exchange, and is not a member of the U.S. Financial Industry Regulatory Authority ("FINRA") nor is required to be registered with the U.S. Securities and Exchange Commission or is subject to the rules of FINRA. Investor has also been advised that this Agreement has not been approved for trading by the CFTC. Investor represents that it is not purchasing this Agreement on the basis that it is a contract of sale of a commodity for future delivery (or option on such a contract), a swap or any other instrument subject to the CEA. Investor further understands that neither the Company nor an Affiliate is licensed as a money transmitter ("MT") or a money services business ("MSB"). If the Company or an Affiliate was deemed to be an MT and/or MSB, it would be subject to significant additional regulation. This could lead to significant changes with respect to the Company, how the Securities are structured, how they are purchased and sold, and other issues, and would greatly increase the Company's costs in creating and facilitating transactions in the Securities. Any of these outcomes would negatively affect the value of the Securities.

6. General Provisions.

6.1. **Entire Agreement.** This Agreement, together with all other documents and instruments incorporated by reference, including, for the avoidance of doubt, the Form C, and all exhibits, schedules thereto, constitutes the only and entire agreement between the parties with respect to the subject matter hereof, and supersedes and cancels any prior agreements, representations, warranties, or communications, whether oral or written, between the parties relating to the transactions contemplated by this Agreement or the subject matter herein. Because each party is giving up the right to litigate any Dispute, each party herein further confirms that it has read and understands the provisions in this Section, and that it has further benefited from the advice of counsel. BY EXECUTING THIS AGREEMENT, INVESTOR IS VOLUNTARILY GIVING UP IMPORTANT CONSTITUTIONAL RIGHTS TO TRIAL BY JUDGE OR JURY, AS WELL AS RIGHTS TO APPEAL. INVESTOR UNDERSTANDS THAT IT HAS THE RIGHT TO HAVE AN INDEPENDENT ATTORNEY OF ITS CHOICE REVIEW THIS SUBSECTION, AS WELL AS THIS ENTIRE AGREEMENT, PRIOR TO SIGNING THIS AGREEMENT.

Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

6.7. **Assignability.** This Agreement and the rights and obligations hereunder shall not be assigned or transferred by the Company, whether voluntarily, involuntarily, by operation of law, by a change in control, or any other means whatsoever without five (5) days written notice to the holders of Securities.

6.15. **Delays or Omissions.** No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, shall impair any such right, power or remedy of such non-breaching or non-defaulting party nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, shall be cumulative and not alternative.

6.16. **Privacy Notice.** The Company collects nonpublic, personal data about each Investor from (a) information it receives in this Agreement and other documents and instruments provided by such Investor to the Company, (b) information disclosed to the Company through conversations or correspondence by or with such Investor, and (c) any additional information the Company may request from such Investor. All information regarding the personal identity and other financial information of each Investor (such Investor’s “personal information”) will be kept strictly confidential. The Company maintains commercially reasonable physical, electronic and operational safeguards to protect this information. In the normal course of business, it is sometimes necessary for the Company to provide personal information about Investors to the Company, attorneys, accountants and auditors in furtherance of the Company’s business, and entities that provide a service on behalf of the Company, such as banks or title companies. The Company will only disclose personal

information to these third parties if those parties agree to protect the personal information and use the personal information only for the purposes of providing services to the Company. Other than for the purposes discussed above, the Company does not disclose any nonpublic, personal information of its Investors unless the Company is directed by Investor to provide it or the Company is legally required to provide it to a governmental agency.

1.1. Custodian. 1.2. Wallet Software and Non-Custodial Wallet Service.

- (a) Custodian also provides Client with the option to create non-custodial wallets that support certain Digital Assets via an API and web interface (“Wallet Services”). Wallet Services provide access to wallets where BitGo Inc. holds a minority of the keys, and Client is responsible for holding a majority of the keys (“Client Keys”).
- (b) The Wallet Services do not send or receive Fiat Currency or Digital Assets. The Wallet Services enable Client to interface with virtual currency networks to view and transmit information about a public cryptographic key commonly referred to as a blockchain address. In addition, Custodian may receive earnings or compensation for a Customer Omnibus Account in the form of services provided at a reduced rate or similar compensation. Prior to any transfer of Securities to a Custodial Account, Client will send Instructions to Custodian.  - i. Upon receiving such Instructions and verifying the transferred Securities and that such Instructions comply with Section 2.3, Custodian will provide Client with settlement instructions, including specific account details and delivery instructions. Client will initiate the transfer by instructing their current holding institution or broker to deliver the Securities to the Custodian. - iv. If Client separately maintains one or more blockchain-based tokens, including self-custodied blockchain-based tokens, associated with securities entitlements in the Account (“Security Instruction Token(s)” or “SIT(s)”), and Client subsequently sells or otherwise transfers SITs on a third-party securities exchange, alternative trading system, or similar trading venue, Client acknowledges and agrees that Custodian will recognize such transfer as an Instruction by Client to Custodian, and Custodian shall transfer a corresponding amount of securities entitlements from the Client’s Account to the account of the acquirer of such SITs.

1.5. Third-Party Payments. The Custodial Services are not intended to facilitate third-party payments of any kind, which shall include the use of Fiat Currency, Securities, and/or Digital Assets. As such, Custodian has no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that Client may purchase or sell to or from a third party (including other users of Custodial Services) involving Assets that Client intends to store, or have stored, in Client’s Custodial Account.

1.6. API Access.

- (a) Most Services are provided through <https://www.bitgo.com/> or any associated websites or application programming interfaces (“APIs”) (collectively, the “Company Site”). Client may elect to utilize the APIs either directly or indirectly within an independently developed application (“Developer Application”).
- (b) All API-based Services are subject to usage limits and the terms and conditions set forth at <https://www.bitgo.com/legal/services-agreement> (the “API Terms”), as they may be amended from time to time. In the event of a conflict between the API Terms and the terms of this Agreement, the terms of this Agreement shall control. If Client exceeds a usage limit, Custodian may provide assistance to seek to reduce Client usage so that it conforms to that limit. If Client is unable or unwilling to abide by the usage limits, Client will order additional quantities of the applicable Services promptly upon request or pay Custodian’s invoices for excess usage.

1.7. Fees. The fees associated with the Services shall be calculated, invoiced and paid in accordance with Schedule A (“Fee Schedule”). Custodian reserves the right to revise its Fee Schedule at any time following the Initial Term, provided that Custodian will provide Client with at least thirty (30) days’ advance notice of any such revision. Within such 30-day period, Client may terminate this Agreement in accordance with Section 5.4 and discontinue the Services hereunder at no additional charge to Client.

1.8. Acknowledgement of Risks.

- (a) General Risks; No Investment, Tax, or Legal Advice; No Brokerage. CLIENT ACKNOWLEDGES THAT CUSTODIAN DOES NOT PROVIDE INVESTMENT, TAX, OR LEGAL ADVICE, NOR DOES CUSTODIAN BROKER TRANSACTIONS ON CLIENT’S BEHALF. CLIENT ACKNOWLEDGES THAT CUSTODIAN HAS NOT PROVIDED AND WILL NOT PROVIDE ANY ADVICE, GUIDANCE OR RECOMMENDATIONS TO CLIENT WITH REGARD TO THE SUITABILITY OR VALUE OF ANY DIGITAL ASSETS OR SECURITIES, AND THAT CUSTODIAN HAS NO LIABILITY REGARDING ANY SELECTION OF A DIGITAL ASSET OR SECURITY THAT IS HELD BY CLIENT THROUGH CLIENT’S CUSTODIAL ACCOUNT AND THE CUSTODIAL SERVICES OR THE WALLET SERVICES. ALL DEPOSIT AND WITHDRAWAL TRANSACTIONS ARE EXECUTED BASED ON CLIENT’S INSTRUCTIONS, AND CLIENT IS SOLELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, INVESTMENT STRATEGY, OR RELATED

TRANSACTION INVOLVING DIGITAL ASSETS OR SECURITIES IS APPROPRIATE FOR CLIENT BASED ON CLIENT'S INVESTMENT OBJECTIVES, FINANCIAL CIRCUMSTANCES, AND RISK TOLERANCE. CLIENT SHOULD SEEK LEGAL AND PROFESSIONAL TAX ADVICE REGARDING ANY TRANSACTION.

