THE OFFERING AND THE SECURITIES

The Offering

The Issuer is offering a minimum amount of \$75,000 (the “**Target Offering Amount**”) and up to a maximum amount of \$1,234,998.95 (the “**Maximum Offering Amount**”) of Common Stock, par value of \$0.00001 per share (the “**Securities**”) on a best efforts basis as described in this Form C (this “**Offering**”). The Minimum Individual Purchase Amount is \$99.90, and the Maximum Individual Purchase Amount is \$1,234,998.95. The Issuer reserves the right to amend the Minimum Individual Purchase Amount and Maximum Individual Purchase Amount, in its sole discretion. In particular, the Issuer may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Purchase Amounts and Maximum Individual Purchase Amounts to Investors participating in such programs without notice. The Issuer must raise an amount equal to or greater than the Target Offering Amount by February 13, 2026 (the “**Offering Deadline**”). Unless the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled and all committed funds will be returned.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Issuer’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

In order to purchase the Securities, you must make a commitment to purchase by completing the purchase process hosted by the **Intermediary** (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Issuer are required to correct any errors or omissions made by the Investor.**

Investor funds will be held in escrow with a qualified third-party escrow agent meeting the requirements of Regulation CF (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. **Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the Investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the Investor will receive their Securities.**

All investment commitments made in this Offering will be represented by a pro rata beneficial interest (based on the amount invested) subject to the terms of a Custody Agreement as described in Exhibit C and an Omnibus Nominee Trust Agreement as described in Exhibit D. Under the Subscription Agreement (as described in Exhibit B), Custody Agreement, and Omnibus Nominee Trust Agreement, Securities sold in this Offering will be deposited into a custodial account (“**Custodial Account**”) with BitGo Trust Company, who will serve as the custodian (the “**Custodian**”) for the Securities sold in this Offering. In order to receive Securities from this Offering, Investors will be required to establish, or verify that they already have, an account with the Custodian. The legal title to the Securities purchased by the Investor in this Offering will be held in the name of a trust established by and maintained by Brassica Trust Company LLC as nominee (“**Nominee**”) for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities pursuant to the terms and conditions of the Omnibus Nominee Trust Agreement attached hereto as Exhibit D.

The Issuer will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Issuer reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early provided (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Intermediary must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Issuer continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

The Deal Page

A description of our products, services and business plan can be found on the Issuer's profile page on the Intermediary's website under <https://republic.com/hightag> (the "**Deal Page**"). The Deal Page can be used by prospective Investors to ask the Issuer questions and for the Issuer to post immaterial updates to this Form C as well as make general announcements. You should view the Deal Page at the time you consider making an investment commitment. Updates on the status of this Offering can also be found on the Deal Page.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline, the Issuer will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor's investment commitment will be canceled and the committed funds will be returned without interest or deductions.

Intermediate Closings

In the event an amount equal to two (2) times the Target Offering Amount is committed and meets all required terms of the Offering prior to the Offering Deadline on such date or such later time the Issuer designates pursuant to Rule 304(b) of Regulation CF, the Issuer may conduct the first of multiple closings of the Offering early, *provided* (i) the early closing date must be twenty-one (21) days from the time the Offering opened and (ii) that all Investors will receive notice of such early closing date at least five (5) business days prior to such new offering deadline (absent a material change that would require an extension of the Offering and reconfirmation of all investment commitments). Investors who committed on the date such notice is provided or prior to the issuance of such notice will be able to cancel their investment commitment until 48 hours before such early closing date.

If the Issuer conducts an initial closing (the "**Initial Closing**"), the Issuer agrees to only withdraw seventy percent (70%) of the proceeds that are in escrow and will only conduct such Initial Closing if there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of the Initial Closing. The Issuer may only conduct another close (a "**Subsequent Closing**") before the Offering Deadline if the amount of investment commitments made as of the date of such Subsequent Closing exceeds two (2) times the Target Offering Amount as of the date of the Initial Closing and there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of such Subsequent Closing.

Any investment commitments received after an intermediate closing will be released to the Issuer upon a subsequent closing and the Investor will receive evidence of the Securities via electronic certificate/PDF in exchange for their investment commitment as soon as practicable thereafter.

The Issuer has agreed to return all funds to Investors in the event a Form C-W is ultimately filed in relation to this Offering, regardless of whether multiple closings are conducted.

Investment commitments are not binding on the Issuer until they are accepted by the Issuer, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Issuer rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

The Securities

We request that you please review this Form C, the Financial Statements attached as **Exhibit A**, the Subscription Agreement attached as **Exhibit B**, Custody Agreement attached as **Exhibit C**, and the Omnibus Nominee Trust Agreement attached as **Exhibit D**.

Additionally, the primary documents governing voting and the rights and preferences of Investors holding the Securities are the Certificate of Incorporation (the "**Certificate of Incorporation**") attached as Exhibit E, the Issuer's Arkansas Certificate of Authority (the "**Certificate of Authority**") attached as Exhibit F, the Issuer's By-Laws (the "**By-Laws**") attached as Exhibit G, (together with the Certificate of Incorporation and the Certificate of Authority, the "**Governing Documents**").

All statements in this Form C regarding the rights and preferences, and terms, of the Securities being sold in this Offering are qualified in their entirety by reference to the Governing Documents.

Pricing

The Securities are being offered at price per share of \$1.85 per share. The Investor will receive the number of shares of Common Stock equal to the amount the Investor paid for the Securities (the “**Purchase Amount**”) divided by \$1.85. The shares that the Investor will receive will be rounded down to the nearest whole number.

Authorized Capitalization

The Issuer has authorized one class of Common Stock. Please refer to the section titled “*Capitalization and Ownership*” below for information on the capitalization of the Issuer.

Dividends and Distributions

The Securities entitle Investors to dividends, as and when declared by the Issuer’s management.

Nominee

The title holder of the Securities will be a trust established by and maintained by Nominee for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities. Pursuant to the terms of the Omnibus Nominee Trust Agreement attached as **Exhibit D**, Investors are engaging Nominee as its limited agent to safeguard and provide certain limited services with respect to the Securities held in trust. Investors are appointing Nominee to act as nominee for the Investors, to serve in such capacity until the appointment and authority conferred is revoked, for the limited purpose of causing to be held, and holding, in the name of Nominee alone, title to the Securities beneficially owned by the Investors and acquired by Nominee for the benefit of Investors or otherwise conveyed to Nominee in accordance with the directions of the Investors, with power and authority limited to registering and holding the Securities in Nominee’s name, and otherwise acting with respect to the Securities in accordance with the instructions of the Investors, as provided in the Omnibus Nominee Trust Agreement or as may be given by the Investors from time to time. The Nominee will have no right or authority to act with respect to the Securities, except upon the instructions of the Investors. An Investor may, at any time, in its absolute discretion, terminate the Omnibus Nominee Trust Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Securities the transfer of which is restricted by contract, law, edict or otherwise unless consented to by the Issuer thereof (including by blanket consent). Nominee’s sole function during the term of the Omnibus Nominee Trust Agreement will be to hold nominal legal title to the Securities for the benefit of the Investors under and subject to the Investor’s instructions. Investors agree to indemnify Nominee per the terms of the Omnibus Nominee Trust Agreement.

Voting and Control

To facilitate the Offering and Investors being able to act together and cast a vote as a group, to the extent the Securities ever confer the holder with voting rights (whether provided by the Issuer’s governing documents or by law), the Lead (as hereinafter defined) will act as proxy on behalf of Investors in respect to instructions related to the Securities. The Lead will be entitled, among other things, to exercise any voting rights conferred upon the holder of the Securities, and to execute on behalf of an investor all transaction documents related to any transaction or other corporate event affecting the Securities. The Lead will vote consistently with the majority of the voting power of class of the Securities (the “**Lead**”).

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Issuer.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one (1)-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Issuer; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to

a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. “Member of the family” as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them. Furthermore, as the Custodian is the legal owner of the Securities, until the Custodian transfers the Securities from custodial accounts with the Custodian (“Custodial Accounts”) to the accounts designated by Investors, Investors may only transfer their beneficial interest in the Securities and not the Securities themselves. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them, particularly as transfers will require coordination with the Custodian and only the beneficial interest in such Securities, and not legal ownership, may be transferred.

In addition to the foregoing restrictions, prior to making any transfer of the Securities, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Issuer with an opinion of counsel reasonably satisfactory to the Issuer stating that a registration statement is not necessary to effect such transfer.

Furthermore, upon the event of an IPO, the Securities will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following the date of the final prospectus plus such additional period as may reasonably be requested by the Issuer or the underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports or (ii) analyst recommendations and opinions.

Prohibition on Creation of Security Interest

The Investor may not grant a security interest in the Securities or otherwise encumber the Investor’s Common Stock in any manner.

Other Material Terms

- The Issuer does not have the right to repurchase the Securities.
- The Securities may be subject to rights of first refusal, along with drag along rights, as further described in the Governing Documents.
- Transfer restrictions may conflict with the terms of the Custody Agreement as described in Exhibit C and Omnibus Nominee Trust Agreement described in Exhibit D.
- If the Investor seeks to transfer beneficial interests in the Securities, the terms of the Governing Documents will govern. Since the legal title to the Securities will be held by the Nominee, Investors will need to coordinate any permitted sales/transfers of the Securities with the Nominee (as Nominee and Custodian) pursuant to the afore-referenced Custody Agreement and Omnibus Nominee Trust Agreement.

COMMISSION AND FEES

Cash Commission

At the conclusion of the Offering, the Issuer shall pay the Intermediary (I) a cash fee equal to the greater of (A) \$15,000.00 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$100,000.00, and (2) 6% of any amounts raised in the Offering exceeding \$100,000.01 but not exceeding the Maximum Offering Amount.

Other Compensation

The Intermediary will also receive compensation in the form of the Securities equal to two percent (2%) of the total number of the Securities sold in the Offering. The total number of Securities outstanding after the Offering is subject to increase in an amount equal to the Intermediary’s fee of two percent (2%) of the Securities issued in this Offering.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. In addition to the risks specified below, the Issuer is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and

economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Risks Related to the Issuer's Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Issuer is still in an early phase and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Issuer may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Issuer is attempting to raise in this Offering may not be enough to sustain the Issuer's current business plan.

In order to achieve the Issuer's near and long-term goals, the Issuer may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Issuer will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, our lack of revenues from sales, as well as the inherent business risks associated with the Issuer and present and future market conditions. Additionally, our future sources of revenue may not be sufficient to meet our future capital requirements. As such, we may require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

We may implement new lines of business or offer new products and services within existing lines of business.

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

We rely on other companies to provide services for our products.

We depend on third-party vendors to meet our contractual obligations to our customers and conduct our operations. Our ability to meet our obligations to our customers may be adversely affected if vendors do not provide the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our services may be adversely impacted if companies to whom we delegate certain services do not perform to our, and our customers', expectations. Our vendors may also be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two vendors for a particular service.

We rely on various intellectual property rights, including trademarks, in order to operate our business.

The Issuer relies on certain intellectual property rights to operate its business. The Issuer's intellectual property rights may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken

to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our intellectual property rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

The Issuer's success depends on the experience and skill of its board of directors, executive officers and key personnel.

We are dependent on our board of directors, executive officers and key personnel. These persons may not devote their full time and attention to the matters of the Issuer. The loss of all or any of our board of directors, executive officers and key personnel could harm the Issuer's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Issuer does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Issuer has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Issuer will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Issuer and our operations. We have no way to guarantee key personnel will stay with the Issuer, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

In order for the Issuer to compete and grow, it must attract, recruit, retain and develop the necessary personnel who have the needed experience.

Recruiting and retaining highly qualified personnel is critical to our success. These demands may require us to hire additional personnel and will require our existing management and other personnel to develop additional expertise. We face intense competition for personnel, making recruitment time-consuming and expensive. The failure to attract and retain personnel or to develop such expertise could delay or halt the development and commercialization of our product candidates. If we experience difficulties in hiring and retaining personnel in key positions, we could suffer from delays in product development, loss of customers and sales and diversion of management resources, which could adversely affect operating results. Our consultants and advisors may be employed by third parties and may have commitments under consulting or advisory contracts with third parties that may limit their availability to us, which could further delay or disrupt our product development and growth plans.

We need to rapidly and successfully develop and introduce new products in a competitive, demanding and rapidly changing environment.

To succeed in our intensely competitive industry, we must continually improve, refresh and expand our product and service offerings to include newer features, functionality or solutions, and keep pace with changes in the industry. Shortened product life cycles due to changing customer demands and competitive pressures may impact the pace at which we must introduce new products or implement new functions or solutions. In addition, bringing new products or solutions to the market entails a costly and lengthy process, and requires us to accurately anticipate changing customer needs and trends. We must continue to respond to changing market demands and trends or our business operations may be adversely affected.

The development and commercialization of our products is highly competitive.

We face competition with respect to any products that we may seek to develop or commercialize in the future. Our competitors include major companies worldwide. Many of our competitors have significantly greater financial, technical and human resources than we have and superior expertise in research and development and marketing approved products and thus may be better equipped than us to develop and commercialize products. These competitors also compete with us in recruiting and retaining qualified personnel and acquiring technologies. Smaller or early-stage companies may also prove to be significant competitors, particularly through collaborative arrangements with large and established companies. Accordingly, our competitors may commercialize products more rapidly or effectively than we are able to, which would adversely affect our competitive position, the likelihood that our products will achieve initial market acceptance, and our ability to generate meaningful additional revenues from our products.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We may face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third parties may contain defects in design or manufacture, including “bugs” and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers’ or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Issuer is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Issuer may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately held (non-public) issuer, the Issuer is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Issuer's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Issuer of such compliance could be substantial and could have a material adverse effect on the Issuer's results of operations.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations, such as local licensing requirements, and retail financing, debt collection, consumer protection, environmental, health and safety, creditor, wage-hour, anti-discrimination, whistleblower and other employment practices laws and regulations and we expect these costs to increase going forward. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease and desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we have incurred and will continue to incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

Changes in federal, state or local laws and government regulation could adversely impact our business.

The Issuer is subject to legislation and regulation at the federal and local levels and, in some instances, at the state level. New laws and regulations may impose new and significant disclosure obligations and other operational, marketing and compliance-related obligations and requirements, which may lead to additional costs, risks of non-compliance, and diversion of our management's time and attention from strategic initiatives. Additionally, federal, state and local legislators or regulators may change current laws or regulations which could adversely impact our business. Further, court actions or regulatory proceedings could also change our rights and obligations under applicable federal, state and local laws, which cannot be predicted. Modifications to existing requirements or imposition of new requirements or limitations could have an adverse impact on our business.

Changes in employment laws or regulation could harm our performance.

Various federal and state labor laws govern our relationship with our employees and affect operating costs. These laws include minimum wage requirements, overtime pay, healthcare reform and the implementation of the Patient Protection and Affordable Care Act, unemployment tax rates, workers' compensation rates, citizenship requirements, union membership and sales taxes. A number of factors could adversely affect our operating results, including additional government-imposed increases in minimum wages, overtime pay, paid leaves of absence and mandated health benefits, mandated training for employees, increased tax

reporting and tax payment requirements for employees who receive tips, a reduction in the number of states that allow tips to be credited toward minimum wage requirements, changing regulations from the National Labor Relations Board and increased employee litigation including claims relating to the Fair Labor Standards Act.

Risks Related to the Offering

State and federal securities laws are complex, and the Issuer could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

The Issuer has conducted previous offerings of securities and may not have complied with all relevant state and federal securities laws. If a court or regulatory body with the required jurisdiction ever concluded that the Issuer may have violated state or federal securities laws, any such violation could result in the Issuer being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, the Issuer would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given the Issuer will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

In addition, if the Issuer violated federal or state securities laws in connection with a prior offering and/or sale of its securities, federal or state regulators could bring an enforcement, regulatory and/or other legal action against the Issuer which, among other things, could result in the Issuer having to pay substantial fines and be prohibited from selling securities in the future.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

The Issuer's management may have broad discretion in how the Issuer uses the net proceeds of the Offering.

Unless the Issuer has agreed to a specific use of the proceeds from the Offering, the Issuer's management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Intermediary Fees paid by the Issuer are subject to change depending on the success of the Offering.

At the conclusion of the Offering, the Issuer shall pay the Intermediary (I) a cash fee equal to the greater of (A) \$15,000.00 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$100,000.00, and (2) 6% of any amounts raised in the Offering exceeding \$100,000.01 but not exceeding the Maximum Offering Amount. The Intermediary will also receive compensation in the form of the Securities equal to two percent (2%) of the total number of the Securities sold in the Offering. The compensation paid by the Issuer to the Intermediary may impact how the Issuer uses the net proceeds of the Offering.

