## THE OFFERING AND THE SECURITIES

### The Offering

The Issuer is offering a minimum amount of \$50,000 (the “**Target Offering Amount**”) and up to a maximum amount of \$5,000,000 (the “**Maximum Offering Amount**”) of SAFEs (Simple Agreement for Future Equity) (the “**Securities**”) on a best efforts basis as described in this Form C (this “**Offering**”). The Minimum Individual Purchase Amount is \$250 and the Maximum Individual Purchase Amount is \$5,000,000. The Issuer reserves the right to amend the Minimum Individual Purchase Amount and Maximum Individual Purchase Amount, in its sole discretion. In particular, the Issuer may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Purchase Amounts and Maximum Individual Purchase Amounts to Investors participating in such programs without notice. The Issuer must raise an amount equal to or greater than the Target Offering Amount by September 7, 2026 (the “**Offering Deadline**”). Unless the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled and all committed funds will be returned.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Issuer’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

In order to purchase the Securities, you must make a commitment to purchase by completing the purchase process hosted by the **Intermediary** (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Issuer are required to correct any errors or omissions made by the Investor.**

Investor funds will be held in escrow with a qualified third party escrow agent meeting the requirements of Regulation CF (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. **Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the Investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the Investor will receive their Securities.**

Investment commitments made in this Offering will be represented by a pro rata beneficial interest (based on the amount invested) subject to the terms the Instrument (attached as Exhibit B), Custody Agreement (attached as Exhibit C), and Omnibus Nominee Trust Agreement (attached as Exhibit D). Securities sold in this Offering will be deposited into a custodial account (“**Custodial Account**”) with BitGo Bank & National Trust, National Association, who will serve as the custodian, nominee, and legal record holder (the “**Custodian**” or “**Nominee**”). In order to receive Securities from this Offering, Investors will be required to establish, or verify that they already have, an account with the Custodian. The legal title to the Securities purchased by the Investor in this Offering will be held in the name of a trust established by and maintained by the Nominee for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities pursuant to the terms and conditions of the Omnibus Nominee Trust Agreement attached hereto as Exhibit D.

The Issuer will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Issuer reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Intermediary must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Issuer continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

### The Deal Page

A description of our products, services and business plan can be found on the Issuer’s profile page on the Intermediary’s website under <https://republic.com/happiness-insurance> (the “**Deal Page**”). The Deal Page can be used

by prospective Investors to ask the Issuer questions and for the Issuer to post immaterial updates to this Form C as well as make general announcements. You should view the Deal Page at the time you consider making an investment commitment. Updates on the status of this Offering can also be found on the Deal Page.

### **Material Changes**

If any material change occurs related to the Offering prior to the current Offering Deadline the Issuer will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor's investment commitment will be canceled and the committed funds will be returned without interest or deductions.

### **Intermediate Closings**

In the event an amount equal to two (2) times the Target Offering Amount is committed and meets all required terms of the Offering prior to the Offering Deadline on such date or such later time the Issuer designates pursuant to Rule 304(b) of Regulation CF, the Issuer may conduct the first of multiple closings of the Offering early, *provided* (i) the early closing date must be twenty-one (21) days from the time the Offering opened and (ii) that all Investors will receive notice of such early closing date at least five (5) business days prior to such new offering deadline (absent a material change that would require an extension of the Offering and reconfirmation of all investment commitments). Investors who committed on the date such notice is provided or prior to the issuance of such notice will be able to cancel their investment commitment until 48 hours before such early closing date.

If the Issuer conducts an initial closing (the "**Initial Closing**"), the Issuer agrees to only withdraw seventy percent (70%) of the proceeds that are in escrow and will only conduct such Initial Closing if there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of the Initial Closing. The Issuer may only conduct another close (a "**Subsequent Closing**") before the Offering Deadline if the amount of investment commitments made as of the date of such Subsequent Closing exceeds two times the Target Offering Amount as of the date of the Initial Closing and there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of such Subsequent Closing.

Any investment commitments received after an intermediate closing will be released to the Issuer upon a subsequent closing and the Investor will receive evidence of the Securities via electronic certificate/PDF in exchange for their investment commitment as soon as practicable thereafter.

The Issuer has agreed to return all funds to Investors in the event a Form C-W is ultimately filed in relation to this Offering, regardless of whether multiple closings are conducted.

Investment commitments are not binding on the Issuer until they are accepted by the Issuer, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Issuer rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

### **The Securities**

We request that you please review this Form C and the Instrument attached as Exhibit B, in conjunction with the following summary information.

Such conversion price shall be deemed the “**Equity Financing Price**”.