(b) Material Risk in Investing in Digital Currencies. CLIENT ACKNOWLEDGES THAT:

- (1) VIRTUAL CURRENCY IS NOT LEGAL TENDER, IS NOT BACKED BY THE GOVERNMENT, AND ACCOUNTS AND VALUE BALANCES ARE NOT SUBJECT TO FEDERAL DEPOSIT INSURANCE CORPORATION OR SECURITIES INVESTOR PROTECTION CORPORATION PROTECTIONS;
- (2) LEGISLATIVE AND REGULATORY CHANGES OR ACTIONS AT THE STATE, FEDERAL, OR INTERNATIONAL LEVEL MAY ADVERSELY AFFECT THE USE, TRANSFER, EXCHANGE, AND VALUE OF VIRTUAL CURRENCY;
- (3) TRANSACTIONS IN VIRTUAL CURRENCY MAY BE IRREVERSIBLE, AND, ACCORDINGLY, LOSSES DUE TO FRAUDULENT OR ACCIDENTAL TRANSACTIONS MAY NOT BE RECOVERABLE;
- (4) SOME VIRTUAL CURRENCY TRANSACTIONS SHALL BE DEEMED TO BE MADE WHEN RECORDED ON A PUBLIC LEDGER, WHICH IS NOT NECESSARILY THE DATE OR TIME THAT THE CUSTOMER INITIATES THE TRANSACTION;
- (5) THE VALUE OF VIRTUAL CURRENCY MAY BE DERIVED FROM THE CONTINUED WILLINGNESS OF MARKET PARTICIPANTS TO EXCHANGE FIAT CURRENCY FOR VIRTUAL CURRENCY, WHICH MAY RESULT IN THE POTENTIAL FOR PERMANENT AND TOTAL LOSS OF VALUE OF A PARTICULAR VIRTUAL CURRENCY SHOULD THE MARKET FOR THAT VIRTUAL CURRENCY DISAPPEAR;
- (6) THERE IS NO ASSURANCE THAT A PERSON WHO ACCEPTS A VIRTUAL CURRENCY AS PAYMENT TODAY WILL CONTINUE TO DO SO IN THE FUTURE;
- (7) THE VOLATILITY AND UNPREDICTABILITY OF THE PRICE OF VIRTUAL CURRENCY RELATIVE TO FIAT CURRENCY MAY RESULT IN SIGNIFICANT LOSS OVER A SHORT PERIOD OF TIME;
- (8) THE NATURE OF VIRTUAL CURRENCY MAY LEAD TO AN INCREASED RISK OF FRAUD OR CYBER ATTACK;
- (9) THE NATURE OF VIRTUAL CURRENCY MEANS THAT ANY TECHNOLOGICAL DIFFICULTIES EXPERIENCED BY THE LICENSEE MAY PREVENT THE ACCESS OR USE OF A CUSTOMER'S VIRTUAL CURRENCY; AND
- (10) ANY BOND OR TRUST ACCOUNT MAINTAINED BY THE LICENSEE FOR THE BENEFIT OF ITS CUSTOMERS MAY NOT BE SUFFICIENT TO COVER ALL LOSSES INCURRED BY CUSTOMERS.

(c) CLIENT ACKNOWLEDGES THAT USING DIGITAL ASSETS AND ANY RELATED NETWORKS AND PROTOCOLS, INVOLVES SERIOUS RISKS. CLIENT AGREES THAT IT HAS READ AND ACCEPTS THE RISKS LISTED IN THIS SECTION 1.6, WHICH IS NON-EXHAUSTIVE AND WHICH MAY NOT CAPTURE ALL RISKS ASSOCIATED WITH CLIENT'S ACTIVITY. IT IS CLIENT'S DUTY TO LEARN ABOUT ALL THE RISKS INVOLVED WITH DIGITAL ASSETS AND ANY RELATED PROTOCOLS AND NETWORKS. CUSTODIAN MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING THE VALUE OF DIGITAL ASSETS OR THE SECURITY OR PERFORMANCE OF ANY RELATED NETWORK OR PROTOCOL.

- (d) **Risks in Relation to Securities Transactions.** SUBJECT TO THE TERMS OF THIS AGREEMENT, THE CLIENT MAY TRANSFER SECURITIES FROM ITSELF, AN EXTERNAL PROVIDER, OR OTHER THIRD PARTIES TO A CUSTODIAL ACCOUNT. THE CLIENT WILL BEAR THE SOLE RISK AND EXPENSE ASSOCIATED WITH THE TRANSFER OF SECURITIES, INCLUDING ANY DELAYS OR INABILITY TO ACHIEVE FINAL SETTLEMENT AS REQUIRED BY THIS AGREEMENT. THE CUSTODIAN WILL FOLLOW ESTABLISHED INDUSTRY PRACTICES AND RELEVANT REGULATIONS TO FACILITATE THE TIMELY SETTLEMENT OF SECURITIES TRANSACTIONS. HOWEVER, THE CUSTODIAN WILL NOT BE LIABLE FOR ANY DELAYS OR FAILURES IN SETTLEMENT ARISING FROM CIRCUMSTANCES BEYOND ITS REASONABLE CONTROL OR THAT ARE ATTRIBUTABLE TO THE ACTIONS OR OMISSIONS OF THIRD PARTIES INVOLVED IN THE SETTLEMENT PROCESS. THE CLIENT ACKNOWLEDGES THAT THE SETTLEMENT OF SECURITIES MAY INVOLVE INTERMEDIARY ENTITIES, SUCH AS CLEARINGHOUSES, DEPOSITORIES, OR TRANSFER AGENTS, AND THAT THE CUSTODIAN'S ROLE IS LIMITED TO THE CUSTODY, AND TRANSFER, AND PROVISION OF OTHER SERVICES WITH RESPECT TO OF THE SECURITIES AS INSTRUCTED BY THE CLIENT.

2. CUSTODIAL ACCOUNT.

2.1. Registration; Authorized Persons

- (a) To use the Custodial Services, Client must create a Custodial Account by providing Custodian with all information requested. Custodian may, in its sole discretion, refuse to allow Client to establish a Custodial Account, limit the number of Custodial Accounts, and/or decide to subsequently terminate a Custodial Account.
- (b) Client will maintain an updated and current list of Authorized Persons at all times on the Company Site and will immediately notify Custodian of any changes to the list of Authorized Persons by updating the list on the Company Site, including for termination of employment, or otherwise. Client shall make available all necessary documentation and identification information, as reasonably requested by Custodian to confirm: (i) the identity of each Authorized Person; (ii) that each Authorized Person is eligible to be deemed an "Authorized Person" as defined in this Agreement; and (iii) the party(ies) requesting the changes in the list of Authorized Persons have valid authority to request changes on behalf of Client.