The Issuer has the right to limit individual Investor commitment amounts based on the Issuer's determination of an Investor's sophistication.

The Issuer may prevent any Investor from committing more than a certain amount in this Offering based on the Issuer's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Issuer's determination and not in line with relevant investment

limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Issuer's determination.

The Issuer has the right to extend the Offering Deadline.

The Issuer may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Issuer attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Issuer extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Issuer receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Issuer receives the Target Offering Amount, at which time it will be released to the Issuer to be used as set forth herein. Upon or shortly after the release of such funds to the Issuer, the Securities will be issued and distributed to you.

The Issuer may also end the Offering early.

If the Target Offering Amount is met after twenty-one (21) calendar days, but before the Offering Deadline, the Issuer can end the Offering by providing notice to Investors at least five (5) business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Issuer may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Issuer has the right to conduct multiple closings during the Offering.

If the Issuer meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Issuer to draw down on seventy percent (70%) of Investor proceeds committed and captured in the Offering during the relevant period. The Issuer may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

Investors will grant a third-party nominee broad power and authority to act on their behalf.

In connection with investing in this Offering to purchase Common Stock, Investors will designate the Lead (as defined above) to act on behalf as proxy on behalf of Investors in respect to instructions related to the Securities. The Lead will be entitled, among other things, to exercise any voting rights (if any) conferred upon the holder of the Securities, and to execute on behalf of an investor all transaction documents related to any transaction or other corporate event affecting the Securities. Thus, by participating in the Offering, investors will grant broad discretion to a third party (the Lead and its agents) to take various actions on their behalf, and Investors will essentially not be able to vote upon matters related to the governance and affairs of the Issuer nor take or effect actions that might otherwise be available to holders of the Securities. Investors should not participate in the Offering unless he, she or it is willing to waive or assign certain rights that might otherwise be afforded to a holder of the Securities to the Lead and grant broad authority to the Lead to take certain actions on behalf of the Investor.

The Securities will not be freely tradable under the Securities Act until one year from when the securities are issued. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF beginning one (1) year following the issuance of the Securities. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Issuer. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. Additionally,

Investors will only have a beneficial interest in the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with Brassica Trust Company LLC, who will serve as the custodian and nominee for the Securities.

The Custodian shall serve as the legal title holder of the Securities. Investors will only obtain a beneficial ownership in the Securities.

The Issuer and the Investor shall appoint and authorize the qualified third-party Custodian for the benefit of the Investor, to hold the Securities in registered form in the Custodian's name or the name of the Custodian's nominees for the benefit of the Investor and Investor's permitted assigns. The Custodian may take direction from the Lead who will act on behalf of the Investors, and the Custodian may be permitted to rely on the Lead's instructions related to the Securities. As such, an Investor will never become an equity holder, merely a beneficial owner of an equity interest.

An investment in the Issuer's Securities could result in a loss of your entire investment.

An investment in the Issuer's Securities offered in this Offering involves a high degree of risk and you should not purchase the Securities if you cannot afford the loss of your entire investment. You may not be able to liquidate your investment for any reason in the near future.

The Securities in this Offering have no protective provisions.

The Securities in this Offering have no protective provisions. As such, you will not be afforded protection, by any provision of the Securities or as a Shareholder, in the event of a transaction that may adversely affect you, including a reorganization, restructuring, merger or other similar transaction involving the Issuer. If there is a liquidation event, or change of control for the Issuer, the Securities being offered do not provide you with any protection.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Issuer or to receive financial or other information from the Issuer, other than as required by law. Other security holders of the Issuer may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Issuer can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Issuer such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

The Issuer may never undergo a liquidity event.

The Issuer may never undergo a liquidity event such as a sale of the Issuer or an initial public offering. If a liquidity event never occurs, Investors could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. In addition to the risks listed above, businesses are often subject to risks not foreseen or fully appreciated by the management. It is not possible to foresee all risks that may affect us. Moreover, the Issuer cannot predict whether the Issuer will successfully effectuate the Issuer's current business plan. Each prospective Investor is encouraged to carefully analyze the risks and merits of an investment in the Securities and should take into consideration when making such analysis, among other, the Risk Factors discussed above.

The Securities may be significantly diluted as a consequence of subsequent equity financings.

The Securities will be subject to dilution. The Issuer intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Issuer.

The amount of additional financing needed by the Issuer will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Issuer with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Issuer's needs, the Issuer may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Issuer. There can be no assurance that the Issuer will be able to accurately

predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

There is no present market for the Securities and we have arbitrarily set the price.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues, prior earnings or other established criteria of value. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

Alexander de la Fuente

Alexander ("Alex") de la Fuente serves as Chief Executive Officer and co-founder of Hightag. Born on February 17, 1993, in Webster, Texas, Alex was raised in Friendswood, Texas, alongside his three brothers by his parents, Linda de la Fuente and Horacio de la Fuente.

Education

Alex graduated from Friendswood High School in 2011 and pursued higher education at the University of Houston, where he earned his Bachelor of Business Administration degree in Entrepreneurship and Accounting in 2015. This dual-focus education provided him with both the business acumen necessary for entrepreneurial ventures and the financial literacy essential for effective business management and operations.

Professional Experience

Following his graduation from the University of Houston in 2015, Alex began his professional career as a Credit Analyst at Amegy Bank, a subsidiary of Zions Bancorporation. In this role, he developed expertise in financial analysis, risk assessment, and commercial lending practices, gaining valuable experience in evaluating business ventures and understanding the financial fundamentals that drive successful enterprises.

In 2016, Alex transitioned from traditional banking to the entrepreneurial ecosystem, accepting a position as Director of Operations across several prominent Houston-area startup accelerator and incubator programs. His responsibilities spanned multiple prestigious institutions, including the University of Houston's RED Labs accelerator, Rice University's OwlSpark accelerator, and Station Houston, a private, independent startup incubator.

During this period, Alex also contributed to entrepreneurial education by co-teaching the University of Houston's "Pre-Accelerator" course. This credit course focused on helping students transform innovative ideas into viable commercial concepts, demonstrating his commitment to fostering entrepreneurship and his ability to translate business theory into practical application.

Entrepreneurial Ventures

In 2018, Alex leveraged his experience supporting startup companies to launch his own venture, founding Spacecraft Brands, a full-service brand development and product design agency. The agency was strategically positioned to serve the Seed through Series A stage companies that Alex had previously supported through the various accelerator and incubator programs. Under his

leadership, Spacecraft Brands developed a strong reputation for helping early-stage companies establish their brand identity and bring products to market.

The success of Spacecraft Brands culminated in its acquisition by Cart.com in 2020, one of the agency's own clients. This acquisition demonstrated Alex's ability to build a valuable business and execute a successful exit strategy.

Following the acquisition of Spacecraft Brands, Alex joined Cart.com as Vice President of Brand and Creative Director, where he played a crucial role during the company's formative period. During the company's initial 18 months, Alex helped the founders launch and scale the business, contributing to Cart.com's remarkable growth trajectory that resulted in the company achieving an enterprise value of over \$1 billion during his tenure.

Hightag Leadership

Following his time at Cart.com, Alex co-founded Hightag with his brother, Jonathan, in 2022. As Chief Executive Officer, Alex brings together his diverse experience in brand building, application design and development, financial analysis, and high-growth company operations to lead Hightag's overall business strategy and execution.

Alex currently resides in Bentonville, Arkansas, with his wife, Serafina Lalany, where he continues to drive Hightag's business development and strategic initiatives. His comprehensive background spanning traditional finance, startup ecosystem development, entrepreneurial ventures, and corporate leadership positions him well to guide Hightag's growth and market expansion efforts.

Material Terms	Valuation Cap: \$5,000,000 Discount Rate: 20% APR of 6% Maturity Dates: February 2, 2025, February 17, 2025, July 10, 2025 If there is a transaction (or series of related transactions) after the date of the Notes and before maturity in which the Company issues and sells shares of its preferred stock in exchange for aggregate gross proceeds of at least \$500,000 (excluding amounts deemed received upon conversion of the Notes and any other indebtedness or similar convertible securities), with the principal purpose of raising capital (a "Qualified Financing"), then the entire outstanding principal amount of the Notes, any accrued but unpaid interest and any other amounts payable under the Notes shall be converted automatically into Financing Conversion Securities, or in the

	Company's sole discretion, Qualified Financing Securities, upon the closing of a Qualified Financing. In the event of such automatic conversion, the Notes shall be converted into that number of the applicable securities determined by dividing (i) the aggregate outstanding principal amount of the Notes, any accrued but unpaid interest, and any other amounts payable under the Notes by (ii) the Note Conversion Price. "Note Conversion Price" means the lower of: (a) the lowest per share purchase price paid for the Qualified Financing Securities by the investors of new money in the Qualified Financing, multiplied by 0.80; or (b) the quotient obtained by dividing (1) the Valuation Cap (as defined below) by (2) the Company's fully-diluted capitalization\ immediately prior to the initial closing of the Qualified Financing (assuming, without duplication, full conversion or exercise of all outstanding convertible or exercisable securities, options and warrants, but excluding (i) any outstanding convertible notes or other convertible instruments issued for capital raising purposes and (ii) any expansion of equity incentive plans made in connection with the Qualified Financing, and subject to appropriate adjustment in the event of any stock dividend, stock split, combination or similar recapitalization affecting such shares) (the "Fully- Diluted Capitalization"). The "Valuation Cap" means \$5,000,000. In the event that, as of the first Final Maturity Date of any Note, the Notes have not been converted or otherwise repaid, and at the option of the Majority Holders in their sole discretion, all of the outstanding principal amount of the Notes and any accrued but unpaid interest may be converted into shares of the Company's Common Stock, or an equivalent security (the "Maturity Conversion"). In the event of such conversion, the Notes shall be converted into fully paid and non-assessable shares of the Company's Common Stock, or an equivalent security, at a price per share determined by dividing (x) an amount equal to the Valuation Cap by (y) the Fully-Diluted Capitalization as of the Maturity Conversion. If a Change of Control occurs prior to a Qualified Financing, then at the election of the Holder or, with respect to all Notes, the election of the Majority Holders in their sole discretion (irrespective of any individual Holder's election), either: (i) the Holder shall be paid a prepayment amount equal to all accrued and unpaid interest due on the Notes as of immediately prior to such Change of Control plus the then-outstanding principal amount of the Notes, and the Notes shall thereafter be cancelled and be of no further force or effect, whether or not delivered to the Company for cancellation, or (ii) the then-outstanding principal amount of the Notes and all accrued and unpaid interest on the Notes shall automatically convert as of immediately prior to such Change of Control into fully paid and non-assessable shares of the Company's Common Stock at a price per share determined by dividing (x) the Valuation Cap by (y) the Fully-Diluted Capitalization (excluding from such calculation the unused portion of any equity incentive plans) as of immediately prior to such Change of Control, without giving effect to any changes to the capitalization arising from such transaction.

The holder may decline to make an advance under the note at any time, in its sole discretion. In the event that the Company issues and sells shares of its capital stock to investors (the "Investors") on or before the date of the repayment in full of this Note in an arms-length equity financing resulting in gross proceeds to the Company of at least \$500,000 (excluding the conversion of this Note or convertible securities issued for capital raising purposes (e.g., Simple Agreements for Future Equity)) (a "Qualified Financing"), then the outstanding principal balance of this Note and any unpaid accrued interest shall automatically convert in whole without any further action by the Holder into such shares sold in the Qualified Financing at a conversion price equal to the lesser of (i) 80% of the price paid per share for such shares by the Investors, or (ii) the price (the "Cap Conversion Price") equal to the quotient of \$5,000,000 divided by the total number of outstanding shares of the Company's common stock immediately prior to the Qualified Financing calculated on a fully diluted basis (assuming conversion of all convertible securities and exercise of all outstanding options, warrants, phantom stock, stock appreciation rights, and other rights to acquire capital stock of the Company, including any shares reserved and available for future grant under any equity incentive or similar plan of the Company, and/or any equity

At the option of the Holder, the Holder will receive all of the benefits afforded to other Investors acquiring the same number of shares in the Qualified Financing. In the event that a Qualified Financing is not consummated prior to the Maturity Date, then, at the written election of the Holder at any time on or after the Maturity Date (such date, the "Election Date"), effective no later than five (5) days after the Election Date, the outstanding principal balance and any unpaid accrued interest under this Note shall be converted into shares of a newly created series of the Company's preferred stock on the terms and conditions set forth on Exhibit A at a conversion price equal to the quotient of \$5,000,000 divided by the aggregate number of outstanding shares of the Company's common stock as of the Election Date calculated on a fully diluted basis (assuming conversion of all convertible securities and exercise of all outstanding options, warrants, phantom stock, stock appreciation rights, and other rights to acquire capital stock of the Company, including any shares reserved and available for future grant under any equity incentive or similar plan of the Company, and/or any equity incentive or similar plan to be created or increased in connection with the Qualified Financing, but excluding shares issuable upon the conversion of the Note(s) or any other current or future convertible debt or equity instruments issued for capital raising purposes (e.g., Simple Agreements for Future Equity)). If the Company consummates a Sale of the Company (as defined below) prior to the conversion or repayment in full of this Note, then (i) the Company will give the Holder at least five (5) days' prior written notice of the anticipated closing date of such Sale of the Company and (ii) at the closing of such Sale of the Company, in full satisfaction of the Company's obligations under this Note, the Company will pay the Holder an aggregate amount equal to the greater of (x) the aggregate amount of principal and unpaid accrued interest then outstanding under this Note or (y) the amount the Holder would have been entitled to receive in connection with such Sale of the Company if the aggregate amount of principal and unpaid accrued interest then outstanding under this Note had been converted into shares of the Company's common stock at a conversion price equal to the quotient of \$5,000,000 divided by the aggregate number of outstanding shares of the Company's common stock as of immediately prior to the closing of such Sale of the Company calculated on a fully diluted basis (assuming conversion of all convertible securities and exercise of all outstanding options, warrants, phantom stock, stock appreciation rights, and other rights to acquire capital stock of the Company, including any shares reserved and available for future grant under any equity incentive or similar plan of the Company, and/or any

Liquidity and Capital Resources

The proceeds from the Offering are essential to our operations. We plan to use the proceeds as set forth above under the section titled "*Use of Proceeds*", which is an indispensable element of our business strategy.

Capital Expenditures and Other Obligations

The Issuer does not intend to make any material capital expenditures in the near future.

Valuation

Although the Securities provide certain terms, which may include a valuation cap, the Intermediary has ascribed no pre-Offering valuation to the Issuer; the Securities are priced arbitrarily and the Issuer makes no representations as to the reasonableness of any specified valuation cap.

Trends and Uncertainties

After reviewing the above discussion of the steps the Issuer intends to take, potential Investors should consider whether achievement of each step within the estimated time frame will be realistic in their judgment. Potential Investors should also assess the consequences to the Issuer of any delays in taking these steps and whether the Issuer will need additional financing to accomplish them.

HIGHTAG INC.**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023**

1. NATURE OF OPERATION

Hightag Inc. was incorporated on September 27, 2022, in the state of Delaware. The financial statements of Hightag Inc. (which may be referred to as the "Company", "we", "us", or "our") are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Company's headquarters are located in Bentonville, Arkansas.

Hightag Inc. designs, manufactures, and operates automated camera systems that capture and deliver action photos and videos to athletes. The Company generates revenue primarily through consumer purchases of Day Passes and Memberships, with a secondary revenue stream from partnered facilities via premium service contracts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies is presented to assist in understanding the Company's financial statements. The accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP" and "US GAAP").

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with US GAAP, and the Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash & Cash Equivalents

Cash and cash equivalents include all cash in banks, cash on hand and all highly liquid investments with original maturities of three months or less at the time of purchase. As of December 31, 2024, and 2023, the Company's cash & cash equivalents did not exceed FDIC insured limits.

Inventories

Inventories are valued at the lower of cost and net realizable value. Inventories include costs for product packaging, which are determined using a FIFO (first-in-first-out) method.

Property and Equipment

Property and equipment are stated at cost. Expenditures for additions, major renewals and betterments are capitalized, and expenditures for maintenance and repairs are charged against income as incurred. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in statements of operations.

Depreciation and amortization of property and equipment are computed using the straight-line method over the estimated useful lives of the respective assets. Leasehold improvements are amortized on a straight-line basis over either the useful life of the improvement or the remainder of the related lease term, whichever is shorter.