#### Conversion Upon a Liquidity Event

In the case of the Issuer’s undergoing an **IPO** (as defined below) of its Capital Stock (as defined in the Security), a **Direct Listing** (as defined below), or a **Change of Control** (as defined below) of the Issuer (either of these events, a “**Liquidity Event**”) prior to any Equity Financing, the Investor will receive, at its option and within thirty (30) days of receiving notice (whether actual or constructive), either (i) a cash payment equal to the Purchase Amount subject to the following paragraph (the “**Cash Out Option**”) or (ii) a number of shares of Common Stock of the Issuer equal to the Purchase Amount divided by the quotient of (a) \$35,000,000 divided by (b) the number, as of immediately prior to the Liquidity Event, of shares of the Issuer’s capital stock outstanding (on an as-converted basis), assuming the exercise or conversion of all outstanding vested and unvested options, warrants and other convertible securities, but excluding: (w) shares of capital stock reserved for future issuance under any equity incentive or similar plan; (x) any **SAFEs**; (y) convertible promissory notes; and (z) any equity securities that are issuable upon conversion of any outstanding convertible promissory notes or **SAFEs**.

In connection with the Cash Out Option, the Purchase Amount (or a lesser amount as described below) will be due and payable by the Issuer to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay the Investors and the holders of other **SAFEs** (collectively, the “**Cash-Out Investors**”) in full, then all of the Issuer’s available funds will be distributed with equal priority and pro rata among the Cash-Out Investors in proportion to their Purchase Amounts.

“**Change of Control**” as used above, means (i) a transaction or series of related transactions in which any person or group becomes the beneficial owner of more than fifty percent (50%) of the outstanding voting securities entitled to elect the Issuer’s board of directors, (ii) any reorganization, merger or consolidation of the Issuer, in which the outstanding voting security holders of the Issuer fail to retain at least a majority of such voting securities following such transaction or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Issuer.

“**Direct Listing**” means the Issuer’s initial listing of its Common Stock (other than shares of Common Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Issuer with the SEC that registers shares of existing Capital Stock of the Issuer for resale, as approved by the Issuer’s board of directors. For the avoidance of doubt, a Direct Listing will not be deemed to be an underwritten offering and will not involve any underwriting services.

“**IPO**” as used above, means: (A) the completion of an underwritten initial public offering of Capital Stock by the Issuer pursuant to: (I) a final prospectus for which a receipt is issued by a securities commission of the United States or of a province of Canada, or (II) a registration statement which has been filed with the United States Securities and Exchange Commission and is declared effective to enable the sale of Capital Stock by the Issuer to the public, which in each case results in such equity securities being listed and posted for trading or quoted on a recognized exchange; (B) the Issuer’s initial listing of its Capital Stock (other than shares of Capital Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Issuer with the SEC that registers shares of existing capital stock of the Issuer for resale, as approved by the Issuer’s board of directors, where such listing shall not be deemed to be an underwritten offering and shall not involve any underwriting services; or (C) the completion of a reverse merger or take-over whereby an entity (I) whose securities are listed and posted for trading or quoted on a recognized exchange, or (II) is a reporting issuer in the United States or the equivalent in any foreign jurisdiction, acquires all of the issued and outstanding Capital Stock of the Issuer.

### ***Dissolution***

If there is a **Dissolution Event** (as defined below) or a Liquidity Event before the Securities terminate, the Issuer will distribute all proceeds legally available for distribution with the following priority: (i) junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock); (ii) on par with payments for other SAFEs, whether this Series or otherwise, and/or Preferred Stock, and if the applicable proceeds are insufficient to permit full payments to the Investor and such other SAFEs and/or Preferred Stock holders, the applicable proceeds will be distributed pro rata to the Investor and such other SAFEs and/or Preferred Stock holders in proportion to the full payments that would otherwise be due; and (iii) all holders of Common Stock.

A “**Dissolution Event**” means (i) a voluntary termination of operations by the Issuer, (ii) a general assignment for the benefit of the Issuer’s creditors or (iii) any other liquidation, dissolution or winding up of the Issuer (excluding a Liquidity Event), whether voluntary or involuntary.

### ***Termination***

The Securities terminate (without relieving the Issuer of any obligations arising from a prior breach of or non-compliance with the Securities) upon the earlier to occur of: (i) the issuance of shares in the converted securities to the Investor pursuant to the conversion provisions of the SAFE agreement or (ii) the payment, or setting aside for payment, of amounts due to the Investor pursuant to a Liquidity Event or a Dissolution Event.

### ***Nominee***

The title holder of the Securities will be a trust established by and maintained by Nominee for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities. Pursuant to the terms of the Omnibus Nominee Trust Agreement (attached as Exhibit D), Investors are engaging Nominee as its limited agent to safeguard and provide certain limited services with respect to the Securities held in trust. Investors are appointing Nominee to act as nominee for the Investors, to serve in such capacity until the appointment and authority conferred is revoked, for the limited purpose of causing to be held, and holding, in the name of Nominee alone, title to the Securities beneficially owned by the Investors and acquired by Nominee for the benefit of Investors or otherwise conveyed to Nominee in accordance with the directions of the Investors, with power and authority limited to registering and holding the Securities in Nominee’s name, and otherwise acting with respect to the Securities in accordance with the instructions of the Investors, as provided in the Omnibus Nominee Trust Agreement or as may be given by the Investors from time to time. The Nominee will have no right or authority to act with respect to the Securities, except upon the instructions of the Investors. An Investor may, at any time, in its absolute discretion, terminate the Omnibus Nominee Trust Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Securities the transfer of which is restricted by contract, law, edict or otherwise unless consented to by the Issuer thereof (including by blanket consent). Nominee’s sole function during the term of the Omnibus Nominee Trust Agreement will be to hold nominal legal title to the Securities for the benefit of the Investors under and subject to the Investor’s instructions.