- 2.2. General.** The Custodial Services allow Client to deposit supported Assets to Client's Account, and to withdraw supported Assets from Client's Custodial Account to an external location, in each case, pursuant to Instructions Client provides through the Company Site (each such transaction is a "Custody Transaction"). The Assets stored in Client's Custodial Account will not be commingled with other Assets without express action taken by Client and will be held in custody pursuant to the terms of this Agreement. Custodian reserves the right to refuse to process or to cancel any pending Custody Transaction: as required by Applicable Law; to enforce transaction, threshold, and condition limits; or if Custodian reasonably believes that the Custody Transaction may violate or facilitate the violation of any Applicable Law, regulation or rule of a governmental authority or self-regulatory organization. Custodian cannot reverse a Custody Transaction which has been broadcast to a Digital Asset network.

2.3. Instructions.

- (a) Custodian acts upon instructions ("Instructions") given by Authorized Persons that are received and verified by Custodian in accordance with its procedures and this Agreement.
- (b) Instructions will be required for any action requested of the Custodian. Instructions shall continue in full force and effect until canceled (if possible) or executed.
- (c) The Custodian shall be entitled to rely upon any Instructions it receives from an Authorized Person (or from a person reasonably believed by the Custodian to be an Authorized Person) pursuant to this Agreement.
- (d) The Custodian may assume that any Instructions received hereunder are not in any way inconsistent with the provisions of organizational documents of the Client or of any vote, resolution, or proper authorization and that the Client is authorized to take the actions specified in the Instructions.
- (e) Client must verify all transaction information prior to submitting Instructions to the Custodian. The Custodian shall have no duty to inquire into or investigate the validity, accuracy or content of any Instructions.
- (f) If any Instructions are ambiguous, incomplete, or conflicting, Custodian may refuse to execute such Instructions until any ambiguity, incompleteness, or conflict has been resolved. Custodian may refuse to execute Instructions if, in its sole opinion, such Instructions are outside the scope of its duties under this Agreement or are contrary to any Applicable Law.
- (g) Client is responsible for Losses (as defined below) resulting from inaccurate Instructions (e.g., if Client provides the wrong destination address for executing a withdrawal transaction). Custodian does not guarantee the identity of any user, receiver, requestee, or other party to a Custody Transaction. Custodian shall have no liability whatsoever for failure to perform pursuant to such Instructions except in the case of Custodian's gross negligence, fraud, or willful misconduct.
- (h) Unless otherwise directed by Client and confirmed by Custodian in writing, Client expressly acknowledges and agrees that the Platform Provider shall constitute an Authorized Person. Any and all Instructions received by the Custodian, whether electronically or otherwise, from the Platform Provider will be deemed as proper Instructions.

2.4. Digital Asset Deposits and Withdrawals.

- (a) Prior to initiating a deposit of Digital Assets to Custodian, Client must confirm that Custodian offers Custodial Services for that specific Digital Asset. The list of supported Digital Assets is currently available at: <https://www.bitgo.com/resources/coins>. The foregoing list or foregoing URL may be updated or changed from time to time in Custodian's sole discretion. By initiating a deposit of Digital Assets to a Custodial Account, Client attests that Client has confirmed that the Digital Asset being transferred is supported by Custodian.
- (b) Client must initiate any withdrawal request through Client's Custodial Account to a Client wallet address. Custodian will process withdrawal requests for amounts under \$250,000, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period without video verification, to a Client-whitelisted address which has been previously used to which Client has made a withdraw to at least once. The time of such a request shall be considered the time of transmission of such notice from Client's Custodial Account. Custodian reserves the right to request video verification for any transaction or series of transactions under the threshold of \$250,000. Custodian will require video verification for withdrawal requests greater than \$250,000 or requests

made to a new address, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period; provided, Custodian can require video calls for amounts less than \$250,000 if it deems necessary for security, compliance, or any other purposes in its sole discretion. The initiation of the 24 hour time period to process the withdrawal request shall be considered at the time at which client completes video verification.

- (c) As further set forth in Section 3.5, Client must manage and keep secure any and all information or devices associated with deposit and withdrawal procedures, including YubiKeys and passphrases or other security or confirmation information. Custodian reserves the right to charge or pass through network fees (e.g. miner fees or validator fees) to process a Digital Asset transaction on Client's behalf. Custodian will notify Client of the estimated network fee at or before the time Client authorizes the transaction.

2.5. Access Time.

- (a) Custodian requires up to 24 hours (excluding weekends and US federal holidays) between any request to withdraw Digital Assets or Securities from Client's Custodial Account and submission of Client's withdrawal to the applicable Digital Asset network.
- (b) Custodian reserves the right to take additional time beyond the 24 hour period if such time is required to verify security processes for large or suspicious transactions. Any such processes will be executed reasonably and in accordance with Custodian documented protocols, which may change from time to time at the sole discretion of Custodian.
- (c) Custodian makes no representations or warranties with respect to the availability and/or accessibility of the Digital Assets or Securities. Custodian will make reasonable efforts to ensure that Client initiated deposits are processed in a timely manner, but Custodian makes no representations or warranties regarding the amount of time needed to complete processing of deposits which is dependent upon factors outside of Custodian's control.

- 2.6. Supported Digital Assets.** The Custodial Services are available only in connection with those Digital Assets that Custodian supports (list currently available at <https://www.bitgo.com/resources/coins>). The Digital Assets that Custodian supports may change from time to time in Custodian's discretion. Custodian assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Custodian does not support. Custodian may, from time to time, determine types of Digital Assets that will be supported or cease to be supported by the Custodial Services. Custodian will use commercially reasonable efforts to provide Client with thirty (30) days' prior written notice before ceasing to support a Digital Asset, unless Custodian is required to cease such support sooner to comply with Applicable Law or in the event such support creates an urgent security or operational risk in Custodian's reasonable discretion (in which event Custodian will provide as much notice as is practicable under the circumstances). Under no circumstances should Client attempt to use the Custodial Services to deposit or store any Digital Assets that are not supported by Custodian. Depositing or attempting to deposit Digital Assets that are not supported by Custodian will result in such Digital Asset being unretrievable by Client and Custodian.

- 2.7. Advanced Protocols.** Unless specifically announced on the Custodian or Company website, Custodian does not support airdrops, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Custodian (collectively, "Advanced Protocols"). Client shall not use its Custodial Account to

attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. Custodian assumes absolutely no responsibility whatsoever in respect to Advanced Protocols.

2.8. Operation of Digital Asset Protocols.

- (a) Custodian does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Custodian platform. By using the Custodial Services, Client acknowledges and agrees that (i) Custodian is not responsible for operation of the underlying protocols and that Custodian makes no guarantee of their functionality, security, or availability; and (ii) the underlying protocols are subject to sudden changes in operating rules (a.k.a. “forks”), and (iii) that such forks may materially affect the value, function, and/or even the name of the Digital Assets that Client stores in Client’s Custodial Account. In the event of a fork, Client agrees that Custodian may temporarily suspend Custodian operations with respect to the affected Digital Assets (with or without advance notice to Client) and that Custodian may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. Client acknowledges and agrees that Custodian assumes absolutely no liability whatsoever in respect of an unsupported branch of a forked protocol or its determination whether or not to support a forked protocol.
- (b) Client agrees that all “airdrops” (free distributions of certain Digital Assets) and forks will be handled by Custodian pursuant to its fork policy (the “Fork Policy”) (currently available at www.bitgo.com/resources/bitgo-fork-policy). Client acknowledges that Custodian is under no obligation to support any airdrops or forks, or handle them in any manner, except as detailed above and in the Fork Policy. Client further acknowledges that Custodian, at its sole discretion, may update the Fork Policy from time to time and/or the URL at which it is available and Client agrees that Client is responsible for reviewing any such updates. Client is under no obligation to provide notification to Client of any modification to the Fork Policy.