Estimated useful lives for property and equipment are as follows:

Category	Useful Life
Equipment	5 years

Impairment of Long-Lived Assets

Long-lived assets, including property and equipment and intangible assets, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. An impairment loss is recorded in the period in which it is determined that the carrying amount is not recoverable. The determination of recoverability is made based on an estimate of undiscounted future cash flows resulting

HIGHTAG INC.**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023**

from the use of the asset and its eventual disposition. The measurement of the impairment for long-lived assets is based on the asset's estimated fair value. No such impairment was recorded for the year ended December 31, 2024, and 2023.

Revenue Recognition

The Company recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the Company expects to be entitled to in exchange for those goods or services. In determining when and how revenue is to be recognized from contracts with customers, the Company performs the following five step analysis laid under Accounting Standard Codification ("ASC") 606, *Revenue from Contracts with Customers*: (1) identification of contract with customers, (2) determination of performance obligations, (3) measurement of the transaction price, (4) allocation of transaction price to the performance obligations, and (5) recognition of revenue when or as the company satisfies each performance obligation.

Hightag's primary sources of revenue include:

- Consumer Photo/Video Services: Revenue from the sale of Day Passes and Memberships is recognized over the period in which the customer has access to automated photo and video capture services. Day Pass revenue is recognized over a 24-hour period beginning at the time of activation. Membership revenue is recognized ratably over the term of the subscription, typically one year.
- Facility Premium Services: Revenue from annual contracts with partnered facilities—such as media licensing and usage analytics—is recognized over the term of the agreement as the services are provided.

All revenues are recognized net of any applicable refunds, discounts, or promotional considerations. The Company does not recognize revenue for the free distribution of RFID tags, which are provided to facilitate access to the service but are not sold as a standalone product.

Income Taxes

The Company is taxed as a C corporation for income tax purposes. The Company accounts for income taxes under the liability method, and deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying values of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates in effect for the year in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided on deferred tax assets if it is determined that it is more likely than not that the deferred tax asset will not be realized. The Company records interest, net of any applicable related income tax benefit, on potential income tax contingencies as a component of income tax expense. The Company records tax positions taken or expected to be taken in a tax return based upon the amount that is more likely than not to be realized or paid, including in connection with the resolution of any related appeals or other legal processes. Accordingly, the Company recognizes liabilities for certain unrecognized tax benefits based on the amounts that are more likely than not to be settled with the relevant taxing authority. The Company recognizes interest and/or penalties related to unrecognized tax benefits as a component of income tax expense.

Fair Value of Financial Instruments

The carrying value of the Company's financial instruments included in current assets and current liabilities (such as cash and cash equivalents, restricted cash and cash equivalents, accounts receivable, accounts payable and accrued expenses) approximates fair value due to the short-term nature of such instruments.

The inputs used to measure fair value are based on a hierarchy that prioritizes observable and unobservable inputs used in valuation techniques. These levels, in order of highest to lowest priority, are described below:

Level 1 — Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 — Observable prices that are based on inputs not quoted on active markets but corroborated by market data.

Level 3 — Unobservable inputs reflecting the Company's assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

HIGHTAG INC.**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023****Advertising & Promotional Costs**

Subsequent Events

The Company considers events or transactions that occur after the balance sheet date, but prior to the issuance of the financial statements to provide additional evidence relative to certain estimates or to identify matters that require additional disclosure. Subsequent events have been evaluated through April 11, 2025, which is the date the financial statements were available to be issued.

Each note will be convertible into Conversion Shares pursuant to the following events:

- *Next Equity Financing Conversion.* Upon the closing of a Next Equity Financing, the outstanding principal amount of each Note and any accrued but unpaid interest shall automatically convert into Conversion Shares. The number of Conversion Shares to be issued shall be determined by dividing (x) the total of the outstanding principal and accrued but unpaid interest under the Note as of the conversion date by (y) the Conversion Price, with the result rounded down to the nearest whole share. The "Conversion Price" shall equal the lesser of:
 - (a) 80% of the price per share paid by the investors in the Next Equity Financing, or
 - (b) The price per share based on a pre-money valuation cap of \$5,000,000, in each case subject to appropriate adjustment in the event of stock splits, stock dividends, combinations, and similar recapitalizations.
 The Company shall notify the holders of the Notes in writing at least five (5) days prior to the closing of the Next Equity Financing, providing details of the terms of such financing. The Conversion Shares shall be issued on the same terms and conditions as the securities issued in the Next Equity Financing.
- *Corporate Transaction Conversion.* In the event of a Corporate Transaction prior to the conversion or repayment of a Note, each Note shall automatically convert immediately prior to the closing of such Corporate Transaction into that number of Conversion Shares equal to the quotient (rounded down to the nearest whole share) obtained by dividing (x) the outstanding principal and accrued but unpaid interest under the Note as of the conversion date by (y) the Conversion Price, as defined above. A "Corporate Transaction" means (i) a merger or consolidation of the Company with or into another entity, or (ii) a sale, lease, exclusive license, or other disposition of all or substantially all of the Company's assets.
- *Maturity Conversion.* Upon the Maturity Date, if the Notes have not otherwise been converted or repaid, at the election of the Requisite Holders, each Note may be converted into Conversion Shares. The number of shares to be issued shall be determined by dividing (x) the outstanding principal and accrued but unpaid interest under such Note as of the date of conversion by (y) the Conversion Price. The Requisite Holders must deliver written notice to the Company of their election to convert no later than five (5) days following the Maturity Date.

The convertible promissory notes meet the Variable-Share Obligations requirements for classification under ASC 480 and as a result are required to be classified as a liability and carried at amortized cost as the Company has not made an election pursuant to one of the fair value options provided within ASC 815 and ASC 825.

If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price. In connection with the automatic conversion of this Safe into shares of

HIGHTAG INC.**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023**

Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; provided, that such documents (i) are the same documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) have customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor. If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the "Cash-Out Amount") or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the "Conversion Amount"). If any of the Company's security holders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's security holders, or under any applicable laws. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating Preferred Stock. The Investor's right to receive its Cash-Out Amount is: (i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock); (ii) On par with payments for other Safes and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Stock in proportion to the full payments that would otherwise be due; and (iii) Senior to payments for Common Stock. The SAFE Agreement is considered a mandatorily redeemable financial instrument under ASC 480-10-15-8. Because the SAFE may require the issuer to redeem the instrument for cash upon a change of control, the agreement should be classified and recorded as a liability under ASC 480-10-25-8 because a change of control is an event that is considered not under the sole control of the issuer. Therefore, the SAFEs are classified as marked-to-market liabilities pursuant to ASC 480 in other long-term liabilities.

7. EQUITY AND CAPITALIZATION**Common Stock**

The Company is authorized to issue 10,000,000 shares of common stock with a par value of \$0.00001. As of December 31, 2024, and 2023, 4,800,000 shares of common stock, respectively, have been issued and were outstanding.

8. INCOME TAXES

The provision for income taxes for the year ended December 31, 2024, and December 31, 2023, consists of the following:

For the Year Ended December 31,	2024	2023
Net Operating Loss	\$ (30,620)	\$ (30,620)
Valuation Allowance	30,620	30,620
Net Provision For Income Tax	\$ -	\$ -

Significant components of the Company's deferred tax assets and liabilities at December 31, 2024, and December 31, 2023, are as follows:

As of December 31,	2024	2023
Net Operating Loss	\$ (61,241)	\$ (30,620)
Valuation Allowance	61,241	30,620
Total Deferred Tax Asset	\$ -	\$ -

HIGHTAG INC.**NOTES TO FINANCIAL STATEMENTS****FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023**

Management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to use the existing deferred tax assets. On the basis of this evaluation, the Company has determined that it is more likely than not that the Company will not recognize the benefits of the federal and state net deferred tax assets, and, as a result, full valuation allowance has been set against its net deferred tax assets as of December 31, 2024, and December 31, 2023. The amount of the deferred tax asset to be realized could be adjusted if estimates of future taxable income during the carry-forward period are reduced or increased.

For the fiscal year ending December 31, 2024, the Company had federal cumulative net operating loss ("NOL") carryforwards of \$236,450. Utilization of some of the federal and state NOL carryforwards to reduce future income taxes will depend on the Company's ability to generate sufficient taxable income prior to the expiration of the carryforwards. The federal net operating loss carryforward is subject to an 80% limitation on taxable income, does not expire, and will carry on indefinitely.

The Company recognizes the impact of a tax position in the financial statements if that position is more likely than not to be sustained on a tax return upon examination by the relevant taxing authority, based on the technical merits of the position. As of December 31, 2024, and December 31, 2023, the Company had no unrecognized tax benefits.

The Company recognizes interest and penalties related to income tax matters in income tax expense. As of December 31, 2024, and December 31, 2023, the Company had no accrued interest and penalties related to uncertain tax positions.

9. CONTINGENCIES AND COMMITMENTS**Contingencies**

The Company's operations are subject to a variety of local, state, and federal regulations. Failure to comply with these requirements may result in fines, penalties, restrictions on operations, or losses of permits, which will have an adverse impact on the Company's operations and might result in an outflow of economic resources.

Litigation and Claims

From time to time, the Company may be involved in or exposed to litigation arising from operations in the normal course of business. As of December 31, 2024, and December 31, 2023, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

10. RELATED PARTY TRANSACTIONS

There are no related party transactions as of December 31, 2024.

11. SUBSEQUENT EVENTS

In December 2024, the Company entered into an additional SAFE agreement for \$100,000, with funds received in January 2025. This SAFE's valuation CAP is set to \$9,000,000 and discount rate is 80%.

In 2025, the Company issued three Simple Agreements for Future Equity (SAFEs) totaling \$290,000. All SAFEs share the same terms, including a valuation cap of \$9,000,000 and an 80% discount rate.

12. GOING CONCERN

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has a net operating loss of \$94,231, an operating cash flow loss of \$12,112 and liquid assets in cash of \$113,529, an amount that, at the time, represented less than one year's worth of operational reserves. These factors normally raise substantial doubt

HIGHTAG INC.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024 AND DECEMBER 31, 2023

about the Company's ability to continue as a going concern. However, subsequent to year-end, the Company improved its liquidity position by completing additional investments, mitigating prior concerns regarding its short-term cash needs.

The Company's ability to continue as a going concern in the next twelve months following the date the financial statements were available to be issued is dependent upon its ability to produce revenues and/or obtain financing sufficient to meet current and future obligations and deploy such to produce profitable operating results.

Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. During the next twelve months, the Company intends to fund its operations through debt and/or equity financing.

There are no assurances that management will be able to raise capital on terms acceptable to the Company. If it is unable to obtain sufficient amounts of additional capital, it may be required to reduce the scope of its planned development, which could harm its business, financial condition, and operating results. The accompanying financial statements do not include any adjustments that might result from these uncertainties.

The Board of Directors of
Hightag Inc.
110 NW 2nd Street, Suite 210
Bentonville, Arkansas 72712

Ladies and Gentlemen:

The undersigned (the “**Investor**”) understands that Hightag Inc., a Delaware corporation, (the “**Company**”), is conducting an offering (the “**Offering**”) under Section 4(a)(6) of the Securities Act of 1933, as amended (the “**Securities Act**”) and Regulation Crowdfunding promulgated thereunder. This Offering is made pursuant to the Form C, as the same may be amended from time to time, filed by the Company with the SEC (the “**Form C**”). The Company is offering to both accredited and non-accredited investors up to 667,567 shares of its Common Stock, \$0.00001 par value (“**Securities**”), at a price of \$1.85 per Share (the “**Purchase Price**”). The minimum amount or target amount to be raised in the Offering is \$75,000.00 (the “**Target Offering Amount**”) and the maximum amount to be raised in the offering is 1,234,998.95 (the “**Maximum Offering Amount**”). If the Offering is oversubscribed beyond the Target Offering Amount, the Company will sell Securities on a first-come, first-serve basis. The Company is offering the Securities to prospective investors through OpenDeal Portal LLC d/b/a Republic (the “**Portal**”). The Portal is registered with the Securities and Exchange Commission (the “**SEC**”), as a funding portal and is a funding portal member of the Financial Industry Regulatory Authority. The Company will pay the Portal a cash fee equal to the greater

of (A) \$15,000.00 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$100,000.00, and (2) 6% of any amounts raised in the Offering exceeding \$100,000.01 but not exceeding the Maximum Offering Amount. The Portal will also receive compensation in the form of the Securities equal to two 2% of the total Securities sold in the Offering. Investors should carefully review the Form C, which is available on the web-platform of the Portal at <https://republic.com/hightag> (the “**Deal Page**”). Capitalized terms used and not defined in this Subscription Agreement have their respective meanings assigned to them in the Form C.

1. Subscription; Custodian; Securities Entitlement.

(a) Subscription. Subject to the terms of this Subscription Agreement and the Form C, the Investor hereby subscribes to purchase the number of Securities equal to the quotient of the Investor’s subscription amount as indicated through the Portal’s platform divided by the Purchase Price, and shall pay the aggregate Purchase Price in the manner specified in the Form C and as per the directions of the Portal through the Deal Page. In the event the foregoing results in the Investor receiving a fractional share, the number of Securities the Investor will receive will be rounded down to the nearest whole share. Such subscription shall be deemed to be accepted by the Company only when this Subscription Agreement is countersigned and delivered on the Company’s behalf subject to Sections 18 and 19. No person may subscribe for Securities in the Offering after the Offering campaign deadline as specified in the Form C and on the Deal Page (the “**Offering Deadline**”).

(b) Custodian; Securities Entitlement. The Company and the Investor authorize BitGo Trust Company, Inc. and its successors and assigns (the “**Custodian**”), as the custodian for the benefit of the Investor, to hold the Securities and any securities that may be issued upon conversion thereof in registered form in its name or the name of its nominees for the benefit of the Investor and the Investor’s permitted assigns. The Investor acknowledges and agrees that upon any acceptance of this Subscription Agreement, the Company shall issue and deliver the Securities to the Custodian, who shall solely hold such securities for the benefit of the Investor and shall be a “protected purchaser” of such Shares within the meaning of Section 8-303 of the Delaware Uniform Commercial Code, which shall be in book entry uncertificated form, and that the Investor shall hold and acquire only a “securities entitlement” within the meaning of Section 8-501 of the Delaware Uniform Commercial Code in the Securities equal to the ratio of the Investor’s purchase amount to the aggregate purchase amounts of the Securities in the Offering. Company and Investor acknowledge and agree that the Custodian may assign any and all of its agreements with Investor, delegate its duties thereunder, and transfer Investor’s Securities to any of its affiliates or to its successors and assigns, whether by merger, consolidation, or otherwise, in each case, without the consent of the Investor or the Company. Investor acknowledges and agrees that Investor may not assign or transfer any of its rights or obligations under such agreements without the Custodian’s prior written consent, and any attempted transfer or assignment in violation hereof shall be null and void.

2. Closing.

(a) Closing. Subject to Section 2(b), the closing of the sale and purchase of the Securities pursuant to this Subscription Agreement (the “**Closing**”) shall take place through the Portal on date of any Initial Closing, Subsequent Closing or the Offering Deadline (each, a “**Closing Date**”) in accordance with the Form C.

(b) Closing Conditions. Closing is conditioned upon satisfaction of all the following conditions:

(i) prior to the Offering Deadline, the Company shall have received aggregate subscriptions for Securities in an aggregate investment amount of at least the Target

Offering Amount;

(ii) at the time of the Closing, the Company shall have received into the escrow account, established by the Portal and the escrow agent, in cleared funds, and is accepting, subscriptions for Securities having an aggregate investment amount of at least the Target Offering Amount; and

(iii) the representations and warranties of the Company contained in Section 5 hereof and of the Investor contained in Section 4 hereof shall be true and correct as of the Closing in all respects with the same effect as though such representations and warranties had been made as of the Closing.

3. Termination of the Offering; Other Offerings. The Investor understands that the Company may withdraw the Offering at any time by filing a Form C-W, in which case the Company will return all funds to Investors. If the Target Offering Amount is met after twenty-one (21) calendar days, but before the Offering Deadline, the Company can terminate the Offering by providing notice to Investors at least five (5) business days prior to the end of the Offering. The Investor further understands that during and following termination of the Offering, the Company may undertake offerings of other securities, which may or may not be on terms more favorable to an investor than the terms of this Offering.

4. Undersigned's Representations. The Investor represents and warrants to the Company and the Company's agents as follows:

(a) The Investor understands and accepts that the purchase of the Securities involves various risks, including the risks outlined in the Form C and in this Subscription Agreement. The Investor can bear the economic risk of this investment and can afford a complete loss thereof; the Investor has sufficient liquid assets to pay the full purchase price for the Securities; and the Investor has adequate means of providing for its current needs and possible contingencies and has no present need for liquidity of the Investor's investment in the Company.