### ***Voting and Control***

Neither the Securities **nor the securities issuable upon the conversion** of the Securities have voting rights unless otherwise provided for by the Issuer. In addition, to facilitate the Offering SAFE Investors being able to act together and cast a vote as a group, to the extent any securities acquired upon conversion of the Securities confer the holder with voting rights (whether provided by the Issuer's governing documents or by law), the Lead will act as proxy on behalf of Investors in respects to instructions related to the Securities. The Lead will vote consistently at the direction of the Chief Executive Officer of the Issuer (the "**Lead**").

The Issuer does not have any voting agreements in place.

The Issuer does not have any shareholder or equity holder agreements in place.

### ***Anti-Dilution Rights***

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Issuer.

### ***Restrictions on Transfer***

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Issuer; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. "Member of the family" as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them.

In addition to the foregoing restrictions, prior to making any transfer of the Securities or any capital stock into which they are convertible, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Issuer with an opinion of counsel reasonably satisfactory to the Issuer stating that a registration statement is not necessary to effect such transfer.

In addition, the Investor may not transfer the Securities or any capital stock into which they are convertible to any of the Issuer's competitors, as determined by the Issuer in good faith.

Furthermore, upon the event of an IPO, the capital stock into which the Securities are converted will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following such IPO.

If a transfer, resale, assignment or distribution of the Security should occur prior to the conversion of the Security or after, if the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distributee, as relevant, will be required to sign an Omnibus Nominee Trust Agreement (as defined in the Security).

### ***Other Material Terms***

- The Issuer does not have the right to repurchase the Securities.
- The Securities do not have a stated return or liquidation preference.

## **COMMISSION AND FEES**

### **Cash Commission**

At the conclusion of the Offering, the Issuer shall pay the Intermediary a cash fee equal to the greater of (A) \$15,000.00 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$100,000.00, and (2) 4% of any amounts raised exceeding \$100,000.01 but not exceeding \$5,000,000.00.

### **Other Compensation**

The Intermediary will also receive compensation in the form of the Securities equal to one percent (1%) of the total number of the Securities sold in the Offering. The total number of Securities outstanding after the Offering is subject to increase in an amount equal to the Intermediary's fee of one percent (1%) of the Securities issued in this Offering. The Issuer will pay the Intermediary a non-refundable fee of five thousand dollars (\$5,000.00) related to certain onboarding expenses within 120 days of the filing of this Form C if the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline.

## **RISK FACTORS**

*Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C. In addition to the risks specified below, the Issuer is subject to the same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.*

### **Risks Related to the Issuer's Business and Industry**

***We have a limited operating history and will require additional capital to execute our business strategy, and we may be unable to raise additional funds on acceptable terms or at all.***

We have a limited operating history under Happiness Insurance Inc. upon which investors can evaluate our performance. Although our platform is live and capable of processing customer enrollments, we have generated only early-stage revenue at the company level, and our business model may not generate sufficient revenue in the future to sustain operations. While aspects of the business model were previously operated under the Happiness Assurance™ brand, there can be no assurance that prior operations will translate into future revenue or profitability at the Issuer level. Because we are an early-stage company, we will require additional capital to execute our business strategy, including marketing, platform development, expansion of services, and scaling operations. Our ability to raise additional capital will depend on a number of factors, including our operating performance, market conditions, investor demand, and general economic conditions, many of which are outside of our control. We may have difficulty raising needed capital due to our limited operating history, early-stage revenue, and the inherent risks associated with our business. If adequate capital is not available on acceptable terms, or at all, we may be required to delay, reduce the scope of, or eliminate certain growth initiatives, marketing efforts, platform development, or expansion plans, which could adversely affect our business, financial condition, and results of operations. In such circumstances, we may also need to significantly modify our business plan or cease operations.

***Global crises and geopolitical events, including without limitation, COVID-19 can have a significant effect on our business operations and revenue projections.***

A significant outbreak of contagious diseases, such as COVID-19, in the human population could result in a widespread health crisis. Additionally, geopolitical events, such as wars or conflicts, could result in global disruptions to supplies, political uncertainty and displacement. Each of these crises could adversely affect the economies and financial markets of many countries, including the United States where we principally operate, resulting in an economic downturn that could reduce the demand for our products and services and impair our business prospects, including as a result of being unable to raise additional capital on acceptable terms, if at all.

***The amount of capital the Issuer is attempting to raise in this Offering may not be enough to sustain the Issuer's current business plan.***

In order to achieve the Issuer's near and long-term goals, the Issuer may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Issuer will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our

continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

***We may not have enough authorized capital stock to issue shares of common stock to investors upon the conversion of any security convertible into shares of our common stock, including the Securities.***

Unless we increase our authorized capital stock, we may not have enough authorized common stock to be able to obtain funding by issuing shares of our common stock or securities convertible into shares of our common stock. We may also not have enough authorized capital stock to issue shares of common stock to investors upon the conversion of any security convertible into shares of our common stock, including the Securities.