2.9. Account Statements.

- (a) Custodian will provide Client with an electronic account statement every calendar quarter. Each statement will be provided via the Custodian’s website and notice of its posting will be sent via electronic mail.
- (b) The Client will have forty-five (45) days to file any written objections or exceptions with the Custodian after the posting of a Custodial Account statement online. If the Client does not file any objections or exceptions within a forty-five (45) day period, this shall indicate the Client’s approval of the statement and will preclude the Client from making future objections or exceptions regarding the information contained in the statement. Such approval by the Client shall be full acquittal and discharge of Custodian regarding the transactions and information on such statement.
- (c) To value Digital Assets held in the Client’s account, the Custodian will electronically obtain USD equivalent prices from digital asset market data with amounts rounded up to the seventh decimal place to the right. Custodian cannot guarantee the accuracy or timeliness of prices received and the prices are not to be relied upon for any investment decisions for the Client’s account.

- 2.10. Independent Verification.** If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Custodian shall, upon written request, provide Client’s authorized independent public accountant confirmation of, or access to, information sufficient to confirm (i) Client’s

Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client's Digital Assets are held either in a separate account under Client's name or in accounts under Client's name as agent or trustee for Client's clients.

- 2.11. Support and Service Level Agreement.** Custodian will use commercially reasonable efforts: (i) to provide reasonable technical support to Client, by email or telephone, during Custodian's normal business hours (9:30 AM to 6 PM ET); (ii) to respond to support requests in a timely manner; (iii) resolve such issues by providing updates and/or workarounds to Client (to the extent reasonably possible and practical), consistent with the severity level of the issues identified in such requests and their impact on Client's business operations; (iv) abide by the terms of the Service Level Agreement currently made available at <https://www.bitgo.com/resources/bitgo-service-level-agreement> (as Service Level Agreement or the URL at which it is made available may be amended from time to time); and (vii) to make Custodial Accounts available via the internet 24 hours a day, 7 days a week.

2.12. Clearing and Settlement Services.

- (a) Custodian may offer clearing and settlement services (the "Settlement Services") that facilitate the settlement of transactions of Digital Assets, Securities, or Fiat Currency between Client and Client's trade counterparty that also has a Custodial Account with Custodian ("Settlement Partner"). Client acknowledges that the Settlement Service is an API product complemented by a Web user interface (UI). Clients may utilize the Settlement Services by way of settlement of one-sided requests with counterparty affirmation or one-sided requests with instant settlement; and two-sided requests with reconciliation. Client understands that the Assets available for use within the Settlement Services may not include all of Client's Assets under custody. For the avoidance of doubt, use of the API product is subject to the terms and conditions set forth in Section 1.4 of this Agreement.
- (b) The Settlement Services allow Client to submit, through the Custodian's settlement platform, a request to settle a purchase or sale of Assets with a Settlement Partner. Client authorizes Custodian to accept Client's cryptographic signature submitted by way of the Settlement Services API. When a cryptographic signature is received by way of the Settlement Services along with the settlement transaction details, Client is authorizing Custodian to act on Client's direction to settle such transaction.
- i. A one-sided request with counterparty affirmation requires Client to submit a request, including its own cryptographic signature on the trade details, via API calls. Custodian will notify the Settlement Partner and lock funds of both parties while waiting for the Settlement Partner to affirm the request. Custodian will settle the trade immediately upon affirmation and the locked funds will be released.
 - ii. A one-sided request with instant settlement requires one side of the trade to submit a request, including cryptographic signatures of both parties to the trade, via API calls. Custodian will settle the trade immediately.
 - iii. A two-sided request with reconciliation requires that both Client and Settlement Partner submit requests via API calls, with each party providing their own cryptographic signatures. Custodian will reconcile the trades and settle immediately upon successful reconciliation.
 - iv. In any one-sided or two sided request, the Settlement Partner must be identified and selected by Client prior to submitting a settlement request.

- v. Client may submit a balance inquiry through the settlement platform, to verify that Settlement Partner has a sufficient balance of the applicable Asset(s) to be transacted before the Parties execute a transaction. This balance inquiry function is to be utilized only for the purpose of executing a trade transaction to ensure the Settlement Partner has sufficient Assets to settle the transaction. Client hereby expressly authorizes and consents to Custodian providing access to such information to Client's Settlement Partner in order to facilitate the settlement.
 - vi. Client and Settlement Partner's Custodial Accounts must have sufficient Assets prior to initiating any settlement request. The full amount of assets required to fulfill a transaction are locked until such order has been completed. All orders are binding on Client and Client's Custodial Account. Custodian does not guarantee that any settlement will be completed by any Settlement Partner. Client may not be able to withdraw an offer (or withdraw its acceptance of an offer) prior to completion of a settlement and Custodian shall not be liable for the completion of any order after a cancellation request has been submitted.
 - vii. Client acknowledges and accepts responsibility for ensuring only an appropriate Authorized Person of its Custodial Account has access to the API key(s).
 - viii. Client further understands and agrees that Client is solely responsible for any decision to enter into a settlement by way of the Settlement Services, including the evaluation of any and all risks related to any such transaction and has not relied on any statement or other representation of Custodian. Client understands that Custodian is a facilitator and not a counterparty to any settlement; and, as a facilitator, Custodian bears no liability with respect to any transaction and does not assume any clearing risk.
 - ix. Any notifications that Client may receive regarding the Settlement Services are Client's responsibility to review in a timely manner.
- (c) Upon execution of the settlement, the Settlement Services shall provide Client, by electronic means, a summary of the terms of the transaction, including: the type of Digital Asset or Securities purchased or sold; the delivery time; and the purchase or sale price. Settlement of a transaction is completed in an omnibus account by way of offsetting ledger transactions.
 - (d) Custodian reserves the right to refuse to settle any transaction, or any portion of any transaction, for any reason, at its sole discretion. Custodian bears no responsibility if any such order was placed or active during any time the Settlement Services system is unavailable or encounters an error; or, if any such order triggers certain regulatory controls.
 - (e) Client understands and agrees that Custodian may charge additional fees for the Settlement Services furnished to Client as indicated in the Fee Schedule attached as Schedule A and any amendments to Schedule A.
 - (f) Clearing and settlement transactions shall be subject to all Applicable Law.

3. USE OF SERVICES.

- 3.1. Company Site and Content.** Custodian hereby grants Client a limited, nonexclusive, non transferable, revocable, royalty-free license, subject to the terms of this Agreement, to access and

use the Company Site and related content, materials, information (collectively, the “Content”) solely for using the Services in accordance with this Agreement. Any other use of the Company Site or Content is expressly prohibited and all other right, title, and interest in the Company Site or Content is exclusively the property of Custodian and its licensors. Client shall not copy, transmit, distribute, sell, license, reverse engineer, modify, publish, or participate in the transfer or sale of, create derivative works from, or in any other way exploit any of the Content, in whole or in part. “www.bitgo.com,” “BitGo,” “BitGo Custody,” and all logos related to the Custodial Services or displayed on the Company Site are either trademarks or registered marks of Custodian or its licensors. Client may not copy, imitate or use them without Custodian’s prior written consent in each instance.