(b) The Investor acknowledges that at no time has it been expressly or implicitly represented, guaranteed or warranted to the Investor by the Company or any other person that a percentage of profit and/or amount or type of gain or other consideration will be realized because of the purchase of the Securities or otherwise about the success of the Company.

(c) The Investor (i) either qualifies as an "accredited investor" as defined by Rule 501(a) promulgated under the Securities Act or has not exceeded the investment limit as set forth in Rule 100(a)(2) of Regulation Crowdfunding, (ii) has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of the prospective investment and (iii) has truthfully submitted the required information to the Portal to evidence these representations. The Investor agrees and covenants that the Investor will maintain accurate and up-to-date contact information (including email and mailing address) on Portal and will promptly update such information in the event it changes or is no longer accurate.

(d) The Investor has received and reviewed a copy of the Form C. With respect to information provided by the Company, the Investor has relied solely on the information contained in the Form C to make the decision to purchase the Securities and has had an opportunity to ask questions and receive answers about the Form C, the Offering and the Investor's investment in the Securities.

(e) The Investor confirms that it is not relying and will not rely on any communication (written or oral) of the Company, the Portal, the escrow agent, or any of their respective

affiliates, as investment advice or as a recommendation to purchase the Securities. It is understood that information and explanations related to the terms and conditions of the Securities provided in the Form C or otherwise by the Company, the Portal or any of their respective affiliates shall not be considered investment advice or a recommendation to purchase the Securities, and that neither the Company, the Portal nor any of their respective affiliates is acting or has acted as an advisor to the Investor in deciding to invest in the Securities. The Investor acknowledges that neither the Company, the Portal nor any of their respective affiliates have made any representation regarding the proper characterization of the Securities for purposes of determining the Investor's authority or suitability to invest in the Securities.

(f) The Investor is familiar with the business and financial condition and operations of the Company, including all as generally described in the Form C. The Investor has had access to such information concerning the Company and the Securities as it deems necessary to enable it to make an informed investment decision concerning the purchase of the Securities.

(g) The Investor understands that, unless the Investor notifies the Company in writing to the contrary at or before the Closing, each of the Investor's representations and warranties contained in this Subscription Agreement will be deemed to have been reaffirmed and confirmed as of the Closing, taking into account all information received by the Investor.

(h) The Investor acknowledges that the Company has the right in its sole and absolute discretion to abandon this Offering at any time prior to the completion of the Offering. This Subscription Agreement shall thereafter have no force or effect and the Company shall return any previously paid subscription price of the Securities, without interest thereon, to the Investor.

(i) The Investor understands that no federal or state agency has passed upon the merits or risks of an investment in the Securities or made any finding or determination concerning the fairness or advisability of this investment.

(j) The Investor has up to 48 hours before the Offering Deadline to cancel the Investor's subscription and receive a full refund.

(k) The Investor confirms that the Company has not (i) given any guarantee or representation as to the potential success, return, effect or benefit (either legal, regulatory, tax, financial, accounting or otherwise) of an investment in the Securities or (ii) made any representation to the Investor regarding the legality of an investment in the Securities under applicable legal investment or similar laws or regulations. In deciding to purchase the Securities, the Investor is not relying on the advice or recommendations of the Company and the Investor has made its own independent decision, alone or in consultation with its investment advisors, that the investment in the Securities is suitable and appropriate for the Investor.

(l) The Investor has such knowledge, skill and experience in business, financial and investment matters that the Investor is capable of evaluating the merits and risks of an investment in the Securities. With the assistance of the Investor's own professional advisors, to the extent that the Investor has deemed appropriate, the Investor has made its own legal, tax, accounting and financial evaluation of the merits and risks of an investment in the Securities and the consequences of this Subscription Agreement. The Investor has considered the suitability of the Securities as an investment in light of its own circumstances and financial condition and the Investor is able to bear the risks associated with an investment in the Securities and its authority to invest in the Securities.

(m) The Investor is acquiring the Securities solely for the Investor's own beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution

of the Securities. The Investor understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof which depend in part upon the investment intent of the Investor and of the other representations made by the Investor in this Subscription Agreement. The Investor understands that the Company is relying upon the representations and agreements contained in this Subscription Agreement (and any supplemental information provided by the Investor to the Company or the Portal) for the purpose of determining whether this transaction meets the requirements for such exemptions.

(n) The Investor understands that the Securities are restricted from transfer for a period of time under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that the Investor may dispose of the Securities only pursuant to an effective registration statement under the Securities Act, an exemption therefrom or as further described in Rule 501 of Regulation Crowdfunding, after which certain state restrictions may apply. The Investor understands that the Company has no obligation or intention to register any of the Securities, or to take action so as to permit sales pursuant to the Securities Act. Even if and when the Securities become freely transferable, a secondary market in the Securities may not develop. Consequently, the Investor understands that the Investor must bear the economic risks of the investment in the Securities for an indefinite period of time.

(o) The Investor agrees that the Investor will not sell, assign, pledge, give, transfer or otherwise dispose of the Securities or any interest therein or make any offer or attempt to do any of the foregoing, except pursuant to Rule 501 of Regulation Crowdfunding.

(p) If the Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Investor hereby represents and warrants to the Company that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. The Investor's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Investor's jurisdiction.

(q) The Investor has full legal capacity, power and authority to execute and deliver this instrument and to perform its obligations hereunder. This instrument constitutes a valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(r) The Investor has been advised that this instrument and the underlying securities have not been registered under the Securities Act or any state securities laws and are offered and sold hereby pursuant to Section 4(a)(6) of the Securities Act. The Investor understands that neither this instrument nor the underlying securities may be resold or otherwise transferred unless they are registered under the Securities Act and applicable state securities laws or pursuant to Rule 501 of Regulation CF, in which case certain state transfer restrictions may apply.

(s) The Investor understands that no public market now exists for any of the securities issued by the Company, and that the Company has made no assurances that a public market will ever exist for this instrument and the securities to be acquired by the Investor hereunder.

(t) The Investor is not (i) a citizen or resident of a geographic area in which the

subscription of or holding of the Subscription Agreement and the underlying securities is prohibited by applicable law, decree, regulation, treaty, or administrative act, (ii) a citizen or resident of, or located in, a geographic area that is subject to U.S. or other applicable sanctions or embargoes, or (iii) an individual, or an individual employed by or associated with an entity, identified on the U.S. Department of Commerce's Denied Persons or Entity List, the U.S. Department of Treasury's Specially Designated Nationals List, the U.S. Department of State's Debarred Parties List or other applicable sanctions lists. The Investor hereby represents and agrees that if the Investor's country of residence or other circumstances change such that the above representations are no longer accurate, the Investor will immediately notify Company. The Investor further represents and warrants that it will not knowingly sell or otherwise transfer any interest in the Subscription Agreement or the underlying securities to a party subject to U.S. or other applicable sanctions.

(u) If the Investor is a corporate entity: (i) such corporate entity is duly incorporated, validly existing and in good standing under the laws of the state of its incorporation, and has the power and authority to enter into this Subscription Agreement; (ii) the execution, delivery and performance by the Investor of the Subscription Agreement is within the power of the Investor and has been duly authorized by all necessary actions on the part of the Investor; (iii) to the knowledge of the Investor, it is not in violation of its current charter or bylaws, any material statute, rule or regulation applicable to the Investor; and (iv) the performance of this Subscription Agreement does not and will not violate any material judgment, statute, rule or regulation applicable to the Investor; result in the acceleration of any material indenture or contract to which the Investor is a party or by which it is bound, or otherwise result in the creation or imposition of any lien upon the Amount.

(v) **HIGH RISK INVESTMENT. THE INVESTOR UNDERSTANDS THAT AN INVESTMENT IN THE SECURITIES INVOLVES A HIGH DEGREE OF RISK.** The Investor acknowledges that (a) any projections, forecasts or estimates as may have been provided to the Investor are purely speculative and cannot be relied upon to indicate actual results that may be obtained through this investment; any such projections, forecasts and estimates are based upon assumptions which are subject to change and which are beyond the control of the Company or its management; (b) the tax effects which may be expected by this investment are not susceptible to absolute prediction, and new developments and rules of the Internal Revenue Service (the "IRS"), audit adjustment, court decisions or legislative changes may have an adverse effect on one or more of the tax consequences of this investment; and (c) the Investor has been advised to consult with his own advisor regarding legal matters and tax consequences involving this investment.

5. **Company Representations.** The Investor understands that upon issuance to the Investor of any Securities, the Company will be deemed to have made the following representations and warranties to the Investor as of the date of such issuance:

(a) **Corporate Power.** The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) **Enforceability.** This Subscription Agreement, when executed and delivered by the Company, shall constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

(c) **Valid Issuance.** The Securities, when issued, sold and delivered in accordance with the terms and for the consideration set forth in this Subscription Agreement and the Form C, will be validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on

transfer arising under this Subscription Agreement, the Certificate of Incorporation, as amended and/or restated from time to time, and Bylaws of the Company, or under applicable state and federal securities laws and liens or encumbrances created by or imposed by a subscriber.

(d) Authorization. The execution, delivery and performance by the Company of this instrument is within the power of the Company and, other than with respect to the actions to be taken when equity is to be issued hereunder, has been duly authorized by all necessary actions on the part of the Company. This instrument constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. The Company is not in violation of (i) its current charter or bylaws; (ii) any material statute, rule or regulation applicable to the Company; or (iii) any material indenture or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company or its operations.

(e) No Conflict. The execution, delivery and performance of and compliance with this Subscription Agreement and the issuance of the Securities will not result in any violation of, or conflict with, or constitute a default under, the Company's Certificate of Incorporation and Bylaws, as amended, and will not result in any violation of, or conflict with, or constitute a default under, any agreements to which the Company is a party or by which it is bound, or any statute, rule or regulation, or any decree of any court or governmental agency or body having jurisdiction over the Company, except for such violations, conflicts, or defaults which would not individually or in the aggregate, have a material adverse effect on the business, assets, properties, financial condition or results of operations of the Company.

(f) Operation. The performance and consummation of the transactions contemplated by this instrument do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material indenture or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property, asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(g) Consents. No consents, waivers, registrations, qualifications or approvals are required in connection with the execution, delivery and performance of this Agreement and the transactions contemplated hereby, other than: (i) the Company's corporate, board and/or shareholder approvals which have been properly obtained, made or effected, as the case may be, and (ii) any qualifications or filings under applicable securities laws.

(h) Securities Matters. The Company is not subject to the requirement to file reports pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934. The Company is not an investment company, as defined in section 3 of the Investment Company Act of 1940 and is not excluded from the definition of investment company by section 3(b) or section 3(c) of that Act. The Company is not disqualified from offering or selling securities in reliance on section 4(a)(6) of the Securities Act as a result of a disqualification as specified in Rule 503 of the Regulation CF. The Company has a specific business plan and has not indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies. To the extent required, the Company has filed with the SEC and provide to its investors the ongoing annual reports required under Regulation CF during the two years immediately preceding the filing of the Form C. The Company is organized under, and subject to, the laws of a state or territory of the United States or the District of Columbia.

(i) Transfer Agent. Company has, or will shortly after the issuance of this instrument,

engage a transfer agent registered with the SEC to act as the sole registrar and transfer agent for the Company with respect to the Securities.

6. Indemnification. The Investor acknowledges that the Company and the Custodian and each of their respective founders, officers, directors, employees, agents, and affiliates, are relying on the truth and accuracy of the foregoing representations and warranties in offering Securities for sale to the Investor without having first registered the issuance of the Securities under the Securities Act or the securities laws of any state. Custodian will make reasonable efforts to ensure that Client initiated deposits are processed in a timely manner, but Custodian makes no representations or warranties regarding the amount of time needed to complete processing of deposits which is dependent upon factors outside of Custodian's control.

- 2.6. Supported Digital Assets.** The Custodial Services are available only in connection with those Digital Assets that Custodian supports (list currently available at <https://www.bitgo.com/resources/coins>). The Digital Assets that Custodian supports may change from time to time in Custodian's discretion. Custodian assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Custodian does not support. Custodian may, from time to time, determine types of Digital Assets that will be supported or cease to be supported by the Custodial Services. Custodian will use commercially reasonable efforts to provide Client with thirty (30) days' prior written notice before ceasing to support a Digital Asset, unless Custodian is required to cease such support sooner to comply with Applicable Law or in the event such support creates an urgent security or operational risk in Custodian's reasonable discretion (in which event Custodian will provide as much notice as is practicable under the circumstances). Under no circumstances should Client attempt to use the Custodial Services to deposit or store any Digital Assets that are not supported by Custodian. Depositing or attempting to deposit Digital Assets that are not supported by Custodian will result in such Digital Asset being unretrievable by Client and Custodian.

- 2.7. Advanced Protocols.** Unless specifically announced on the Custodian or Company website, Custodian does not support airdrops, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Custodian (collectively, "Advanced Protocols"). Client shall not use its Custodial Account to

attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. Custodian assumes absolutely no responsibility whatsoever in respect to Advanced Protocols.

2.8. Operation of Digital Asset Protocols.

- (a) Custodian does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Custodian platform. By using the Custodial Services, Client acknowledges and agrees that (i) Custodian is not responsible for operation of the underlying protocols and that Custodian makes no guarantee of their functionality, security, or availability; and (ii) the underlying protocols are subject to sudden changes in operating rules (a.k.a. “forks”), and (iii) that such forks may materially affect the value, function, and/or even the name of the Digital Assets that Client stores in Client’s Custodial Account. In the event of a fork, Client agrees that Custodian may temporarily suspend Custodian operations with respect to the affected Digital Assets (with or without advance notice to Client) and that Custodian may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. Client acknowledges and agrees that Custodian assumes absolutely no liability whatsoever in respect of an unsupported branch of a forked protocol or its determination whether or not to support a forked protocol.
- (b) Client agrees that all “airdrops” (free distributions of certain Digital Assets) and forks will be handled by Custodian pursuant to its fork policy (the “Fork Policy”) (currently available at www.bitgo.com/resources/bitgo-fork-policy). Client acknowledges that Custodian is under no obligation to support any airdrops or forks, or handle them in any manner, except as detailed above and in the Fork Policy. Client further acknowledges that Custodian, at its sole discretion, may update the Fork Policy from time to time and/or the URL at which it is available and Client agrees that Client is responsible for reviewing any such updates. Client is under no obligation to provide notification to Client of any modification to the Fork Policy.

2.9. Account Statements.

- (a) Custodian will provide Client with an electronic account statement every calendar quarter. Each statement will be provided via the Custodian’s website and notice of its posting will be sent via electronic mail.
- (b) The Client will have forty-five (45) days to file any written objections or exceptions with the Custodian after the posting of a Custodial Account statement online. If the Client does not file any objections or exceptions within a forty-five (45) day period, this shall indicate the Client’s approval of the statement and will preclude the Client from making future objections or exceptions regarding the information contained in the statement. Such approval by the Client shall be full acquittal and discharge of Custodian regarding the transactions and information on such statement.
- (c) To value Digital Assets held in the Client’s account, the Custodian will electronically obtain USD equivalent prices from digital asset market data with amounts rounded up to the seventh decimal place to the right. Custodian cannot guarantee the accuracy or timeliness of prices received and the prices are not to be relied upon for any investment decisions for the Client’s account.

- 2.10. Independent Verification.** If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Custodian shall, upon written request, provide Client’s authorized independent public accountant confirmation of, or access to, information sufficient to confirm (i) Client’s

Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client's Digital Assets are held either in a separate account under Client's name or in accounts under Client's name as agent or trustee for Client's clients.

- 2.11. Support and Service Level Agreement.** Custodian will use commercially reasonable efforts: (i) to provide reasonable technical support to Client, by email or telephone, during Custodian's normal business hours (9:30 AM to 6 PM ET); (ii) to respond to support requests in a timely manner; (iii) resolve such issues by providing updates and/or workarounds to Client (to the extent reasonably possible and practical), consistent with the severity level of the issues identified in such requests and their impact on Client's business operations; (iv) abide by the terms of the Service Level Agreement currently made available at <https://www.bitgo.com/resources/bitgo-service-level-agreement> (as Service Level Agreement or the URL at which it is made available may be amended from time to time); and (vii) to make Custodial Accounts available via the internet 24 hours a day, 7 days a week.