***We may implement new lines of business or offer new products and services within existing lines of business.***

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

***We rely on various intellectual property rights, including trademarks, in order to operate our business.***

The Issuer relies on certain intellectual property rights to operate its business. The Issuer's intellectual property rights may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our patent rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. The law relating to the scope and validity of claims in the technology field in which we operate is still evolving and, consequently, intellectual property positions in our industry are generally uncertain. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

***The Issuer's success depends on the experience and skill of the board of directors, its executive officers and key employees.***

We are dependent on our board of directors, executive officers and key employees. These persons may not devote their full time and attention to the matters of the Issuer. The loss of our board of directors, executive officers and key employees could harm the Issuer's business, financial condition, cash flow and results of operations.

***Although dependent on certain key personnel, the Issuer does not have any key person life insurance policies on any such people.***

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Issuer has not purchased any insurance policies with respect to those individuals in the event of their death or

disability. Our Founder and CEO, Rami Lazarescu, is responsible for many aspects of our operations including marketing, supplier relationships, member services, financial management, and strategic direction. Mr. Lazarescu has led the predecessor company, Ampro Vacations Inc., since 1994, and our brand identity, supplier relationships, and operational model are all substantially dependent on his personal knowledge, relationships, and continued active involvement. While we do not currently maintain key person insurance, the Issuer has begun developing a succession framework and benefits from the involvement of additional experienced personnel, including Strategic Advisor Paul Lazarescu, who is familiar with Issuer's operations and strategy. We do not currently maintain a formal, documented succession plan. Our ability to replace Mr. Lazarescu's operational knowledge and supplier relationships on a timely basis, if at all, cannot be assured. We have no way to guarantee key personnel will stay with the Issuer, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel. Investors should understand that their investment is substantially dependent on the health, availability, and continued commitment of a single individual.

***Damage to our reputation could negatively impact our business, financial condition and results of operations.***

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

***Our business could be negatively impacted by cyber security threats, attacks and other disruptions.***

We continue to face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including "bugs" and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

***Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.***

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers' or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

***The use of Individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.***

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

***The Issuer is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.***

The Issuer may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) issuer, the Issuer is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Issuer's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Issuer of such compliance could be substantial and could have a material adverse effect on the Issuer's results of operations.

***We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.***

We are also subject to a wide range of federal, state, and local laws and regulations, such as local licensing requirements, and retail financing, debt collection, consumer protection, environmental, health and safety, creditor, wage-hour, anti-discrimination, whistleblower and other employment practices laws and regulations and we expect these costs to increase going forward. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease and desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we have incurred and will continue to incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

#### **Risks Related to the Issuer's Business Practices**

***Our brand name, "Happiness Insurance®," incorporates the word "insurance," but we are not a licensed insurance company, we do not maintain actuarial reserves or regulatory capital, we are not subject to state insurance regulation, and our product does not provide risk transfer, indemnification, or underwriting of any kind. The use of this term may attract regulatory scrutiny, require us to rebrand, or expose us to enforcement actions that could materially and adversely affect our business.***

We market our vacation membership program under the registered brand name "Happiness Insurance®" and explicitly position it as an alternative to traditional insurance products, stating on our website that "unlike life insurance – which pays after you're dead – Happiness Insurance® delivers unforgettable family vacations while you're still alive." We further encourage prospective members to "rebalance your monthly spending from insuring unlikely calamities to investing in assured memories." Notwithstanding this positioning, we are not a licensed insurance company in any jurisdiction, we do not maintain actuarial reserves, we do not hold a certificate of authority or license under the insurance laws of any state, and our product is backed by no regulatory capital, solvency margin, or guaranty fund. Our Form C itself acknowledges that "Happiness Insurance® is a trademarked vacation-benefits company providing prepaid vacation stays and incentive programs; it is not an insurance product and does not provide risk transfer, indemnification, or underwriting." This disclaimer, while accurate, creates a direct tension with our consumer-facing brand positioning that state insurance regulators may view as the unauthorized use of the word "insurance" to market a non-insurance product. Many states, including California where we are headquartered and conduct a substantial portion of our business, broadly define the "transaction of insurance" and restrict the use of the word "insurance" in connection with any product that could be confused with an insurance product. We could be required to cease using our brand name, rebrand our business, modify our marketing materials at material cost and disruption, or pay fines

and penalties. Any such action would require us to rebuild consumer recognition under a new brand identity, would impose significant marketing and legal costs, and could materially disrupt our business and harm the value of investors' securities.