- 3.2. Website Accuracy.** Although Custodian intends to provide accurate and timely information on the Company Site, the Company Site (including, without limitation, the Content, but excluding any portions thereof that are specifically referenced in this Agreement) may not always be entirely accurate, complete, or current and may also include technical inaccuracies or typographical errors. In an effort to continue to provide Client with as complete and accurate information as possible, such information may be changed or updated from time to time without notice, including without limitation information regarding Custodian policies, products and services. Accordingly, Client should verify all information before relying on it, and all decisions based on information contained on the Company Site are Client’s sole responsibility and Custodian shall have no liability for such decisions. Links to third-party materials (including without limitation websites) may be provided as a convenience but are not controlled by Custodian. Custodian is not responsible for any aspect of the information, content, or services contained in any third-party materials or on any third-party sites accessible from or linked to the Company Site.
- 3.3. Third-Party or Non-Permissioned Users.** Client acknowledges that granting permission to a third party or non-permissioned user to take specific actions on Client’s behalf does not relieve Client of any of Client’s responsibilities under this Agreement and may violate the terms of this Agreement. Client is fully responsible for all activities taken on Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Further, Client acknowledges and agrees that Client will not hold Custodian responsible for, and will indemnify, defend and hold harmless the Custodian Indemnitees (as defined below) from and against any Losses arising out of or related to any act or omission of any party using Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Client must notify Custodian immediately if a third party or non-permissioned user accesses or connects to Client’s Custodial Account by contacting Client’s Custodial Account representative or by emailing security@bitgo.com from the email address associated with Client’s Custodial Account.
- 3.4. Prohibited Use.** Client acknowledges and agrees that Custodian may monitor use of the Services and the resulting information may be utilized, reviewed, retained and or disclosed by Custodian in aggregated and non-identifiable forms for its legitimate business purposes or in accordance with Applicable Law. Client will not use the Services, directly or indirectly via the Developer Application, to: (i) upload, store or transmit any content that is infringing, libelous, unlawful, tortious, violate privacy rights, or that includes any viruses, software routines or other code designed to permit unauthorized access, disable, erase, or otherwise harm software, hardware, or data; (ii) engage in any activity that interferes with, disrupts, damages, or accesses in an unauthorized manner the Services, servers, networks, data, or other properties of Custodian or of its suppliers or licensors; (iii) develop, distribute, or make available the Developer Application in any way in furtherance of criminal, fraudulent, or other unlawful activity; (iv) make the

Services available to, or use any Services for the benefit of, anyone other than Client or end users of the Developer Application; (v) sell, resell, license, sublicense, distribute, rent or lease any Services, or include any Services in a Services bureau or outsourcing offering; (vi) permit direct or indirect access to or use of any Services in a way that circumvents a contractual usage limit; (vii) obscure, remove, or destroy any copyright notices, proprietary markings or confidential legends; (viii) to build a competitive product or service; (ix) distribute the Developer Application in source code form in a manner that would disclose the source code of the Services; or (x) reverse engineer, decrypt, decompile, decode, disassemble, or otherwise attempt to obtain the human readable form of the Services, to the extent such restriction is permitted by applicable law. Client will comply with the restrictions set forth in Appendix 1.

3.5. Security; Client Responsibilities.

- (a) Client is responsible for maintaining adequate security and control of any and all Client Keys, IDs, passwords, hints, personal identification numbers, non-custodial wallet keys, API keys, yubikeys, 2-factor authentication devices or backups, or any other codes that Client uses to access the Services. Any loss or compromise of the foregoing information and/or Client's personal information may result in unauthorized access to Client's Custodial Account by third parties and the loss or theft of Assets. Client is responsible for keeping Client's email address and telephone number up to date in Client's profile in order to receive any notices or alerts that Custodian may send Client. Custodian assumes no responsibility for any loss that Client may sustain due to compromise of login credentials due to no fault of Custodian and/or failure to follow or act on any notices or alerts that Custodian may send to Client. In the event Client believes Client's Custodial Account information has been compromised, Client will contact Custodian Support immediately at security@bitgo.com.
- (b) Client will ensure that all Authorized Persons will be adequately trained to safely and securely access the Services, including understanding of general security principles regarding passwords and physical security of computers, keys, and personnel.
- (c) Client will immediately notify Custodian of any unauthorized access, use or disclosure of Client's Account credentials, or any relevant breach or suspected breach of security (including breach of Client's systems, networks or developer applications). Client will provide Custodian with all relevant information Custodian reasonably requests to assess the security of the assets, Custodial Accounts and wallets.

- 3.6. Taxes.** The Client will, for all tax purposes, be treated as the owner of all Assets held by the Custodian pursuant to this Agreement. It is the Client's sole responsibility to determine whether and to what extent Taxes and Tax reporting obligations may apply to the Client with respect to its Assets, Custodial Accounts, and transactions, and the Client will timely pay all such taxes and will file all returns, reports, and disclosures required by Applicable Law. Client is solely responsible for any taxes applicable to any deposits or withdrawals Client conducts through the Custodial Services, and for withholding, collecting, reporting, and/or remitting the correct amount of taxes to the appropriate tax authorities. Client's deposit and withdrawal history is available by accessing Client's Custodial Account through the Company Site or by contacting Custodian directly. If Custodian or an affiliate of Custodian has a legal obligation to pay or collect taxes for which Client is responsible, Client will be invoiced for the relevant amount and Client will pay that amount unless Client provides the Custodian or relevant affiliate of Custodian with a valid tax exemption certificate authorized by the appropriate taxing authority.

- 3.7. Third Party Providers.** Client acknowledges and agrees that the Services may be provided from time to time by, through or with the assistance of affiliates of or vendors to Custodian, including

BitGo Inc. as described above. Custodian shall remain liable for its obligations under this Agreement in the event of any breach of this Agreement caused by such affiliates or any vendor.

3.8. Developer Applications.

- (a) Subject to Custodian's acceptance of Client as a developer, and subject to Client's performance of its obligations under this Agreement, Custodian grants Client a nonassignable, non-transferrable, revocable, personal and non-exclusive license under Custodian's applicable intellectual property rights to use and reproduce the Custodian software development kit for Developer Applications.
- (b) Client agrees that all end users of any Developer Application will be subject to the same use restrictions that bind Client under this Agreement (including under Section 3.4 (Prohibited Use) and Appendix 1).
- (c) Client is solely responsible and has sole liability for Client's end users that access or use the Services via the Developer Application and all acts or omissions taken by such end users will be deemed to have been taken (or not taken) by Client. Client is responsible for the accuracy, quality and legality of Developer Application content and user data. Client will comply with, and ensure that Client's Developer Application and end users comply with all Applicable Law.