2.12. Clearing and Settlement Services.

- (a) Custodian may offer clearing and settlement services (the "Settlement Services") that facilitate the settlement of transactions of Digital Assets, Securities, or Fiat Currency between Client and Client's trade counterparty that also has a Custodial Account with Custodian ("Settlement Partner"). Client acknowledges that the Settlement Service is an API product complemented by a Web user interface (UI). Clients may utilize the Settlement Services by way of settlement of one-sided requests with counterparty affirmation or one-sided requests with instant settlement; and two-sided requests with reconciliation. Client understands that the Assets available for use within the Settlement Services may not include all of Client's Assets under custody. For the avoidance of doubt, use of the API product is subject to the terms and conditions set forth in Section 1.4 of this Agreement.
- (b) The Settlement Services allow Client to submit, through the Custodian's settlement platform, a request to settle a purchase or sale of Assets with a Settlement Partner. Client authorizes Custodian to accept Client's cryptographic signature submitted by way of the Settlement Services API. When a cryptographic signature is received by way of the Settlement Services along with the settlement transaction details, Client is authorizing Custodian to act on Client's direction to settle such transaction.
- i. A one-sided request with counterparty affirmation requires Client to submit a request, including its own cryptographic signature on the trade details, via API calls. Custodian will notify the Settlement Partner and lock funds of both parties while waiting for the Settlement Partner to affirm the request. Custodian will settle the trade immediately upon affirmation and the locked funds will be released.
 - ii. A one-sided request with instant settlement requires one side of the trade to submit a request, including cryptographic signatures of both parties to the trade, via API calls. Custodian will settle the trade immediately.
 - iii. A two-sided request with reconciliation requires that both Client and Settlement Partner submit requests via API calls, with each party providing their own cryptographic signatures. Custodian will reconcile the trades and settle immediately upon successful reconciliation.
 - iv. In any one-sided or two sided request, the Settlement Partner must be identified and selected by Client prior to submitting a settlement request.

- v. Client may submit a balance inquiry through the settlement platform, to verify that Settlement Partner has a sufficient balance of the applicable Asset(s) to be transacted before the Parties execute a transaction. This balance inquiry function is to be utilized only for the purpose of executing a trade transaction to ensure the Settlement Partner has sufficient Assets to settle the transaction. Client hereby expressly authorizes and consents to Custodian providing access to such information to Client's Settlement Partner in order to facilitate the settlement.
 - vi. Client and Settlement Partner's Custodial Accounts must have sufficient Assets prior to initiating any settlement request. The full amount of assets required to fulfill a transaction are locked until such order has been completed. All orders are binding on Client and Client's Custodial Account. Custodian does not guarantee that any settlement will be completed by any Settlement Partner. Client may not be able to withdraw an offer (or withdraw its acceptance of an offer) prior to completion of a settlement and Custodian shall not be liable for the completion of any order after a cancellation request has been submitted.
 - vii. Client acknowledges and accepts responsibility for ensuring only an appropriate Authorized Person of its Custodial Account has access to the API key(s).
 - viii. Client further understands and agrees that Client is solely responsible for any decision to enter into a settlement by way of the Settlement Services, including the evaluation of any and all risks related to any such transaction and has not relied on any statement or other representation of Custodian. Client understands that Custodian is a facilitator and not a counterparty to any settlement; and, as a facilitator, Custodian bears no liability with respect to any transaction and does not assume any clearing risk.
 - ix. Any notifications that Client may receive regarding the Settlement Services are Client's responsibility to review in a timely manner.
- (c) Upon execution of the settlement, the Settlement Services shall provide Client, by electronic means, a summary of the terms of the transaction, including: the type of Digital Asset or Securities purchased or sold; the delivery time; and the purchase or sale price. Settlement of a transaction is completed in an omnibus account by way of offsetting ledger transactions.
 - (d) Custodian reserves the right to refuse to settle any transaction, or any portion of any transaction, for any reason, at its sole discretion. Custodian bears no responsibility if any such order was placed or active during any time the Settlement Services system is unavailable or encounters an error; or, if any such order triggers certain regulatory controls.
 - (e) Client understands and agrees that Custodian may charge additional fees for the Settlement Services furnished to Client as indicated in the Fee Schedule attached as Schedule A and any amendments to Schedule A.
 - (f) Clearing and settlement transactions shall be subject to all Applicable Law.

3. USE OF SERVICES.

- 3.1. Company Site and Content.** Custodian hereby grants Client a limited, nonexclusive, non transferable, revocable, royalty-free license, subject to the terms of this Agreement, to access and

use the Company Site and related content, materials, information (collectively, the “Content”) solely for using the Services in accordance with this Agreement. Any other use of the Company Site or Content is expressly prohibited and all other right, title, and interest in the Company Site or Content is exclusively the property of Custodian and its licensors. Client shall not copy, transmit, distribute, sell, license, reverse engineer, modify, publish, or participate in the transfer or sale of, create derivative works from, or in any other way exploit any of the Content, in whole or in part. “www.bitgo.com,” “BitGo,” “BitGo Custody,” and all logos related to the Custodial Services or displayed on the Company Site are either trademarks or registered marks of Custodian or its licensors. Client may not copy, imitate or use them without Custodian’s prior written consent in each instance.

- 3.2. **Website Accuracy.** Although Custodian intends to provide accurate and timely information on the Company Site, the Company Site (including, without limitation, the Content, but excluding any portions thereof that are specifically referenced in this Agreement) may not always be entirely accurate, complete, or current and may also include technical inaccuracies or typographical errors. In an effort to continue to provide Client with as complete and accurate information as possible, such information may be changed or updated from time to time without notice, including without limitation information regarding Custodian policies, products and services. Accordingly, Client should verify all information before relying on it, and all decisions based on information contained on the Company Site are Client’s sole responsibility and Custodian shall have no liability for such decisions. Links to third-party materials (including without limitation websites) may be provided as a convenience but are not controlled by Custodian. Custodian is not responsible for any aspect of the information, content, or services contained in any third-party materials or on any third-party sites accessible from or linked to the Company Site.
- 3.3. **Third-Party or Non-Permissioned Users.** Client acknowledges that granting permission to a third party or non-permissioned user to take specific actions on Client’s behalf does not relieve Client of any of Client’s responsibilities under this Agreement and may violate the terms of this Agreement. Client is fully responsible for all activities taken on Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Further, Client acknowledges and agrees that Client will not hold Custodian responsible for, and will indemnify, defend and hold harmless the Custodian Indemnitees (as defined below) from and against any Losses arising out of or related to any act or omission of any party using Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Client must notify Custodian immediately if a third party or non-permissioned user accesses or connects to Client’s Custodial Account by contacting Client’s Custodial Account representative or by emailing security@bitgo.com from the email address associated with Client’s Custodial Account.
- 3.4. **Prohibited Use.** Client acknowledges and agrees that Custodian may monitor use of the Services and the resulting information may be utilized, reviewed, retained and or disclosed by Custodian in aggregated and non-identifiable forms for its legitimate business purposes or in accordance with Applicable Law. Client will not use the Services, directly or indirectly via the Developer Application, to: (i) upload, store or transmit any content that is infringing, libelous, unlawful, tortious, violate privacy rights, or that includes any viruses, software routines or other code designed to permit unauthorized access, disable, erase, or otherwise harm software, hardware, or data; (ii) engage in any activity that interferes with, disrupts, damages, or accesses in an unauthorized manner the Services, servers, networks, data, or other properties of Custodian or of its suppliers or licensors; (iii) develop, distribute, or make available the Developer Application in any way in furtherance of criminal, fraudulent, or other unlawful activity; (iv) make the

Services available to, or use any Services for the benefit of, anyone other than Client or end users of the Developer Application; (v) sell, resell, license, sublicense, distribute, rent or lease any Services, or include any Services in a Services bureau or outsourcing offering; (vi) permit direct or indirect access to or use of any Services in a way that circumvents a contractual usage limit; (vii) obscure, remove, or destroy any copyright notices, proprietary markings or confidential legends; (viii) to build a competitive product or service; (ix) distribute the Developer Application in source code form in a manner that would disclose the source code of the Services; or (x) reverse engineer, decrypt, decompile, decode, disassemble, or otherwise attempt to obtain the human readable form of the Services, to the extent such restriction is permitted by applicable law. Client will comply with the restrictions set forth in Appendix 1.

3.5. Security; Client Responsibilities.

- (a) Client is responsible for maintaining adequate security and control of any and all Client Keys, IDs, passwords, hints, personal identification numbers, non-custodial wallet keys, API keys, yubikeys, 2-factor authentication devices or backups, or any other codes that Client uses to access the Services. Any loss or compromise of the foregoing information and/or Client's personal information may result in unauthorized access to Client's Custodial Account by third parties and the loss or theft of Assets. Client is responsible for keeping Client's email address and telephone number up to date in Client's profile in order to receive any notices or alerts that Custodian may send Client. Custodian assumes no responsibility for any loss that Client may sustain due to compromise of login credentials due to no fault of Custodian and/or failure to follow or act on any notices or alerts that Custodian may send to Client. In the event Client believes Client's Custodial Account information has been compromised, Client will contact Custodian Support immediately at security@bitgo.com.
- (b) Client will ensure that all Authorized Persons will be adequately trained to safely and securely access the Services, including understanding of general security principles regarding passwords and physical security of computers, keys, and personnel.
- (c) Client will immediately notify Custodian of any unauthorized access, use or disclosure of Client's Account credentials, or any relevant breach or suspected breach of security (including breach of Client's systems, networks or developer applications). Client will provide Custodian with all relevant information Custodian reasonably requests to assess the security of the assets, Custodial Accounts and wallets.

- 3.6. Taxes.** The Client will, for all tax purposes, be treated as the owner of all Assets held by the Custodian pursuant to this Agreement. It is the Client's sole responsibility to determine whether and to what extent Taxes and Tax reporting obligations may apply to the Client with respect to its Assets, Custodial Accounts, and transactions, and the Client will timely pay all such taxes and will file all returns, reports, and disclosures required by Applicable Law. Client is solely responsible for any taxes applicable to any deposits or withdrawals Client conducts through the Custodial Services, and for withholding, collecting, reporting, and/or remitting the correct amount of taxes to the appropriate tax authorities. Client's deposit and withdrawal history is available by accessing Client's Custodial Account through the Company Site or by contacting Custodian directly. If Custodian or an affiliate of Custodian has a legal obligation to pay or collect taxes for which Client is responsible, Client will be invoiced for the relevant amount and Client will pay that amount unless Client provides the Custodian or relevant affiliate of Custodian with a valid tax exemption certificate authorized by the appropriate taxing authority.

- 3.7. Third Party Providers.** Client acknowledges and agrees that the Services may be provided from time to time by, through or with the assistance of affiliates of or vendors to Custodian, including

BitGo Inc. as described above. Custodian shall remain liable for its obligations under this Agreement in the event of any breach of this Agreement caused by such affiliates or any vendor.

3.8. Developer Applications.

- (a) Subject to Custodian's acceptance of Client as a developer, and subject to Client's performance of its obligations under this Agreement, Custodian grants Client a nonassignable, non-transferrable, revocable, personal and non-exclusive license under Custodian's applicable intellectual property rights to use and reproduce the Custodian software development kit for Developer Applications.
- (b) Client agrees that all end users of any Developer Application will be subject to the same use restrictions that bind Client under this Agreement (including under Section 3.4 (Prohibited Use) and Appendix 1).
- (c) Client is solely responsible and has sole liability for Client's end users that access or use the Services via the Developer Application and all acts or omissions taken by such end users will be deemed to have been taken (or not taken) by Client. Client is responsible for the accuracy, quality and legality of Developer Application content and user data. Client will comply with, and ensure that Client's Developer Application and end users comply with all Applicable Law.

4. CUSTODIAN OBLIGATIONS.

- 4.1. Insurance.** Custodian will obtain and/or maintain insurance coverage in such types and amounts as are commercially reasonable for the Custodial Services provided hereunder. Client acknowledges that any insurance related to theft of Digital Assets will apply to Custodial Services only (where keys are held by Custodian) and not Wallet Services for non-custodial accounts (where keys are held by Client).
- 4.2. Standard of Care.** Custodian will use commercially reasonable efforts in performing its obligations under this Agreement. Subject to the terms of this Agreement, Custodian shall not be responsible for any loss or damage suffered by Client as a result of the Custodian performing such duties unless the same results from an act of gross negligence, fraud, or willful misconduct on the part of the Custodian. Custodian shall not be responsible for the title, validity or genuineness of any of the Assets (or any evidence of title thereto) received or delivered by it pursuant to this Agreement.
- 4.3. Business Continuity Plan.** Custodian has established a business continuity plan that will support its ability to conduct business in the event of a significant business disruption ("SBD"). This plan is reviewed and updated annually, and can be updated more frequently, if deemed necessary by Custodian in its sole discretion. Should Custodian be impacted by an SBD, Custodian aims to minimize business interruption as quickly and efficiently as possible. To receive more information about Custodian's business continuity plan, please send a written request to security@bitgo.com.

5. TERM; TERMINATION.

- 5.1. Initial Term; Renewal Term.** This Agreement will commence on the Effective Date and will continue for one (1) year, unless earlier terminated in accordance with the terms of this Agreement (the "Initial Term"). After the Initial Term, this Agreement will automatically renew for successive one-year periods (each a "Renewal Term"), unless either party notifies the other of its intention not to renew at least sixty (60) days prior to the expiration of the then-current Term. "Term" means the Initial Term and any Renewal Term.

5.2. Termination for Breach. Either party may terminate this Agreement if the other party breaches a material term of this Agreement and fails to cure such breach within thirty (30) calendar days following written notice thereof from the other party.

5.3. Suspension, Termination, or Cancellation by Custodian.

(a) Custodian may suspend or restrict Client's access to the Custodial Services and/or deactivate, terminate or cancel Client's Custodial Account if:

- i. Custodian is so required by a facially valid subpoena, court order, or binding order of a government authority;

- iii. Custodian perceives a risk of legal or regulatory non-compliance associated with Client's Custodial Account activity or the provision of the Custodial Account to Client by Custodian (including but not limited to any risk perceived by Custodian in the review of any materials, documents, information, statements or related materials provided by Client after execution of this Agreement);
- iv. Custodian service partners are unable to support Client's use;
- v. Client takes any action that Custodian deems as circumventing Custodian's controls, including, but not limited to, opening multiple Custodial Accounts, abusing promotions which Custodian may offer from time to time, or otherwise misrepresenting of any information set forth in Client's Custodial Account;
- vi. Client fails to pay fees for a period of 90 days; or
- vii. Client's Custodial Account has no Digital Assets, Fiat Currency, or Securities for 180 consecutive days.

(b) If Custodian suspends or restricts Client's access to the Custodial Services and/or deactivates, terminates or cancels Client's Custodial Account for any reason, Custodian will provide Client with notice of Custodian's actions via email unless prohibited by Applicable Law. Client acknowledges that Custodian's decision to take certain actions, including limiting access to, suspending, or closing Client's Custodial Account, may be based on confidential criteria that are essential to Custodian's compliance, risk management, or and security protocols. Client agrees that Custodian is under no obligation to disclose the details of any of its internal risk management and security procedures to Client.

(c) If Custodian terminates Client's Custodial Account, this Agreement will automatically terminate on the later of (i) the effective date of such cancellation or (ii) the date on which all of Client's funds are withdrawn.

5.4. Effect of Termination. On termination of this Agreement, (A) Client will shall withdraw all Assets associated with Client's Custodial Account within ninety (90) days after Custodial Account termination or cancellation unless such withdrawal is prohibited by Applicable Law (including but not limited to applicable sanctions programs or a facially valid subpoena, court order, or binding order of a government authority); (B) Client will pay all fees owed or accrued to Custodian through the date of Client's withdrawal of funds, which may include any applicable withdrawal fee; (C) Client authorizes Custodian to cancel or suspend any pending deposits or withdrawals as of the effective date of termination; and (D) the definitions set forth in this Agreement and Sections 1. 7, 1. 8, 5.4, 6, 8, 9.1, 10, 11, and 12 will survive.

its termination right under this Section, (b) pays all outstanding amounts due under this Agreement through the date of termination and (c) pays a one-time early termination fee equal to the highest monthly fees due, excluding any Onboarding Fee, for any month of Services before such termination multiplied by the number of months remaining in the term, including partial months (the “Early Termination Fee”). Such termination will not be deemed effective unless and until (1) Client removes all assets from Custodial Accounts and Wallet Services, and (2) BitGo receives such Early Termination Fee, which Client understands and acknowledges will not be deemed a penalty but a figure reasonably calculated to reflect remaining payment due to Custodian in return for Client’s term commitment. Client may not cancel the subscription of Services before the expiration of their current term, except as specified herein.

Notwithstanding the foregoing, either party shall have the right, without waiving any right or remedy available to such party under this Agreement or otherwise, to seek and obtain from any court of competent jurisdiction any interim or provisional relief that is necessary or desirable to protect the rights or property of such party, pending the selection of the arbitrator hereunder or pending the arbitrator’s determination of any dispute, controversy or claim hereunder.