***Our business model depends entirely on the continued availability and participation of third-party resort and hotel properties we do not own, operate, or control, and the loss of key supply relationships or a reduction in the size, quality, or geographic diversity of our accommodation portfolio could materially impair our ability to deliver the vacation benefits we have contracted to provide to enrolled members.***

We market access to a network of over 2,000 resort destinations across the United States and 109 countries, including properties affiliated with Westin, Marriott, Hilton, Disney, and Sheraton. We do not own or operate any of these properties. The Company sources all accommodations through resort and travel inventory partners, travel service providers, booking platforms, concierge providers, and other and third-party fulfillment providers. We do not control these providers and cannot guarantee the availability, quality, pricing, or performance of their services. Our ability to deliver contracted vacation benefits to enrolled members is therefore entirely dependent on the continued willingness of these third-party travel suppliers to make inventory available to us on commercially acceptable terms. Participating properties are subject to change without notice. Any of our supply relationships could be modified, suspended, or terminated at any time for any reason, including changes in a supplier's commercial strategy, deterioration in our relationship with a supplier, the supplier's insolvency or operational failure, natural disasters, pandemics, geopolitical disruptions, regulatory actions, or macroeconomic conditions affecting the hospitality industry. We have not disclosed the contractual terms, exclusivity arrangements, duration, minimum inventory commitments, or termination rights governing our supplier relationships, and we cannot assure investors that our accommodation portfolio will remain stable or sufficiently robust to satisfy member redemption demand. A significant contraction of our available inventory – particularly in high-demand destinations or among the premium brands featured prominently in our marketing materials – could result in our inability to fulfill member commitments, increased consumer complaints, regulatory enforcement, chargebacks, and reputational harm that could materially and adversely affect our operations and financial condition.

***Our pricing structure presents membership costs as a small per-day rate that may anchor consumer perception to a nominal daily expenditure while obscuring the total annual financial commitment and the full cost of using the vacation benefit, which may expose us to regulatory scrutiny regarding the adequacy and clarity of our total cost disclosures under applicable consumer protection and prepaid travel disclosure statutes.***

Our Silver, Gold, and Diamond membership plans are marketed at prices of \$7, \$9, and \$11 per day, respectively, and are positioned against the cost of a daily coffee beverage with the marketing tagline "for about a latte a day." The actual monthly charges are \$210, \$270, and \$330, respectively, representing total annual membership costs of \$2,520, \$3,240, and \$3,960 before a member can access any vacation benefit. These totals do not include costs for which members are responsible, including transportation, food, resort fees where applicable, entertainment, and other travel-related expenses, all of which may vary substantially depending on destination, travel preferences, family size, and season. The per-day pricing methodology, while technically accurate, may create consumer expectations about total vacation cost that are inconsistent with the full financial commitment required. We cannot assure investors that our pricing presentation will not be challenged by the Federal Trade Commission, the Consumer Financial Protection Bureau, or state consumer protection authorities as inadequate, misleading, or insufficient under applicable prepaid travel disclosure statutes. Any such regulatory challenge or required modification to our pricing presentation could reduce the effectiveness of our marketing and impair our member acquisition rates.

***Our "cancel anytime" representation, which appears prominently across all three of our membership plan tiers, may be viewed as misleading in the context of a membership structure in which cancellation results in the conversion of all fees paid to date into a non-transferable travel credit, with no refund or cash value preserved for members who cancel before reaching full payment, potentially exposing us to claims of deceptive advertising and violations of automatic renewal and prepaid membership statutes in multiple jurisdictions.***

Each of our three membership plan tiers – Silver, Gold, and Diamond – prominently features the representation "No long term commitments. You may cancel anytime." This statement is technically accurate in the narrow sense that we do not impose a minimum commitment period. However, our program requires members to complete full payment before accessing any vacation benefit, and our Terms and Conditions provide that upon member-initiated cancellation, the member will receive a travel credit equal to one hundred percent of all fees paid by the member, less the value of any vacation stays already used or confirmed prior to cancellation. Among other restrictions, the credit is only applicable to future vacation stays offered through us, has no cash value, and is not redeemable for cash. In addition, several states – including California, where we are headquartered – have enacted specific statutes governing automatic

renewal programs (Cal. Bus. & Prof. Code § 17600 et seq.) and prepaid membership arrangements that impose affirmative cancellation right disclosures, cooling-off periods, and refund requirements that our current Terms and marketing may not satisfy. Failure to comply with these statutes could result in civil penalties, member rescission rights, and class action exposure in California and other states with similar laws.

***We market our program to business clients as a tool to reduce employer PTO liability, improve employee retention, and drive measurable gains in productivity and engagement, but these assertions are not supported by disclosed studies or employer-specific data, and our ability to retain and grow our business client segment depends on factors outside our control including employer budget cycles, HR benefit prioritization decisions, and workforce dynamics we cannot predict.***

Our business-facing marketing asserts that our program "slashes" PTO liability while "boosting profits and creating a happier, more productive team," and attributes to it the ability to drive "sales, engagement and retention" as a "risk-free solution." We market to corporate clients the ability to reduce PTO accrual liability – a function of how employers account for and administer employee paid time off under their own internal policies and applicable wage and hour laws – and claim that vacation incentives "create emotional motivation for your employees and their families – boosting performance, retention, and engagement." These claims are not backed by disclosed independent research, employer-specific data, or controlled studies. Although we attribute vacation's benefits to general academic research (referencing Cornell University research on experiences versus material goods), we have not disclosed or conducted employer-level studies establishing a causal link between our specific program and measurable gains in productivity, retention, or PTO liability reduction at client organizations. Our inability to substantiate these claims with disclosed data may limit their persuasiveness with sophisticated corporate buyers, expose us to FTC enforcement regarding unsubstantiated performance claims, and create litigation risk if employers rely on these representations in purchasing decisions and fail to achieve the represented outcomes.