4. CUSTODIAN OBLIGATIONS.

- 4.1. Insurance.** Custodian will obtain and/or maintain insurance coverage in such types and amounts as are commercially reasonable for the Custodial Services provided hereunder. Client acknowledges that any insurance related to theft of Digital Assets will apply to Custodial Services only (where keys are held by Custodian) and not Wallet Services for non-custodial accounts (where keys are held by Client).
- 4.2. Standard of Care.** Custodian will use commercially reasonable efforts in performing its obligations under this Agreement. Subject to the terms of this Agreement, Custodian shall not be responsible for any loss or damage suffered by Client as a result of the Custodian performing such duties unless the same results from an act of gross negligence, fraud, or willful misconduct on the part of the Custodian. Custodian shall not be responsible for the title, validity or genuineness of any of the Assets (or any evidence of title thereto) received or delivered by it pursuant to this Agreement.
- 4.3. Business Continuity Plan.** Custodian has established a business continuity plan that will support its ability to conduct business in the event of a significant business disruption ("SBD"). APPENDIX 2: ACH TRANSFER TERMS & CONDITIONS

1.1 Introduction. These Terms and Conditions (“ACH Transfer Terms”) apply to your use of a designated bank account for any transfers you may make to BitGo Trust Company, Inc. (“BitGo”). These ACH Transfer Terms also apply to any transfers you may request from BitGo’s designated bank account, including those related to the return of U.S. Dollars that result from the sale of your Digital Assets (as defined in the Agreement executed between you and BitGo). Please read and keep these ACH Transfer Terms.

If you choose to use a bank account as your transfer method, you accept and agree to these ACH Transfer Terms on the date of each transfer.

BitGo’s external transfer services allow you to transfer funds to your eligible accounts held at BitGo and from other eligible accounts held by you at other U.S. financial institutions, and to eligible accounts held by a third party at BitGo or other U.S. financial institutions. External transfers may only be requested:

- If the transfer is permitted by your or a third party’s external financial institution, as applicable; and
- If the transfer is permitted by law.

BitGo reserves the right to obtain such additional information as we deem reasonably necessary. You agree to promptly update your records if your email address or other information changes.

1.2 Information. You authorize BitGo to validate the external accounts through the use of a test transaction, in which one or more low value payments will be both credited to and debited from the account. The test credit will always be of the same or less amount, so that the balance in any of your accounts will never be less than the actual balance. BitGo may not use test transactions with respect to its relationship with you.

Once the test transaction is complete, we may ask you to access your account to tell us the amount of the test credit or debit or any additional information reported by your bank. We may also verify your external accounts by requiring you to submit proof of ownership of the account. Other account verification methods may also be employed at the sole discretion of BitGo.

1.3 Accounts. By using BitGo external transfer service, you represent and warrant to BitGo that you have the right to authorize and permit us to process such funds transfers or for any other purpose authorized by this agreement, and you assure us that by disclosing and authorizing us to use such information you are not violating any third-party rights. You warrant and represent that the information you are providing us is true, current, correct and complete. You hereby authorized and permit BitGo to use information submitted by you to accomplish these purposes and to configure the service to be compatible with the accounts.

You understand and agree that at all times your relationship with each account provider is independent of BitGo and your use of this service. BitGo will not be responsible for any acts or omissions by the financial institution or other provider of any account, including without limitation any modification, interruption or discontinuance of any account by such provider.

Not all types of accounts are eligible for this service. Be sure to check with your financial institution for restrictions regarding transfers among your retirement, savings, trusts, custodial, business, corporate and other account types. BitGo is not responsible for any costs or losses incurred from transfers that are not permitted under such restrictions by the provider of your account or those imposed by applicable law.

1.4 Transfer Limitations. You may use the external transfer service to transfer funds to or from an eligible BitGo account and another account held by you or a third party at another U.S. financial institution. Transfers may be scheduled to occur one time, for a future date, or on a specific recurring basis.

We reserve the right to impose and/or change transfer limits on your account from time to time in our sole discretion. We reserve the right to suspend or restrict access to use the external transfer service immediately and without prior written notice to you. You understand and agree that such action is reasonable for us to take in order to protect ourselves from loss.

1.5 Initiating and Scheduling Transfers. The cut off time for same business day transfers is [4:45 pm ET]. Any transfer initiated after the applicable cut off time will be considered as being initiated on the next business day. Any transfer initiated on Saturday, Sunday or on a bank holiday will be considered as being initiated on the next business day.

Transfer can be scheduled on either a one time or recurring basis. Processing of one-time transfers may be initiated immediately or scheduled for initiation on a future date. Recurring transfers may be used when a set amount is transferred at regular intervals.

Your transfer must be payable in U.S. dollars. Transfers that we process using your bank account will be identified as “BitGo Trust Company, Inc.” (or similar identifier) on the statement issued by your bank or other financial institution holding your account.

All questions relating to any transactions made using your bank account by us should be initially directed to us, but may also require involvement of your bank.

1.6 Recurring Transfers. In addition to authorizing one-time transfers, you can request that BitGo facilitate recurring periodic transfers from your designated bank account on a daily, weekly or monthly basis. If you have established a weekly recurring transfer, then your transfer will be scheduled to occur on the same day of each week as the initial transfer in such recurring transfer (for example, every Wednesday). If you have established a monthly recurring transfer, then your transfer will be scheduled to occur on either the first or the fifteenth day of each month, based on your election when you initiate the recurring transfer. Your initial recurring transfer will not occur until you have submitted your recurring ACH transfer request and BitGo has had a reasonable amount of time to act upon it.

Any termination or cancellation of your recurring ACH transfer instructions will be effective as soon as BitGo has received your request and had a reasonable amount of time to act upon it.

BitGo may terminate any future recurring transfer without notice at any time for any reason.

1.7 Processing Time. When setting up a new external transfer account, please allow 3 business days to process validation of the test transaction.

Once the test transaction is completed for an external account, you should allow up to 3 business days for processing a transfer.

Please note the receiving financial institution could place a hold on the funds or delay availability. With respect to withdrawals, contact the receiving financial institution for information on their funds availability policy.

1.8 Errors. You understand that we must rely on the information provided by you and you authorize us to act on any instruction which has been or reasonably appears to have been requested by you, to submit

transfer instructions on your behalf. You understand that financial institutions receiving the transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. You understand that if you provide us with incorrect information or if there is any error in your instructions we will make all reasonable efforts to reserve or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplications, ambiguities or fraud in the information that you provide. You agree not to impersonate any person or use a name that you are not authorized to use. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, BitGo reserves the right to recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

We are not responsible for errors, delays and other problems caused by or resulting from the action or inaction of financial institutions holding the account. Although we will use reasonable efforts to try to assist you in resolving any such problems, you understand that any such errors, delays or other problems are the responsibility of the relevant financial institution. Any rights you may have against a financial institution for such errors, delays or other problems are subject to the terms of the agreements you have with such financial institutions, including any time limits during which complaints must be made.

1.9 Unlawful or Prohibited Use.

You warrant to us that you will not use this service for any purpose that is unlawful or not permitted, expressly or implicitly, by the terms of this agreement or by any applicable law or regulation. You further warrant and represent that you will not use this service in any manner that could damage, disable, overburden or impair the service or interfere with any other party's use of the service.

All transfers are subject to the rules and regulations governing the relevant accounts, whether held at BitGo or elsewhere. You agree not to process any transfer from or to an account that is not allowed, under the rules and regulations applicable to such accounts.

1.10 Rejection of Transfers. We reserve the right to decline any transfer, to submit transfer instructions or to carry out change or cancellation requests for any reason. We may, at any time, decline any transfer that we believe may violate applicable law, or where we believe there are not sufficient funds in your account to process any requested transfer. BitGo, in its sole discretion, may require that any or all Digital Assets purchased with funds from an ACH transfer be held in your BitGo Wallet for a period of up to 60 days.