At Discloser's request or on termination of this Agreement (whichever is earlier), Recipient shall return or destroy all Confidential Information; provided, however, Recipient may retain one copy of Confidential Information (i) if required by law or regulation, or (ii) pursuant to a bona fide and consistently applied document retention policy; provided, further, that in either case, any Confidential Information so retained shall remain subject to the confidentiality obligations of this Agreement. For the avoidance of doubt, aggregated Depersonalized Information (as hereinafter defined) shall not be Confidential Information. Custodian shall be permitted to participate in the defense and settlement of any Claim with counsel of Custodian's choice at Custodian's expense (unless such retention is necessary because of Client's failure to assume the defense of such Claim, in which event Client shall be responsible for all such fees and costs). Client will not enter into any settlement or compromise of any such Claim, which settlement or compromise would result in any liability to any Custodian Indemnitee or constitute any admission of or stipulation to any guilt, fault or wrongdoing, without Custodian's prior written consent.
- (b) Client acknowledges and agrees that any Losses imposed on Custodian (whether in the form of fines, penalties, or otherwise) as a result of a violation by Client of any Applicable Law, may at Custodian's discretion, be passed on to Client and Client acknowledges and represents that Client will be responsible for payment to Custodian of all such Losses.

APPENDIX 2: ACH TRANSFER TERMS & CONDITIONS

1.1 Introduction. These Terms and Conditions (“ACH Transfer Terms”) apply to your use of a designated bank account for any transfers you may make to BitGo Trust Company, Inc. (“BitGo”). These ACH Transfer Terms also apply to any transfers you may request from BitGo’s designated bank account, including those related to the return of U.S. Dollars that result from the sale of your Digital Assets (as defined in the Agreement executed between you and BitGo). Please read and keep these ACH Transfer Terms.

If you choose to use a bank account as your transfer method, you accept and agree to these ACH Transfer Terms on the date of each transfer.

BitGo’s external transfer services allow you to transfer funds to your eligible accounts held at BitGo and from other eligible accounts held by you at other U.S. financial institutions, and to eligible accounts held by a third party at BitGo or other U.S. financial institutions. External transfers may only be requested:

- If the transfer is permitted by your or a third party’s external financial institution, as applicable; and
- If the transfer is permitted by law.

BitGo reserves the right to obtain such additional information as we deem reasonably necessary. You agree to promptly update your records if your email address or other information changes.

1.2 Information. You authorize BitGo to validate the external accounts through the use of a test transaction, in which one or more low value payments will be both credited to and debited from the account. The test credit will always be of the same or less amount, so that the balance in any of your accounts will never be less than the actual balance. BitGo may not use test transactions with respect to its relationship with you.

Once the test transaction is complete, we may ask you to access your account to tell us the amount of the test credit or debit or any additional information reported by your bank. We may also verify your external accounts by requiring you to submit proof of ownership of the account. Other account verification methods may also be employed at the sole discretion of BitGo.

1.3 Accounts. By using BitGo external transfer service, you represent and warrant to BitGo that you have the right to authorize and permit us to process such funds transfers or for any other purpose authorized by this agreement, and you assure us that by disclosing and authorizing us to use such information you are not violating any third-party rights. You warrant and represent that the information you are providing us is true, current, correct and complete. You hereby authorized and permit BitGo to use information submitted by you to accomplish these purposes and to configure the service to be compatible with the accounts.

You understand and agree that at all times your relationship with each account provider is independent of BitGo and your use of this service. BitGo will not be responsible for any acts or omissions by the financial institution or other provider of any account, including without limitation any modification, interruption or discontinuance of any account by such provider.

Not all types of accounts are eligible for this service. Be sure to check with your financial institution for restrictions regarding transfers among your retirement, savings, trusts, custodial, business, corporate and other account types. BitGo is not responsible for any costs or losses incurred from transfers that are not permitted under such restrictions by the provider of your account or those imposed by applicable law.

1.4 Transfer Limitations. You may use the external transfer service to transfer funds to or from an eligible BitGo account and another account held by you or a third party at another U.S. financial institution. Transfers may be scheduled to occur one time, for a future date, or on a specific recurring basis.

We reserve the right to impose and/or change transfer limits on your account from time to time in our sole discretion. We reserve the right to suspend or restrict access to use the external transfer service immediately and without prior written notice to you. You understand and agree that such action is reasonable for us to take in order to protect ourselves from loss.

1.5 Initiating and Scheduling Transfers. The cut off time for same business day transfers is [4:45 pm ET]. Any transfer initiated after the applicable cut off time will be considered as being initiated on the next business day. Any transfer initiated on Saturday, Sunday or on a bank holiday will be considered as being initiated on the next business day.

Transfer can be scheduled on either a one time or recurring basis. Processing of one-time transfers may be initiated immediately or scheduled for initiation on a future date. Recurring transfers may be used when a set amount is transferred at regular intervals.

Your transfer must be payable in U.S. dollars. Transfers that we process using your bank account will be identified as “BitGo Trust Company, Inc.” (or similar identifier) on the statement issued by your bank or other financial institution holding your account.

All questions relating to any transactions made using your bank account by us should be initially directed to us, but may also require involvement of your bank.

1.6 Recurring Transfers. In addition to authorizing one-time transfers, you can request that BitGo facilitate recurring periodic transfers from your designated bank account on a daily, weekly or monthly basis. If you have established a weekly recurring transfer, then your transfer will be scheduled to occur on the same day of each week as the initial transfer in such recurring transfer (for example, every Wednesday). If you have established a monthly recurring transfer, then your transfer will be scheduled to occur on either the first or the fifteenth day of each month, based on your election when you initiate the recurring transfer. Your initial recurring transfer will not occur until you have submitted your recurring ACH transfer request and BitGo has had a reasonable amount of time to act upon it.

Any termination or cancellation of your recurring ACH transfer instructions will be effective as soon as BitGo has received your request and had a reasonable amount of time to act upon it.

BitGo may terminate any future recurring transfer without notice at any time for any reason.

1.7 Processing Time. When setting up a new external transfer account, please allow 3 business days to process validation of the test transaction.

Once the test transaction is completed for an external account, you should allow up to 3 business days for processing a transfer.

Please note the receiving financial institution could place a hold on the funds or delay availability. With respect to withdrawals, contact the receiving financial institution for information on their funds availability policy.

1.8 Errors. You understand that we must rely on the information provided by you and you authorize us to act on any instruction which has been or reasonably appears to have been requested by you, to submit

transfer instructions on your behalf. You understand that financial institutions receiving the transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. You understand that if you provide us with incorrect information or if there is any error in your instructions we will make all reasonable efforts to reserve or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplications, ambiguities or fraud in the information that you provide. You agree not to impersonate any person or use a name that you are not authorized to use. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, BitGo reserves the right to recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

We are not responsible for errors, delays and other problems caused by or resulting from the action or inaction of financial institutions holding the account. Although we will use reasonable efforts to try to assist you in resolving any such problems, you understand that any such errors, delays or other problems are the responsibility of the relevant financial institution. Any rights you may have against a financial institution for such errors, delays or other problems are subject to the terms of the agreements you have with such financial institutions, including any time limits during which complaints must be made.

1.9 Unlawful or Prohibited Use.

You warrant to us that you will not use this service for any purpose that is unlawful or not permitted, expressly or implicitly, by the terms of this agreement or by any applicable law or regulation. You further warrant and represent that you will not use this service in any manner that could damage, disable, overburden or impair the service or interfere with any other party's use of the service.

All transfers are subject to the rules and regulations governing the relevant accounts, whether held at BitGo or elsewhere. You agree not to process any transfer from or to an account that is not allowed, under the rules and regulations applicable to such accounts.

1.10 Rejection of Transfers. We reserve the right to decline any transfer, to submit transfer instructions or to carry out change or cancellation requests for any reason. We may, at any time, decline any transfer that we believe may violate applicable law, or where we believe there are not sufficient funds in your account to process any requested transfer. BitGo, in its sole discretion, may require that any or all Digital Assets purchased with funds from an ACH transfer be held in your BitGo Wallet for a period of up to 60 days.

1.11 Electronic Signature and ACH Authorization. You understand that to process your transfer instruction we utilize the Automated Clearing House (ACH), using applicable ACH Rules, to debit one of your accounts and credit another of your accounts. By choosing your bank account as your transfer method, you agree that: (a) you have read, understand and agree to these ACH Transfer Terms, and that this agreement constitutes a "writing signed by you" under any applicable law or regulation, (b) you consent to the electronic delivery of the disclosures contained in these ACH Transfer Terms, (c) you authorize BitGo (or its agent) to make any inquiries we consider necessary to validate any dispute involving your transfer, which may include ordering a credit report and performing other credit checks or verifying the information you provide against third party databases, (d) you authorize BitGo (or its agent) to initiate one or more ACH debit entries (withdrawals) for specified amount(s) from your bank account, and you authorize the financial institution that holds your bank account to deduct such transferred amounts (including any transfers to be made on a recurring basis, as applicable), (e) you authorize BitGo (or its agent) to initiate one or more ACH credit entries (direct deposits) for specified amount(s) to your bank account, and you authorize the financial institution that holds your bank account to credit such transferred amounts, (f) once a sale is complete and an ACH transfer is initiated, the transaction cannot be cancelled; and (g) funds sent to you via ACH typically take two to four business days to reach your financial institution, and BitGo is not responsible for any delays

in the availability of funds, which may vary based on your financial institution's ACH processing procedures and settlement.

If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize us to collect from the account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited. To process this collection, you understand and authorize us to debit the credited account or the debited account in either the same dollar amount as the original funds transfer or a portion of the debt. As discussed in more detail below, there may be a fee associated with such collection imposed by the financial institution holding the account.

In the event that a debit to any of your accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited account as set forth above, we reserve the right, and you hereby authorize us, to debit any of your other accounts to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such event, other than by posting any such transfer or transfers to the applicable account in accordance with this agreement.

1.12 Fees. Because these are electronic transfers, these funds may be withdrawn from your designated bank account immediately. In the case of an ACH debit transaction that is rejected for insufficient funds, you understand that BitGo may at its discretion attempt to process the debit in the amount of the applicable requested transfer again within 30 days and BitGo may separately impose a fee of up to \$25 for each transaction returned for insufficient funds, as permitted by applicable law. You certify that you are an authorized user of your bank account and you will not dispute these scheduled transactions with such bank so long as the transactions correspond to these ACH Transfer Terms and any other applicable agreement related to your accounts with BitGo and its affiliates or such transfer.

You must notify BitGo in writing if you dispute any portion of any fees paid or payable by you under these ACH Transfer Terms or any related agreement. You must provide that written notice to BitGo within 60 days of the applicable charge, and BitGo will work with you to resolve the applicable dispute promptly. If you do not provide BitGo with this written notice of your fee dispute within this 60-day period, you will not be entitled to dispute any fees paid or payable by you.

All amounts and fees stated or referred to in these ACH Transfer Terms are exclusive of taxes, duties, levies, tariffs, and other governmental charges (collectively, "Taxes"). You shall be responsible for payment of all Taxes and any related interest and/or penalties resulting from any transfers made hereunder, other than any taxes based on BitGo's net income.

1.13 Service Changes and Discontinuation. We may modify or discontinue the Service or your use of some or all accounts within the service, with or without notice, without liability to you, any other user or any third-party. We may from time to time make available additional or new features to the service, including but not limited to, a higher dollar limit service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We reserve the right, subject to applicable law, to terminate your account within the Service and your right to use the service at any time and for any reason, including without limitation if we, in our sole judgment, believe you have engaged in conduct or activities that violate any of the Terms or the rights of BitGo, or if you provide us with false or misleading information or interfere with other users or the administration of the service. We reserve the right to charge a fee for the use of the service and any additional services or features that we may introduce. You understand and agree that you are responsible for paying all applicable fees associated with the use of our services.

1.14 Returned Transactions. You understand and agree that if any previously-initiated debit entry hereunder is returned for any reason (including because of insufficient funds), BitGo will be entitled to exercise remedies in accordance with the Custodial Services Agreement, including freezing your any assets held in any account held with BitGo or any affiliate thereof and reversing any Digital Asset purchases made and delivered to such account.

1.15 Your Liability for Unauthorized Transactions. Federal law limits your liability for any fraudulent, erroneous unauthorized transaction from your bank account based on how quickly you report it to your financial institution. As general rule, you should report any fraudulent, erroneous or unauthorized transactions to your bank within 60 days after the questionable transaction FIRST appeared on your bank account statement. You should contact your bank for more information about the policies and procedures that apply to your account and any unauthorized transactions, including any limits on your liability.

1.16 Our Liability. If we fail to debit or credit your bank account in accordance with these ACH Transfer Terms, in the correct amount or in the correct amount of time, we may be liable for certain losses directly caused by our failure as the law may impose in such cases. However, there are some exceptions. For instance, we will not be liable where: (1) you do not have enough money in your bank account; (2) your bank account is closed or deposits or withdrawals restricted; (3) any terminal or system was not working properly and you were advised of that before you initiated the transfer; (4) the failure was related to circumstances beyond our control (such as flood, fire, power outages, mechanical or system failures); (5) your financial institution refuses to honor an ACH debit or credit; (6) your instructions are lost or delayed in transmission to us; (7) a reasonable security concern, such as unauthorized use, causes us not to honor your instructions; (8) this transfer option has been discontinued or suspended; (9) we advise you that your request will not be processed; (10) you submit a cancellation request with respect to recurring ACH transfer instructions and BitGo is unable to process it prior to your next scheduled transfer and (11) other exceptions are allowed by law.

Except as otherwise required by law, BitGo shall in no event be liable for any other losses and/or damages other than those arising from gross negligence or willful misconduct on our part, and in such case will be limited to actual damages.

You agree that we shall not be liable for any costs, fees, losses or damages of any kind incurred as a result of any charges imposed by any provider of accounts of fund transfers or any funds transfer limitations set by the financial institutions or other providers of the accounts.

1.17 Limitation of Warranty and Liability. You understand and agree that the service is provided “as-is.” Except as otherwise provided in this agreement or as required by law, we assume no responsibility for the timeliness, deletion, mis-delivery or failure to store any user communications. You understand and expressly agree that use of the service is at your sole risk, that any materials and/or data downloaded or otherwise obtained through the use of the service is downloaded or obtained at your own discretion and risk and that you will be solely responsible for any damages, including without limitation damage to your computer system or loss of data that results from the download or the obtaining of such material and/or data. Except as expressly set forth on the BitGo website or in this agreement, we disclaim all warranties of any kind, express or implied, including without limitation any warranty of merchantability, fitness for a particular purpose or non-infringement of intellectual property or third party rights, and we make no warranty or representation regarding the results that may be obtained from the use of the service, the accuracy or reliability of any information obtained through the service, the accuracy of any information retrieved by us from the accounts or that the service will meet any user’s requirements, be uninterrupted, timely, secure or error free. We will not be liable for any direct, indirect, incidental, special, consequential or punitive damages of any kind resulting from the use or the inability to use the service, any inaccuracy of any information or amount retrieved by us from the accounts, any breach of security caused by a third party,

any transactions entered into based on the service, any loss of, unauthorized access to or alteration of a user's transmissions or data or for the cost of procurement of substitute goods and services, including but not limited to damages for loss of profits, use, data or other intangibles, even if we had been advised of the possibility of such damages.

1.18 Agreement Changes. We may in our discretion change these ACH Transfer Terms at any time without notice to you. If any change is found to be invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability of any other changes or the remainder of these ACH Transfer Terms. We reserve the right to subcontract any of our rights or obligations under these ACH Transfer Terms.

YOUR CONTINUED USE OF YOUR BANK ACCOUNT AS A METHOD OF MAKING ANY TRANSFER TO OR RECEIVING ANY TRANSFER FROM BITGO (INCLUDING ANY RECURRING TRANSFER) AFTER WE CHANGE THESE ACH TRANSFER TERMS OR ANY OF THE OTHER TERMS INCORPORATED IN THESE ACH TRANSFER TERMS CONSTITUTES YOUR ACCEPTANCE OF THESE CHANGES.

1.19 Communications. If you have registered for this service and wish to withdraw your consent, you must cancel any pending transfer requests and contact our Trust Operations Department at TrustOperations@bitgo.com.

In the event of suspension, you may request reinstatement of the service by contacting our [name] Department at TrustOperations@bitgo.com. We reserve the right, in our sole discretion, to grant or deny reinstatement of the service.