***We do not guarantee vacation availability on any specific date, at any specific property, or in any specific room type, and members who are unable to secure a suitable vacation option within the 12-month validity period of their reservation will permanently forfeit all amounts paid with no refund, extension, or credit, which may generate consumer complaints, credit card chargebacks, and regulatory enforcement that could materially disrupt our business and increase our operating costs.***

Our program requires members to select their destination and travel dates after completing full payment, and the reservation is valid for one year from full payment with no extension under any circumstances. Reservations are subject to "general availability" and seasonal restrictions. In the event a member's requested dates and location are unavailable, we offer a maximum of three alternative options. If a member cannot identify a suitable option among those presented, or if no availability exists within the 12-month window, the reservation expires and the member receives no refund, credit, or replacement reservation. Members who experience life circumstances that prevent timely booking – including job transitions, medical events, family emergencies, or financial constraints – bear the entire economic risk of forfeiture. We do not disclose our inventory capacity, property utilization rates, member redemption fulfillment statistics, or the rate at which members successfully redeem their vacation benefit. A significant accumulation of unredeemed memberships – whether due to inventory constraints, inadequate concierge coordination, or member hardship – could result in a material increase in consumer protection complaints filed with the FTC, state attorneys general, the CFPB, and the Better Business Bureau, as well as credit card chargebacks that increase our payment processing costs and risk the termination of our merchant account relationships. We cannot assure investors that our available inventory is or will be sufficient to accommodate redemption demand from our enrolled member base or that our fulfillment rate will remain at levels sufficient to support our marketing claims and member satisfaction.

***Our Terms and Conditions reserve the right to change participating properties without notice, and the specific hotel brands prominently featured in our marketing materials – including Westin, Marriott, Hilton, Disney, and Sheraton – are not guaranteed to be available to any member at the time of their booking, which means our marketing representations about brand access may not reflect the actual inventory available to enrolled members.***

We prominently feature Westin, Marriott, Hilton, Disney, and Sheraton as participating brands in our marketing materials across all plan tiers and across our individual, business, and destination-facing web pages. These brands are among the most recognized luxury hospitality brands in the world and are central to our value proposition. However, our Terms and Conditions expressly state that participating properties are "subject to change without notice" and that we will "make every effort" to accommodate a member's requested location and date but "may provide an alternative date or location where necessary." We do not guarantee that any specific brand, property, or market will be available at the time a member seeks to redeem their vacation benefit. These brands each operate properties across a broad range

of price points, quality levels, and geographic markets. Members who enroll in reliance on the implied promise of access to premium-tier properties affiliated with these brands have no contractual right to any minimum brand tier, star rating, or quality standard. To the extent our brand-level marketing is interpreted as a specific quality or access representation rather than merely illustrative, we may be exposed to false advertising claims, consumer protection enforcement, and breach of contract litigation from members who are assigned properties they consider inadequate. Any such claims or proceedings could require us to modify our marketing materials, pay restitution or penalties, or restructure our supplier arrangements at material cost.

***Our Terms and Conditions contain provisions – including mandatory arbitration, class action waivers, a shortened two-year statute of limitations, broad indemnification obligations binding on members, and a non-cash travel credit structure applicable to member-initiated cancellations – that may be subject to challenge under applicable state law, and if any of these provisions are found unenforceable, we could be exposed to class-wide liability, extended litigation timelines, and financial obligations that we have not reserved for and that could materially impair our financial condition.***

Our member agreements include mandatory binding arbitration on an individual basis, a prohibition on class action proceedings, and a contractually shortened two-year limitations period for all claims. These provisions are integral to our risk management strategy and limit our aggregate litigation exposure. However, these types of clauses are subject to ongoing legal challenge under state law. In California, courts have held that class action waivers may be unenforceable as to claims for public injunctive relief under consumer protection statutes (see *McGill v. Citibank, N.A.*, 2 Cal. 5th 945 (2017)), and the California Supreme Court has at times applied broader unconscionability analysis to arbitration clauses in consumer contracts. If any of our mandatory arbitration or class action waiver provisions are found unenforceable – whether in California or in any other state in which we operate – we could be exposed to class-wide litigation by current or former members asserting claims for false advertising, unfair business practices, inadequate disclosure, or breach of contract. A successful class action judgment or settlement could require us to pay damages, provide refunds, and modify our business practices on a prospective basis, any or all of which could materially and adversely affect our financial condition and results of operations. In addition, our Terms reserve the right to modify member agreements unilaterally to comply with changes in applicable law, and we expressly disclaim any obligation to provide advance notice of the specific dollar amounts of recurring charges before they are processed. Regulatory authorities in California and other states with specific automatic renewal and prepaid service statutes have taken enforcement positions against these types of unilateral modification and advance billing disclosure practices.