1.11 Electronic Signature and ACH Authorization. You understand that to process your transfer instruction we utilize the Automated Clearing House (ACH), using applicable ACH Rules, to debit one of your accounts and credit another of your accounts. By choosing your bank account as your transfer method, you agree that: (a) you have read, understand and agree to these ACH Transfer Terms, and that this agreement constitutes a "writing signed by you" under any applicable law or regulation, (b) you consent to the electronic delivery of the disclosures contained in these ACH Transfer Terms, (c) you authorize BitGo (or its agent) to make any inquiries we consider necessary to validate any dispute involving your transfer, which may include ordering a credit report and performing other credit checks or verifying the information you provide against third party databases, (d) you authorize BitGo (or its agent) to initiate one or more ACH debit entries (withdrawals) for specified amount(s) from your bank account, and you authorize the financial institution that holds your bank account to deduct such transferred amounts (including any transfers to be made on a recurring basis, as applicable), (e) you authorize BitGo (or its agent) to initiate one or more ACH credit entries (direct deposits) for specified amount(s) to your bank account, and you authorize the financial institution that holds your bank account to credit such transferred amounts, (f) once a sale is complete and an ACH transfer is initiated, the transaction cannot be cancelled; and (g) funds sent to you via ACH typically take two to four business days to reach your financial institution, and BitGo is not responsible for any delays

in the availability of funds, which may vary based on your financial institution's ACH processing procedures and settlement.

If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize us to collect from the account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited. To process this collection, you understand and authorize us to debit the credited account or the debited account in either the same dollar amount as the original funds transfer or a portion of the debt. As discussed in more detail below, there may be a fee associated with such collection imposed by the financial institution holding the account.

In the event that a debit to any of your accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited account as set forth above, we reserve the right, and you hereby authorize us, to debit any of your other accounts to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such event, other than by posting any such transfer or transfers to the applicable account in accordance with this agreement.

1.12 Fees. Because these are electronic transfers, these funds may be withdrawn from your designated bank account immediately. In the case of an ACH debit transaction that is rejected for insufficient funds, you understand that BitGo may at its discretion attempt to process the debit in the amount of the applicable requested transfer again within 30 days and BitGo may separately impose a fee of up to \$25 for each transaction returned for insufficient funds, as permitted by applicable law. You certify that you are an authorized user of your bank account and you will not dispute these scheduled transactions with such bank so long as the transactions correspond to these ACH Transfer Terms and any other applicable agreement related to your accounts with BitGo and its affiliates or such transfer.

You must notify BitGo in writing if you dispute any portion of any fees paid or payable by you under these ACH Transfer Terms or any related agreement. You must provide that written notice to BitGo within 60 days of the applicable charge, and BitGo will work with you to resolve the applicable dispute promptly. If you do not provide BitGo with this written notice of your fee dispute within this 60-day period, you will not be entitled to dispute any fees paid or payable by you.

All amounts and fees stated or referred to in these ACH Transfer Terms are exclusive of taxes, duties, levies, tariffs, and other governmental charges (collectively, "Taxes"). You shall be responsible for payment of all Taxes and any related interest and/or penalties resulting from any transfers made hereunder, other than any taxes based on BitGo's net income.

1.13 Service Changes and Discontinuation. We may modify or discontinue the Service or your use of some or all accounts within the service, with or without notice, without liability to you, any other user or any third-party. We may from time to time make available additional or new features to the service, including but not limited to, a higher dollar limit service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We reserve the right, subject to applicable law, to terminate your account within the Service and your right to use the service at any time and for any reason, including without limitation if we, in our sole judgment, believe you have engaged in conduct or activities that violate any of the Terms or the rights of BitGo, or if you provide us with false or misleading information or interfere with other users or the administration of the service. We reserve the right to charge a fee for the use of the service and any additional services or features that we may introduce. You understand and agree that you are responsible for paying all applicable fees associated with the use of our services.

1.14 Returned Transactions. You understand and agree that if any previously-initiated debit entry hereunder is returned for any reason (including because of insufficient funds), BitGo will be entitled to exercise remedies in accordance with the Custodial Services Agreement, including freezing your any assets held in any account held with BitGo or any affiliate thereof and reversing any Digital Asset purchases made and delivered to such account.

1.15 Your Liability for Unauthorized Transactions. Federal law limits your liability for any fraudulent, erroneous unauthorized transaction from your bank account based on how quickly you report it to your financial institution. As general rule, you should report any fraudulent, erroneous or unauthorized transactions to your bank within 60 days after the questionable transaction FIRST appeared on your bank account statement. You should contact your bank for more information about the policies and procedures that apply to your account and any unauthorized transactions, including any limits on your liability.

1.16 Our Liability. If we fail to debit or credit your bank account in accordance with these ACH Transfer Terms, in the correct amount or in the correct amount of time, we may be liable for certain losses directly caused by our failure as the law may impose in such cases. However, there are some exceptions. For instance, we will not be liable where: (1) you do not have enough money in your bank account; (2) your bank account is closed or deposits or withdrawals restricted; (3) any terminal or system was not working properly and you were advised of that before you initiated the transfer; (4) the failure was related to circumstances beyond our control (such as flood, fire, power outages, mechanical or system failures); (5) your financial institution refuses to honor an ACH debit or credit; (6) your instructions are lost or delayed in transmission to us; (7) a reasonable security concern, such as unauthorized use, causes us not to honor your instructions; (8) this transfer option has been discontinued or suspended; (9) we advise you that your request will not be processed; (10) you submit a cancellation request with respect to recurring ACH transfer instructions and BitGo is unable to process it prior to your next scheduled transfer and (11) other exceptions are allowed by law.

Except as otherwise required by law, BitGo shall in no event be liable for any other losses and/or damages other than those arising from gross negligence or willful misconduct on our part, and in such case will be limited to actual damages.

You agree that we shall not be liable for any costs, fees, losses or damages of any kind incurred as a result of any charges imposed by any provider of accounts of fund transfers or any funds transfer limitations set by the financial institutions or other providers of the accounts.

1.17 Limitation of Warranty and Liability. You understand and agree that the service is provided “as-is.” Except as otherwise provided in this agreement or as required by law, we assume no responsibility for the timeliness, deletion, mis-delivery or failure to store any user communications. You understand and expressly agree that use of the service is at your sole risk, that any materials and/or data downloaded or otherwise obtained through the use of the service is downloaded or obtained at your own discretion and risk and that you will be solely responsible for any damages, including without limitation damage to your computer system or loss of data that results from the download or the obtaining of such material and/or data. Except as expressly set forth on the BitGo website or in this agreement, we disclaim all warranties of any kind, express or implied, including without limitation any warranty of merchantability, fitness for a particular purpose or non-infringement of intellectual property or third party rights, and we make no warranty or representation regarding the results that may be obtained from the use of the service, the accuracy or reliability of any information obtained through the service, the accuracy of any information retrieved by us from the accounts or that the service will meet any user’s requirements, be uninterrupted, timely, secure or error free. We will not be liable for any direct, indirect, incidental, special, consequential or punitive damages of any kind resulting from the use or the inability to use the service, any inaccuracy of any information or amount retrieved by us from the accounts, any breach of security caused by a third party,

any transactions entered into based on the service, any loss of, unauthorized access to or alteration of a user's transmissions or data or for the cost of procurement of substitute goods and services, including but not limited to damages for loss of profits, use, data or other intangibles, even if we had been advised of the possibility of such damages.

1.18 Agreement Changes. We may in our discretion change these ACH Transfer Terms at any time without notice to you. If any change is found to be invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability of any other changes or the remainder of these ACH Transfer Terms. We reserve the right to subcontract any of our rights or obligations under these ACH Transfer Terms.