RECITALS

WHEREAS, the Beneficial Owner has invested and/or intends to invest in one or more exempt securities offerings pursuant to which the Beneficial Owner may acquire securities (each, a “Security” and as each such Security is described from time to time on Exhibit A hereto, the “Property”);

WHEREAS, the Property is, or upon issuance will be, 100% beneficially owned by the Beneficial Owner;

WHEREAS, the title holder of the Property will be one or more trusts established by and maintained by Nominee for the purposes of safeguarding the Property and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to such Property;

WHEREAS, Beneficial Owner wishes to engage Nominee as its limited agent to safeguard and provide certain limited services with respect to the Property held in trust; and

WHEREAS, the Beneficial Owner and the Nominee wish to establish a nominee relationship upon the terms and conditions, and for the limited purposes, set forth in this Nominee Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants contained in this Nominee Agreement, the parties agree as follows:

1. Appointment. The Beneficial Owner hereby appoints the Nominee to act as nominee for the Beneficial Owner, to serve in such capacity until the appointment and authority conferred shall be revoked, for the limited purpose of causing to be held, and holding, in the name of the Nominee alone, title to the Property beneficially owned by the Beneficial Owner and acquired by the Nominee for the benefit of Beneficial Owner or otherwise conveyed to the Nominee pursuant to this Nominee Agreement in accordance with the directions of the Beneficial Owner, with power and authority limited to registering and holding the Property in the Nominee name, and otherwise acting with respect to the Property in accordance with the instructions of the Beneficial Owner, as provided in this Nominee Agreement or as may be given by the Beneficial Owner from time to time. In the context of investments made on or after the date hereof, the Beneficial Owner hereby directs the Nominee to acquire, on behalf of the Beneficial Owner, any Security that the Beneficial Owner subscribes for directly from the issuer thereof in the name of

the Nominee. The Beneficial Owner acknowledges and agrees that it shall pay the aggregate subscription amount due in respect of any such Security at the time and in the manner contemplated in the related subscription agreement, and that the Nominee will have no obligation to make any payments on behalf of the Beneficial Owner in respect of its acquisition of any Security. The Beneficial Owner acknowledges and agrees that the issuer of a Security may have the right to reject the Beneficial Owner's subscription for any given Security, and that the Nominee will have no liability for the failure of any Security to be issued pursuant to any subscription entered into by the Beneficial Owner, and the Beneficial Owner waives, to the fullest extent permitted by law, any claims of any kind it may have against the Nominee for executing any documents on behalf of, or for the benefit of the Beneficial Owner pursuant to this Agreement and agrees that the Nominee will have no liability (whether direct or indirect) to the Beneficial Owner in respect of any claim or to any person asserting a claim on behalf of or in right of the Beneficial Owner.

2. Acceptance. The Nominee hereby accepts the appointment described in Paragraph 1 above, upon the terms and conditions set forth in this Nominee Agreement and will always faithfully and promptly carry out and observe the instructions of the Beneficial Owner regarding the acquisition, holding of title to or otherwise acting with respect to the Property of the Beneficial Owner transferred to the Nominee hereunder and with respect to the Property. The Nominee acknowledges that it shall have no right or authority to act with respect to the Property, except upon the instructions of the Beneficial Owner.

3. Revocation. The Beneficial Owner may, at any time, in their absolute discretion, terminate this Nominee Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Property the transfer of which is restricted by contract, law, edict or otherwise ("Restricted Property") unless consented to by the issuer thereof (including by blanket consent). To be effective, any such termination shall be in writing, signed by the Beneficial Owner and delivered to the Nominee in accordance with the provisions of Paragraph 13 hereof with instructions for the return of the Property to the Beneficial Owner or their designee without consideration.

4. Custody of Property. Throughout the term of this Nominee Agreement, the Property will be held in the custody of the Nominee and the Nominee will take all actions reasonably necessary to assure the safekeeping of such Property. In taking any action with respect to the Property, the Nominee shall be acting solely as the agent and nominee of the Beneficial Owner. Property shall include any funds, securities, or other assets acquired through the benefit of holding the Securities (including by conversion of any convertible, exchangeable or redeemable Security (collectively "Convertible Instruments"))).

5. No Beneficial Interest. The Nominee's sole function during the term of this Nominee Agreement shall be to hold nominal legal title to the Property for the benefit of the Beneficial Owner under and subject to the Beneficial Owner's instructions. If third parties may require that they be furnished with documents executed by the Nominee as such holder of legal title to the Property, the Beneficial Owner shall prepare such documents, and the Nominee shall execute such documents in accordance with the Beneficial Owner's instructions. The Nominee shall have no discretionary authority to exercise any control over the Property, except as set forth herein, it being expressly understood that the Nominee shall have no real interest in the Property,

except to perform ministerial tasks at the instructions of the Beneficial Owner. The Nominee acknowledges that the Beneficial Owner is, and during the entire term of this Nominee Agreement shall remain, the true and actual owner of the Property. The Nominee and the Beneficial Owner hereby acknowledge and agree that, with respect to the Property, the Beneficial Owner will have the rights of an entitlement holder under Article 8 of the Uniform Commercial Code as in effect in the State of South Dakota. Neither the Nominee nor any officer, director, employee, or shareholder of the Nominee will have or claim any beneficial interest whatsoever in the Property nor any right to vote on matters that relate to the Property. Further, the Nominee will not hold itself out as having, or represent to any person that it has, any beneficial interest whatsoever in the Property. Notwithstanding the foregoing, with respect to Property that consists of shares of stock of a domestic or foreign corporation or other entity, the Nominee may, if so, instructed by the Beneficial Owner, register such shares on the books of the issuing entity in the Nominee's name alone, without indication of any nominee or other fiduciary capacity.

6. Instructions From the Beneficial Owner. Pursuant to the written (including electronic form) instructions of the Beneficial Owner, the Nominee will promptly execute and deliver all contracts, consents, assignments, powers of attorney, resolutions, proxies, waivers, disclaimers, and other instruments, general or specific, affecting or relating to the Property; provided, however, that the Beneficial Owner hereby provides standing instructions to the Nominee to consent to the conversion of any Convertible Instrument provided, further, and for the avoidance of doubt, while the Nominee shall consent to any other instrument that requires consent for conversion thereof it shall not do so without written instructions from the Beneficial Owner if such conversion consent is tied to an amendment or change in terms to the Convertible Instrument. Immediately upon receipt by the Nominee, the Nominee will transmit all funds received with respect to the Property to the Beneficial Owner, together with an accounting therefor, and will deliver to the Beneficial Owner all correspondence, notices, invoices, proxies, certificates, and other documents received with respect to the Property.

7. Signatures Required. The signature of the Beneficial Owner, as contemplated in this Nominee Agreement will be sufficient to bind the Nominee for all purposes of this Nominee Agreement, including, without limitation, the sale, assignment, pledge, hypothecation, or other transfer, encumbrance, or disposition of the Property.

8. Indemnification. The Beneficial Owner will, at all times, hold harmless and indemnify the Nominee and each of the officers, directors, attorneys, and employees of the Nominee from and against any and all costs, expenses, damages, claims, demands, and liabilities of every kind of character that relate to the Property and may arise out of this Nominee Agreement or the performance of the duties imposed by this Nominee Agreement, or that may be incurred with respect to the Property or with respect to any acts or omissions directed by the Beneficial Owner; provided, however, that the foregoing indemnification will not apply to costs, expenses, damages, claims, demands, and liabilities that may arise or be imposed upon the Nominee or any officer, director, attorney or employee of the Nominee by reason of that person's intentional misconduct or gross negligence.

9. Binding Effect. This Nominee Agreement will inure to the benefit of and bind the parties and their respective successors and assigns.

10. Counterparts. This Nominee Agreement may be signed in any number of counterparts, each of which shall be an original and all of which together shall constitute one instrument. This Nominee Agreement may be executed by signatures, electronically or otherwise, delivered by email, and a copy hereof that is properly executed and delivered by a party will be binding upon that party to the same extent as an original executed version hereof.

11. Governing Law. This Nominee Agreement shall be construed in accordance with and governed by the laws of the State of South Dakota. Any dispute concerning the terms or enforceability of this Nominee Agreement shall be brought in a court subject to the jurisdiction of the State of South Dakota.

BYLAWS OF HIGHTAG INC.

ARTICLE I

OFFICES

1.1 **Registered Office.** The initial registered office of Hightag Inc. (the “**Corporation**”) in the State of Delaware shall be fixed in the Corporation’s certificate of incorporation, as the same may be amended from time to time (the “**Certificate of Incorporation**”), and may be changed from time to time in the discretion of the board of directors of the Corporation (the “**Board of Directors**” or the “**Board**”).

1.2 **Other Offices.** The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE II

MEETINGS OF STOCKHOLDERS

2.1 **Annual Meeting.** Meetings of stockholders may be held at such place, either within or without the State of Delaware, as shall be determined by the Board of Directors and stated in the notice of the meeting. The Board of Directors may, in its sole discretion, determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 2.13 of these Bylaws. Unless directors are elected by written consent in lieu of an annual meeting as permitted by Section 2.12 of these Bylaws, an annual meeting of the stockholders for the election of directors shall be held on a date and at a time as shall be designated by the Board of Directors and stated in the notice of the meeting. Any other proper business may be transacted at the annual meeting.

2.2 **Special Meetings.** Unless otherwise prescribed by statute or by the Certificate of Incorporation, special meetings of the stockholders of the Corporation may be called for any purpose or purposes by the (i) Chief Executive Officer, if any; (ii) President, in the absence of a Chief Executive Officer; or (iii) Secretary at the request in writing of (A) a majority of the members of the Board of Directors or (B) holders of at least twenty percent (20%) of the total voting power of all outstanding shares of stock of the Corporation then entitled to vote, and may not be called by the stockholders absent such a request. Any such request shall state the purpose or purposes of the proposed meeting.

If any person or persons other than the Board calls a special meeting, the request shall: (i) be in writing; (ii) specify the date and time of such meeting and the general nature of the business proposed to be transacted; and (iii) be delivered personally or sent by registered mail or by facsimile transmission to the Corporation’s Chairperson of the Board, Chief Executive Officer, President (in the absence of a Chief Executive Officer) or Secretary. The officer(s) receiving the request shall cause notice to be promptly given to the stockholders entitled to vote at such meeting, in accordance with the provisions of Section 2.3 and Section 4.2 of these Bylaws, that a meeting will be held at the time requested by the person or persons calling the

meeting. No business may be transacted at such special meeting other than business specified in such notice to stockholders.

2.3 ***Notice of Stockholders' Meetings.*** All notices of meetings of stockholders shall be sent or otherwise given in accordance with Section 4.2 of these Bylaws not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting. The notice shall specify the place, if any, date and hour of the meeting, the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called.

2.4 ***Voting List.*** The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. The Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting for a period of at least ten (10) days prior to the meeting: (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting; or (ii) during ordinary business hours, at the Corporation's principal executive office. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting. Such list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

2.5 ***Quorum.*** The holders of a majority of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business, except as otherwise provided by statute or by the Certificate of Incorporation. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the chairman of the meeting or the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified.

2.6 ***Adjourned Meeting; Notice.*** When a meeting is adjourned to another time or place, unless these Bylaws otherwise require, notice need not be given of the adjourned meeting if the time, place, if any, thereof and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such

adjourned meeting are announced at the meeting at which the adjournment is taken. At the continuation of the adjourned meeting, the Corporation may transact any business that might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

2.7 Conduct of Business. The chairman of any meeting of stockholders shall determine the order of business and the procedure at the meeting, including such regulation of the manner of voting and the conduct of business.

2.8 Voting. The stockholders of record on the books of the Corporation at the close of business on the record date as determined by the Board of Directors and only such stockholders shall be entitled to vote at any meeting of stockholders or any adjournment thereof, subject to Section 217 (relating to voting rights of fiduciaries, pledgors and joint owners of stock) and Section 218 (relating to voting trusts and other voting agreements) of the Delaware General Corporation Law (the “**DGCL**”). Except as may be otherwise provided in the Certificate of Incorporation or these Bylaws, each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder.

2.9 Record Date. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board may fix, in advance, a record date, which record date shall not precede the date on which the resolution fixing the record date is adopted and which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting, nor more than sixty (60) days prior to any other such action. If no record date is fixed by the Board of Directors, then: (i) the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; (ii) the record date for determining stockholders entitled to express consent to corporate action in writing without a meeting, when no prior action by the Board is necessary, shall be the day on which the first written consent is expressed and (iii) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; *provided, however*, that the Board of Directors may fix a new record date for the adjourned meeting.

2.10 Action at Meetings. When a quorum is present at any meeting, the vote of the holders of a majority of the shares of stock having voting power present in person or represented by proxy shall decide any question brought before such meeting, unless the question is one upon which by express provision of applicable law or of the Certificate of Incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

2.11 ***Proxies.*** Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy authorized by an instrument in writing or by a transmission permitted by the DGCL filed in accordance with the procedure established for the meeting, but no such proxy shall be voted or acted upon after three (3) years from its date, unless the proxy provides for a longer period. The provisions of Section 212 of the DGCL shall govern the revocability of any proxy that states on its face that it is irrevocable.

2.12 ***Action by Stockholders Without a Meeting.*** Unless otherwise provided in the Certificate of Incorporation, any action required by the DGCL to be taken at any annual or special meeting of stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to its registered office in Delaware (by hand or by certified or registered mail, return receipt requested), to its principal place of business, or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the action were delivered to the Corporation as provided in Section 228 of the DGCL. In the event that the action which is consented to is such as would have required the filing of a certificate under any provision of the DGCL if such action had been voted on by stockholders at a meeting thereof, the certificate filed under such provision shall state, in lieu of any statement required by such provision concerning any vote of stockholders, that written consent has been given in accordance with Section 228 of the DGCL.

A fax, e-mail, or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or by a person authorized to act for a stockholder, shall be deemed to be written, signed and dated for the purposes of this Section 2.13, provided that any such fax, e-mail, or other electronic transmission sets forth or is delivered with information from which the Corporation can determine (i) that the fax, e-mail, or other electronic transmission was transmitted by the stockholder or by a person authorized to act for the stockholder and (ii) the date on which such stockholder or authorized person transmitted such fax, e-mail, or electronic transmission. The date on which such fax, e-mail, or electronic transmission is transmitted shall be deemed to be the date on which such consent was signed. No consent given by fax, e-mail, or other electronic transmission shall be deemed to have been delivered until (i) such consent is reproduced in paper form and until such paper form is delivered to the Corporation by delivery to its registered office in Delaware (by hand or by certified mail, return receipt requested), its principal place of business or an officer or agent of the Corporation having custody of the books in which proceedings of meetings of stockholders are recorded or (ii) such consent is delivered to the Corporation's principal place of business or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded, if delivered to the extent and in the manner provided by resolution of the Board of Directors.

2.13 ***Meeting by Remote Communication.*** Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, as authorized by Section 211(a)(2) of the DGCL the Board may in its sole discretion permit stockholders to participate in a meeting of stockholders by means of remote communication and shall be deemed present in person and permitted to vote at such meeting, provided that (i) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at such meeting by means of remote communication is a stockholder or proxyholder, (ii) the Corporation shall implement reasonable measures to provide such stockholders and proxyholders a reasonable opportunity to participate in such meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of such meeting substantially concurrently with such proceedings, and (iii) if such any stockholder or proxyholder votes or takes other action at such meeting by means of remote communication, a record of such vote or other action shall be maintained by the Corporation.

ARTICLE III

DIRECTORS

3.1 ***Powers.*** The business and affairs of the Corporation shall be managed by or under the direction of its Board of Directors, except as may be otherwise provided in the DGCL, the Certificate of Incorporation or these Bylaws.

3.2 ***Number; Election; Tenure and Qualification.*** The number of directors which shall constitute the whole board shall be fixed from time to time by resolution of the Board of Directors or by the stockholders at an annual meeting of the stockholders (unless the directors are elected by written consent in lieu of an annual meeting as provided in Section 2.12); provided that the number of directors shall be not less than one (1). With the exception of the first Board of Directors, which shall be elected by the incorporator, and except as provided in the Corporation's Certificate of Incorporation or in Section 3.3, the directors shall be elected (i) at the annual meeting of the stockholders by a plurality vote of the shares represented in person or by proxy or (ii) by written consent of the Corporation's stockholders pursuant to Section 2.12, and each director elected shall hold office until his or her successor is elected and qualified or until such director's earlier resignation, removal or death. Directors need not be stockholders unless so required by the Certificate of Incorporation.

3.3 ***Vacancies and Newly Created Directorships.*** Unless otherwise provided in the Certificate of Incorporation, any vacancies, including but not limited to newly-created directorships resulting from any increase in the authorized number of directors, may be filled by a majority of the directors then in office, though less than a quorum, or by a sole remaining director. Each director so chosen shall serve until his or her successor is elected and qualified or until such director's earlier resignation, removal or death. If there are no directors in office, then an election of directors may be held in the manner provided by statute.