***Our business is subject to travel-industry-specific regulatory requirements, including state travel seller registration laws, prepaid travel product disclosure statutes, and consumer protection regulations governing vacation club and membership program marketing, with which we may not be in full compliance in all jurisdictions in which we operate, and any finding of non-compliance could result in fines, required cessation of sales in affected jurisdictions, and rescission liability to enrolled members.***

The sale of prepaid travel services, vacation membership programs, and travel club products is regulated at the state level by a patchwork of statutes that vary significantly in their requirements. Many states – including California, Florida, and Virginia – impose registration, bonding, or financial assurance requirements on sellers of prepaid travel services and vacation membership programs. We sell our memberships in all 50 U.S. states and several U.S. territories. If we are found to be operating in violation of applicable travel seller registration, prepaid vacation club disclosure, or consumer protection statutes in any jurisdiction, we could be subject to regulatory enforcement, civil money penalties, required cessation of sales, required refunds to enrolled members in affected jurisdictions, and civil litigation by affected consumers. Any such finding or proceeding could materially impair our operations, impose significant financial costs, and adversely affect the value of investors' securities.

***The Issuer is under common control with Ampro Vacations Inc., the California vacation membership company through which our Founder has conducted substantially similar business operations since 1994, and while they are separate entities, the operational association between the Issuer and Ampro Vacations may create conflicts of interest and other risks that could adversely affect investors.***

Our Founder and CEO, Rami Lazarescu, has led Ampro Vacations Inc., a California vacation membership company, since 1994. Ampro Vacations operates a traditional destination club model that typically involves a significant upfront enrollment fee and ongoing long-term membership obligations. The Issuer, Happiness Insurance Inc., was incorporated in Delaware in September 2025 and represents a new corporate entity through which the accessible, flexible, consumer-friendly Happiness Insurance® brand and business model is being advanced. The Issuer does not rely on Ampro Vacations for its core operations and is capable of operating independently. The Issuer does not assume any liabilities or contractual obligations of Ampro Vacations Inc. Our prior Terms and Conditions were made available

under the "happinessassurance.com" domain, which is affiliated with Ampro Vacations. This is a legacy domain associated with our Founder's prior operations and is not part of the Issuer's current structure. The current "happinessinsurance.com" domain displays a copyright notice for Happiness Insurance Inc. We and Ampro Vacations are under common control through our Founder, and Ampro Vacations has historically operated in the vacation membership industries, although the two business models are designed to serve different customer segments. Ampro Vacations typically involves upfront costs of \$15,000 or more, compared to generally under \$340 for the Issuer, which is expected to limit overlap in target customers. Investors should be aware that the operational association between the Issuer and Ampro Vacations could result in uncertainty as to the regulatory history and conflicts of interest in transactions between the entities. Because the Issuer and Ampro Vacations are under common control, conflicts of interest may arise in connection with the allocation of business opportunities, customers, contracts, intellectual property, employees, marketing activities, expenses, or revenues between the entities. In addition, to the extent that customers, vendors, regulators, or other third parties do not clearly distinguish between the entities, the Issuer could be exposed to liabilities, disputes, regulatory matters, or contractual obligations associated with Ampro Vacations or other affiliated entities. Because Ampro Vacations is a separate company under common control, it may engage in business activities that are similar to or competitive with our business, and business opportunities, customers, vendor relationships, travel inventory, marketing opportunities, or strategic relationships may be allocated between the Issuer and Ampro Vacations at the discretion of our Founder. There can be no assurance that such opportunities will be allocated to the Issuer or that any arrangements between the Issuer and Ampro Vacations will be negotiated on an arm's-length basis. If Ampro Vacations were to prioritize its own business over ours, compete directly with us, or otherwise take actions that are not in the best interests of the Issuer, our business, financial condition, and results of operations could be adversely affected.

***The "Happiness Insurance®" brand and trademark represent a core asset of our business, but our ability to enforce and protect our trademark may be limited, particularly with respect to variations, international uses, or uses in markets where we have not sought registration, and any infringement of or challenge to our trademark rights could impair our brand value and competitive position.***

The HAPPINESS INSURANCE® trademark (USPTO Registration No. 90404055) is the primary and arguably sole intellectual property asset of the Issuer. Our business plan contemplates significant value from global licensing of the Happiness Insurance® brand to employers, strategic partners, and large distribution channels including insurers. The commercial value of this licensing strategy is entirely dependent on the strength, exclusivity, and enforceability of our trademark rights. Our registration covers the mark in the United States; we have not disclosed whether we have sought or obtained trademark protection in any international market. To the extent our planned global licensing strategy requires us to operate under or license the Happiness Insurance® mark in jurisdictions where we have no registered trademark, we may be unable to prevent third-party use of confusingly similar marks or to enforce our rights against infringers. Additionally, the word "insurance" in our mark may face challenges in jurisdictions where the use of that term in commerce is regulated or restricted to licensed insurance entities, and we may be required to abandon or modify our mark in such markets. Any loss of trademark exclusivity or enforceability – in the United States or internationally – could substantially impair our brand licensing strategy and reduce the value of the Issuer's principal intellectual asset.