YOUR CONTINUED USE OF YOUR BANK ACCOUNT AS A METHOD OF MAKING ANY TRANSFER TO OR RECEIVING ANY TRANSFER FROM BITGO (INCLUDING ANY RECURRING TRANSFER) AFTER WE CHANGE THESE ACH TRANSFER TERMS OR ANY OF THE OTHER TERMS INCORPORATED IN THESE ACH TRANSFER TERMS CONSTITUTES YOUR ACCEPTANCE OF THESE CHANGES.

1.19 Communications. If you have registered for this service and wish to withdraw your consent, you must cancel any pending transfer requests and contact our Trust Operations Department at TrustOperations@bitgo.com.

In the event of suspension, you may request reinstatement of the service by contacting our [name] Department at TrustOperations@bitgo.com. We reserve the right, in our sole discretion, to grant or deny reinstatement of the service.

In the context of investments made on or after the date hereof, the Beneficial Owner hereby directs the Nominee to acquire, on behalf of the Beneficial Owner, any Security that the Beneficial Owner subscribes for directly from the issuer thereof in the name of

the Nominee. The Beneficial Owner acknowledges and agrees that it shall pay the aggregate subscription amount due in respect of any such Security at the time and in the manner contemplated in the related subscription agreement, and that the Nominee will have no obligation to make any payments on behalf of the Beneficial Owner in respect of its acquisition of any Security. The Beneficial Owner acknowledges and agrees that the issuer of a Security may have the right to reject the Beneficial Owner's subscription for any given Security, and that the Nominee will have no liability for the failure of any Security to be issued pursuant to any subscription entered into by the Beneficial Owner, and the Beneficial Owner waives, to the fullest extent permitted by law, any claims of any kind it may have against the Nominee for executing any documents on behalf of, or for the benefit of the Beneficial Owner pursuant to this Agreement and agrees that the Nominee will have no liability (whether direct or indirect) to the Beneficial Owner in respect of any claim or to any person asserting a claim on behalf of or in right of the Beneficial Owner.

The Nominee acknowledges that it shall have no right or authority to act with respect to the Property, except upon the instructions of the Beneficial Owner.

3. Revocation. The Beneficial Owner may, at any time, in their absolute discretion, terminate this Nominee Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Property the transfer of which is restricted by contract, law, edict or otherwise ("Restricted Property") unless consented to by the issuer thereof (including by blanket consent). To be effective, any such termination shall be in writing, signed by the Beneficial Owner and delivered to the Nominee in accordance with the provisions of Paragraph 13 hereof with instructions for the return of the Property to the Beneficial Owner or their designee without consideration.

The Nominee shall have no discretionary authority to exercise any control over the Property, except as set forth herein, it being expressly understood that the Nominee shall have no real interest in the Property,

The Nominee acknowledges that the Beneficial Owner is, and during the entire term of this Nominee Agreement shall remain, the true and actual owner of the Property. The Nominee and the Beneficial Owner hereby acknowledge and agree that, with respect to the Property, the Beneficial Owner will have the rights of an entitlement holder under Article 8 of the Uniform Commercial Code as in effect in the State of South Dakota. Further, the Nominee will not hold itself out as having, or represent to any person that it has, any beneficial interest whatsoever in the Property. Notwithstanding the foregoing, with respect to Property that consists of shares of stock of a domestic or foreign corporation or other entity, the Nominee may, if so, instructed by the Beneficial Owner, register such shares on the books of the issuing entity in the Nominee's name alone, without indication of any nominee or other fiduciary capacity.

Speaker 1

Jim Thorpe is quite possibly the best athlete that ever walked this earth.

00:00:12:18 - 00:00:23:17

Speaker 2

Professional baseball player. Professional football player. World record holder in track and field. He is the pivotal athlete of the United States.

00:00:23:23 - 00:00:32:17

Speaker 3

I think he would be honored. I think he would be excited. I think he's ready for his story to be told because it's only ever been one side of the story.

00:00:32:21 - 00:00:42:06

Speaker 2

How can we pick up what our parents left us? How can we continue to pass that information along to the next generation?

00:00:42:11 - 00:00:52:12

Speaker 1

It's really important that Native America really understand two things. One, how prolific Jim Thorpe was. Two, how prolific Native America can be.

00:00:52:14 - 00:01:05:10

Speaker 2

We want to take it back a step and talk about the foundation of US professional sports. Who was the one that catapulted them into the industries they are today?

00:01:05:14 - 00:01:12:08

Speaker 1

That's what Jim Thorpe did for America, not just Indian country. Jim Thorpe motivated America.

00:01:12:10 - 00:01:25:12

Speaker 3

That means the world to me for his story to be heard.
And I hope that will inspire the next generation to be
the next Jim Thorpe.

What if the greatest American athlete of all time was forgotten? Born Wa Tho Huk, "Bright Path," in Oklahoma's Indian Territory. He defied the odds, the system and the era. Olympic gold winner. Gridiron legend. Pro football, baseball and basketball icon. First president of the NFL. His name was Jim Thorpe, and his astonishing story has been waiting in the shadows until now.

Verily Storyworks - a new model of modern-day storyteller that curates powerful, true stories - invites you to participate in their development of scripted film and television projects. Compelling. Epic. Entertaining. Thorpe is a story that is as exciting for audiences as it is for investors. This is a rare opportunity to get in on the ground floor of something big, powerful, impactful, and global.

This is the series that sets the record straight, that reclaims a legacy, that puts the name Jim Thorpe where it belongs, back in the spotlight as a national hero. Be part of it, back it. Own a piece of it. Because stories like this don't come around often. And when they do, you participate.

00:00:00:00 - 00:00:17:09

Speaker 1

Verily Storyworks - at its core, is a modern day storyteller. We look to secure and curate stories and make them compelling intellectual property packages that are ready for production.

00:00:17:15 - 00:00:33:15

Speaker 2

Our focus is on development, specifically the phase of development that deals with securing IP. In our case, true stories, and developing those scripts so that a production company and a distributor would see value in them and want to make them.

00:00:33:18 - 00:00:53:12

Speaker 1

And that includes treatments, screenplays, teleplays, and all the other elements that you would normally find in a film package for either a feature or a television series. What we do at that point is find the best avenue for its production. We either produce it, co-produce it, license it, sell it, or option it depending on what fits best for that project.

00:00:53:14 - 00:01:13:22

Speaker 1

What we like to do is we like to share these stories with the public, and we go through a crowdfunding platform or what they call "crowd invest." In this regard, we end up building what's called capital ambassadors. People become vested in the project. They have an ambassadorship to its success, and they also share in the profits in a very unique and innovative way that we structure.

00:01:14:04 - 00:01:34:16

Speaker 1

What's exciting for investors is we're in it together. Verily is alongside those investors. We all have the

same desire and same incentive to maximize the value and the profits that are generated from that intellectual property. Our goal is to build a loyal, committed, growing following and community of these capital ambassadors for the long haul for the company.

00:01:34:19 - 00:01:47:00

Speaker 2

As an investor, we're going to keep you informed every step of the way. So we're going to make sure that once you're part of our community, you know what's happening, all of the progress that's being made, and we'll have a lot of fun surprises and perks along the way.

00:01:47:02 - 00:02:03:04

Speaker 1

The company was built by a blend of creatives, writers, business and financial experts, and we look at it and treat it in that fashion. It's a multi-faceted company to take stories and focus specifically on getting those stories told the right way.

00:02:03:10 - 00:02:17:00

Speaker 2

If you're interested in participating in any of the projects, make sure you go to VerilyStoryworks.com and check out our slate of projects. Pick one that you love and help see it get made.