If at any time, by reason of death or resignation or other cause, the Corporation should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with

the provisions of the Certificate of Incorporation or these Bylaws, or may apply to the Court of Chancery for a decree summarily ordering an election as provided in Section 211 of the DGCL.

If, at the time of filling any vacancy or any newly created directorship, the directors then in office shall constitute less than a majority of the whole board (as constituted immediately prior to any such increase), the Court of Chancery may, upon application of any stockholder or stockholders holding at least ten (10%) percent of the total number of shares at the time outstanding having the right to vote for such directors, summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then in office as aforesaid, which election shall be governed by the provisions of Section 211 of the DGCL as far as applicable.

3.4 *Location of Meetings; Meetings By Telephone.* The Board of Directors of the Corporation may hold meetings, both regular and special, either within or without the State of Delaware. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.5 *Meeting of Newly Elected Board of Directors.* The first meeting of each newly elected Board of Directors shall be held immediately following the annual meeting of stockholders and no notice of such meeting shall be necessary to the newly elected directors in order legally to constitute the meeting, provided a quorum shall be present. In the event such meeting is not held at such time, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors, or as shall be specified in a written waiver signed by all of the directors.

3.6 *Regular Meetings.* Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the Board of Directors; provided that any director who is absent when such a determination is made shall be given notice of such location.

3.7 *Special Meetings.* Special meetings of the Board of Directors may be called at any time by a person authorized to call a meeting under this Section 3.7. Special meetings may be called by the (i) Chief Executive Officer, if any, (ii) President, in the absence of a Chief Executive Officer, (iii) Secretary, upon the written request of two directors unless the Board of Directors consists of only one director, in which case special meetings may be called by the Secretary upon the written request of the sole director, or (iv) any two directors. Notice may be waived in accordance with Section 229 of the DGCL, or any successor thereto. If the notice is (i) delivered personally by hand, by courier or by telephone, (ii) sent by facsimile or (iii) sent by electronic mail, it shall be delivered or sent at least twenty-four (24) hours before the time of the holding of the meeting. If the notice is sent by United States mail, it shall be deposited in the United States mail at least four (4) days before the time of the holding of the meeting. Any oral notice may be communicated to the director. The notice need not specify the place of the

meeting (if the meeting is to be held at the Corporation's principal executive office) nor the purpose of the meeting.

3.8 *Quorum and Action at Meetings.* At all meetings of the Board of Directors, a majority of the directors then in office shall constitute a quorum for the transaction of business, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute or by the Certificate of Incorporation. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

3.9 *Action Without a Meeting.* Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

3.10 *Committees.* The Board of Directors may, by resolution passed by a majority of the whole board, designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, but no such committee shall have the power or authority in reference to (i) approving, adopting or recommending to the stockholders any action or matter expressly required by the DGCL to be submitted to stockholders for approval or (ii) adopting, amending or repealing any Bylaw of the Corporation. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors.

3.11 *Committee Minutes.* Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required to do so by the Board of Directors.

3.12 *Meetings and Action of Committees.* Meetings and actions of committees shall be governed by, and held and taken in accordance with, the provisions of: (i) Section 3.4 (Location of Meetings; Meetings By Telephone); (ii) Section 3.6 (Regular Meetings); (iii) Section 3.7 (Special Meetings); (iv) Section 3.8 (Quorum and Action at Meetings); (v) Section

3.9 (Action Without a Meeting) and (vi) Section 4.4 (Waiver of Notice); with such changes in the context of those Bylaws as are necessary to substitute the committee and its members for the Board and its members; *provided, however*, that (a) the time of regular meetings of committees may be determined either by resolution of the Board or by resolution of the committee, (b) special meetings of committees may also be called by resolution of the Board and (c) notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board may adopt rules for the government of any committee not inconsistent with the provisions of these Bylaws.

3.13 ***Director Compensation.*** Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, the Board of Directors shall have the authority to fix the compensation of directors. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

3.14 ***Resignation.*** Any director or officer of the Corporation may resign at any time. Each such resignation shall be made in writing or by electronic transmission and shall take effect at the time specified therein, or, if no time is specified, at the time of its receipt by either the Board of Directors, the President or the Secretary. The acceptance of a resignation shall not be necessary to make it effective unless expressly so provided in the resignation.

3.15 ***Removal.*** Unless otherwise restricted by the Certificate of Incorporation, these Bylaws or the DGCL, any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of shares then entitled to vote at an election of directors.

ARTICLE IV

NOTICES

4.1 ***Notice to Directors.*** Whenever, under the provisions of the DGCL or of the Certificate of Incorporation or of these Bylaws, notice is required to be given to any director such notice shall be (i) delivered personally by hand, by courier or by telephone; (ii) sent by United States first-class mail, postage prepaid; (iii) sent by facsimile; or (iv) sent by electronic mail, directed to each director at that director's address, telephone number, facsimile number or electronic mail address, as the case may be, as shown on the Corporation's records.

4.2 ***Notice to Stockholders.*** Without limiting the manner by which notice otherwise may be given effectively to stockholders pursuant to the DGCL, the Certificate of Incorporation or these Bylaws, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a form of electronic transmission consented to by the stockholder to whom the notice is given. Any such consent shall be revocable by the stockholder by written notice to the Corporation. Any such consent shall be deemed revoked if (1) the Corporation is unable to deliver by electronic

transmission two consecutive notices given by the Corporation in accordance with such consent and (2) such inability becomes known to the Secretary or an Assistant Secretary of the Corporation or to the transfer agent, or other person responsible for the giving of notice; *provided, however*, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action. Notice given by electronic transmission shall be deemed given: (a) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (b) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (c) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (x) such posting and (y) the giving of such separate notice; and (d) if by any other form of electronic transmission, when directed to the stockholder. As used in these Bylaws, “**electronic transmission**” means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process. Notice by a form of electronic transmission shall not apply to Sections 164, 296, 311, 312 or 324 of the DGCL.

4.3 ***Affidavit of Notice.*** An affidavit of the secretary or an assistant secretary or of the transfer agent or other agent of the Corporation that the notice has been given by a form of electronic transmission shall, in the absence of fraud, be prima facie evidence of the facts stated therein.

4.4 ***Waiver of Notice.*** Whenever any notice is required to be given under any provision of the DGCL or the Certificate of Incorporation or these Bylaws, a written waiver, signed by the person entitled to notice, or a waiver by electronic transmission by the person entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, directors or members of a committee of directors need be specified in any written waiver of notice or any waiver by electronic transmission unless so required by the Certificate of Incorporation or these Bylaws.

ARTICLE V

OFFICERS

5.1 ***Enumeration.*** The officers of the Corporation shall be chosen by the Board of Directors and shall include a President and a Secretary and such other officers with such other titles as the Board of Directors shall determine from time to time. Among the officers the Board of Directors may designate are a Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and Treasurer. The Board of Directors also may choose one or more Vice Presidents, Assistant Secretaries and Assistant Treasurers. Any number of offices may be held by the same person, unless the Certificate of Incorporation or these Bylaws otherwise provide. The Board of Directors may elect from among its members a Chairman of the Board and a Vice Chairman of the Board.

5.2 ***Appointment of Officers.*** The Board of Directors shall appoint the officers of the Corporation, except such officers as may be appointed in accordance with the provisions of Section 5.3 of these Bylaws, subject to the rights, if any, of an officer under any contract of employment. Any vacancy occurring in any office of the Corporation shall be filled by the Board, or as provided in Section 5.3.

5.3 ***Appointment of Other Officers and Agents.*** The Board of Directors may appoint, or empower the Chief Executive Officer or, in the absence of a Chief Executive Officer, the President to appoint, such other officers and agents as the business of the Corporation may require. Each of such officers and agents shall hold office for such period, have such authority and perform such duties as are provided in these Bylaws or as the Board of Directors may from time to time determine.

5.4 ***Removal and Resignation of Officers.***

(a) Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by an affirmative vote of the majority of the Board of Directors at any regular or special meeting of the Board of Directors or, except in the case of an officer chosen by the Board of Directors, by any officer upon whom such power of removal may be conferred by the Board of Directors.

(b) Any officer may resign at any time by giving written notice to the Corporation. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice. Unless otherwise specified in the notice of resignation, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

5.5 ***Chairman of the Board and Vice Chairman of the Board.*** The Chairman of the Board, if any, shall preside at all meetings of the Board of Directors and of the stockholders at which the Chairman shall be present. The Chairman shall have and may exercise such powers as are, from time to time, assigned to the Chairman by the Board of Directors and as may be provided by law. In the absence of the Chairman of the Board, the Vice Chairman of the Board, if any, shall preside at all meetings of the Board of Directors and of the stockholders at which the Vice Chairman shall be present. The Vice Chairman shall have and may exercise such powers as are, from time to time, assigned to such person by the Board of Directors and as may be provided by law.

5.6 ***Chief Executive Officer.*** In the absence of a Chairman and/or Vice Chairman of the Board, the Chief Executive Officer shall preside as the chairman of meetings of the stockholders and the Board of Directors. The Chief Executive Officer shall, subject to the control of the Board of Directors, have general and active management of the business of the Corporation and shall see that all orders and resolutions of the Board of Directors are carried into effect. All other officers, officials, employees and agents shall report directly or indirectly to the Chief Executive Officer. The Chief Executive Officer, President or any executive Vice President shall execute bonds, mortgages and other contracts on behalf of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing

and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation.

5.7 President. In the absence or disability of the Chief Executive Officer, the President shall perform all the duties of the Chief Executive Officer. When acting as the Chief Executive Officer, the President shall have all the powers of, and be subject to all the restrictions upon, the Chief Executive Officer. The President shall have such other powers and perform such other duties as from time to time may be prescribed by the Board of Directors, these Bylaws, the Chief Executive Officer or the Chairman of the Board.

5.8 Vice Presidents. ARTICLE VI

CAPITAL STOCK

6.1 ***Certificates.*** The shares of the Corporation shall be represented by certificates, in paper or exclusively electronic form, provided that the Board may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Every holder of stock represented by certificates shall be entitled to have a certificate signed by, or in the name of the Corporation by the chairperson or vice chairperson of the Board, or the president or vice president, and by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the Corporation

representing the number of shares registered in certificate form. Any or all of the signatures on the certificate may be an electronic facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate has ceased to be an officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were an officer, transfer agent or registrar at the date of issue.

6.2 *Special Designation on Certificates.* If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate which the Corporation shall issue to represent such class or series of stock; provided that, except as otherwise provided in Section 202 of the DGCL, in lieu of the foregoing requirements, there may be set forth on the face or back of the certificate which the Corporation shall issue to represent such class or series of stock, a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights. Within a reasonable time after the issuance or transfer of uncertificated stock, the Corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates pursuant to Sections 151, 156, 202(a) or 218(a) of the DGCL or a statement that the Corporation will furnish without charge, to each stockholder who so requests, the powers, designations, preferences and relative participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

The Corporation may issue a new certificate of stock or uncertificated shares in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

6.4 *Transfer of Stock.* Upon surrender to the Corporation or the transfer agent of the Corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction in its books. Upon receipt of proper transfer instructions from the registered owner of uncertificated shares such uncertificated shares shall be canceled and issuance of new equivalent uncertificated shares or certificated shares shall be made to the person entitled thereto and the transaction shall be recorded upon the books of the Corporation.

Corporation. The loan, guaranty or other assistance includes, without limitation, the adoption of employee benefit plans under which loans and guarantees may be made, and may be with or without interest, and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the Corporation.

7.7 *Stock Transfer Agreements.* The Corporation shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the Corporation to restrict the transfer of shares of stock of the Corporation of any one or more classes owned by such stockholders in any manner not prohibited by the DGCL.

INDEMNIFICATION

8.1 *Scope.* The Corporation shall, to the fullest extent permitted by Section 145 of the DGCL, as that Section may be amended and supplemented from time to time, indemnify any director, officer, employee or agent of the Corporation, against expenses (including attorneys’ fees), judgments, fines, amounts paid in settlement and/or other matters referred to in or covered by that Section and reasonably incurred by the person in connection with such action, suit or proceeding, by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

8.2 *Advancing Expenses.* Expenses (including attorneys’ fees) incurred by a present or former director or officer of the Corporation in defending a civil, criminal, administrative or investigative action, suit or proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation (or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized by relevant provisions of the DGCL; *provided, however*, the Corporation shall not be required to advance such expenses to a director (i) who commences any action, suit or proceeding as a plaintiff unless such advance is specifically approved by a majority of the Board of Directors or (ii) who is a party to an action, suit or proceeding brought by the Corporation and approved by a majority of the Board of Directors which alleges willful misappropriation of corporate assets by such director, disclosure of confidential information in violation of such director’s fiduciary or contractual obligations to the Corporation, or any other willful and deliberate breach in bad faith of such director’s duty to the Corporation or its stockholders.

8.3 ***Liability Offset.*** The Corporation's obligation to provide indemnification under this Article VIII shall be offset to the extent the indemnified party is indemnified by any other source including, but not limited to, any applicable insurance coverage under a policy maintained by the Corporation, the indemnified party or any other person.

8.4 ***Continuing Obligation.*** The provisions of this Article VIII shall be deemed to be a contract between the Corporation and each director of the Corporation who serves in such capacity at any time while this bylaw is in effect, and any repeal or modification thereof shall not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought based in whole or in part upon any such state of facts.

8.5 ***Non-exclusivity of Rights.*** The indemnification and advancement of expenses provided for in this Article VIII shall (i) not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement or vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such office, (ii) continue as to a person who has ceased to be a director and (iii) inure to the benefit of the heirs, executors and administrators of such a person.

8.6 ***Insurance.*** The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under applicable law.

8.7 ***Other Persons.*** In addition to the indemnification rights of directors, officers, employees or agents of the Corporation, the Board of Directors in its discretion shall have the power on behalf of the Corporation to indemnify any other person made a party to any action, suit or proceeding who the Corporation may indemnify under Section 145 of the DGCL.

8.8 ***Definitions.*** The phrases and terms set forth in this Article VIII shall be given the same meaning as the identical terms and phrases are given in Section 145 of the DGCL, as that Section may be amended and supplemented from time to time.

Alex

When Jonathan and I created Hightag . . . I mean, we both came up in the world of action sports.

So, Hightag partners with action sport facilities—like ski areas and bike parks and skateparks—to install our automated cameras throughout their facilities. These cameras are triggered whenever one of our users rides by, and then instantly sends that media to the athlete's account in the Hightag mobile app.

Lupe

Having cameras on the mountain is gonna expedite the progression across all action sports.

Jonathan

So you can think: you take a run, you're sitting on the chairlift, you've got two minutes to kill—you can pull your phone out and actually see your results of your last run before you head into your next attempt.

Anneke

Hightag will improve athletes' lives by being able to look back at how they're riding; immediately getting feedback on what I'm doing right or wrong.

Jonathan

At the same time, it gives everyone mementos from their trips, their experiences—capturing their highlights automatically so you never miss a shot.

Sam

Whether you're going out with your family, with your kiddos, or whether you're a top tier professional athlete, Hightag is really the first robust solution for that third-person view.

Alex

If you look out at the global size of that market, there are thousands of ski areas, bike parks and skateparks worldwide, and millions of skiers, mountain bikers, snowboarders, and other action sport athletes. The average size ski area—we see that as a million dollar opportunity for us. You

scale that up to all of the action sport facilities worldwide, we're looking at about a ten billion dollar opportunity.

So, Hightag also provides some interesting benefits for the facilities that we partner with. You know, by giving all of their visitors content to take home and share, we're helping to turn those visitors into brand ambassadors.

Thanks to our proprietary technology, we're able to also capture some interesting analytics about how visitors are using their facilities. We can tell them things like the distribution of different skill levels throughout their facilities and how their park is being used, and if they're really building the right features for the right audience.

Lupe

Hightag and the vision of the brand—I understood what they're trying to do, I literally thought, I was like, “I can't believe someone hasn't done this yet”, so... it's incredible what they're doing for the action sports world, and as a kid this is something that I would dream of. And the fact that everyone around the country is gonna be able to have access to their own footage without a filmer, I think is amazing.

Jonathan

So far, we've been backed by some pretty serious names in the game.

Alex

We've got backing from REI... and also have the support of T-Mobile through their 5G Hub program.

We're building Hightag because we love these sports. You know, this is something that is not just an economic opportunity for us, but it's something that I personally want to exist. We're looking for investors who are as passionate about these sports as we are—and so if that's you, join us and be a part of the action.