***We market our program using testimonials, media citations, and endorsements, and any regulatory action challenging the accuracy, substantiation, or disclosure practices associated with these marketing materials could require us to modify our go-to-market strategy and reduce the effectiveness of our consumer acquisition efforts.***

Our website features numerous consumer video testimonials and written testimonial quotes from named individuals describing their vacation experiences. We also prominently reference media coverage from Forbes, MarketWatch, Reuters, Yahoo Finance, The Wall Street Journal, and other outlets, and display ratings from the Better Business Bureau and Yelp. The FTC's Guides Concerning the Use of Endorsements and Testimonials in Advertising (16 C.F.R. Part 255), revised in 2023, require that testimonials reflect the honest opinions of endorsers, that material connections between endorsers and advertisers be disclosed, and that any claim of typical results be substantiated. We have not disclosed whether the individuals featured in our testimonials received any compensation, free vacations, or other consideration in connection with providing their testimonials, or whether their experiences represent typical member outcomes. If the FTC or state regulators were to find that our testimonial or endorsement practices do not comply with applicable guidelines, we could be required to add disclosure language, remove specific testimonials, or substantiate claims about typical member outcomes – any of which could reduce the effectiveness of our existing marketing materials and require us to invest in new marketing content at material cost.

## **Risks Related to the Offering**

***The Issuer could potentially be found to have not complied with securities law in connection with this Offering related to a Reservation Campaign (also known as “Testing the Waters”)***

Prior to filing this Form C, the Issuer engaged in a Reservation Campaign (also known as “testing the waters”) permitted under Regulation Crowdfunding (17 CFR 227.206), which allows issuers to communicate to determine whether there is interest in the offering. All communication sent is deemed to be an offer of securities for purposes of the antifraud provisions of federal securities laws. Any Investor who expressed interest prior to the date of this Offering should read this Form C thoroughly and rely only on the information provided herein and not on any statement made prior to the Offering. The communications sent to Investors prior to the Offering are attached as Exhibit F. Some of these communications may not have included proper disclaimers required for a Reservation Campaign.

***The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.***

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission’s EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

***Neither the Offering nor the Securities have been registered under federal or state securities laws.***

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

***The Issuer's management may have broad discretion in how the Issuer uses the net proceeds of the Offering.***

Unless the Issuer has agreed to a specific use of the proceeds from the Offering, the Issuer’s management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

***The Intermediary Commission paid by the Issuer are subject to change depending on the success of the Offering.***

At the conclusion of the Offering, the Issuer shall pay the Intermediary (I) a cash fee equal to the greater of (A) \$15,000.00 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$100,000.00, and (2) 4% of any amounts raised exceeding \$100,000.01 but not exceeding \$5,000,000.00, and (II) securities equal to one percent (1%) of the total number of the securities sold in the Offering. The Company will pay the Intermediary a non-refundable fee of five thousand dollars (\$5,000.00) related to certain onboarding expenses within 120 days of the filing of this Form C if the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline. The compensation paid by the Issuer to the Intermediary may impact how the Issuer uses the net proceeds of the Offering.

***The Issuer has the right to limit individual Investor commitment amounts based on the Issuer’s determination of an Investor’s sophistication.***

The Issuer may prevent any Investor from committing more than a certain amount in this Offering based on the Issuer’s determination of the Investor’s sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Issuer’s determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Issuer’s determination.

***The Issuer has the right to extend the Offering Deadline.***

The Issuer may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Issuer attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Issuer extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest

during this time and will simply be held until such time as the new Offering Deadline is reached without the Issuer receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Issuer receives the Target Offering Amount, at which time it will be released to the Issuer to be used as set forth herein. Upon or shortly after the release of such funds to the Issuer, the Securities will be issued and distributed to you.

***The Issuer may also end the Offering early.***

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Issuer can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Issuer may limit the amount of capital it can raise during the Offering by ending the Offering early.

***The Issuer has the right to conduct multiple closings during the Offering.***

If the Issuer meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Issuer to draw down on seventy percent (70%) of Investor proceeds committed and captured in the Offering during the relevant period. The Issuer may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

**Risks Related to the Securities**

***Investors will not have voting rights, even upon conversion of the Securities and will grant a third-party nominee broad power and authority to act on their behalf.***

In connection with investing in this Offering to purchase a SAFE (Simple Agreement for Future Equity), Investors will designate the Lead (as defined above) to act on behalf as proxy on behalf of Investors in respects to instructions related to the Securities. The Lead will be entitled, among other things, to exercise any voting rights (if any) conferred upon the holder of the Securities or any securities acquired upon their conversion, and to execute on behalf of an investor all transaction documents related to the transaction or other corporate event causing the conversion of the Securities. Thus, by participating in the Offering, investors will grant broad discretion to a third party (the Lead and its agents) to take various actions on their behalf, and investors will essentially not be able to vote upon matters related to the governance and affairs of the Issuer nor take or effect actions that might otherwise be available to holders of the Securities and any securities acquired upon their conversion. Investors should not participate in the Offering unless he, she or it is willing to waive or assign certain rights that might otherwise be afforded to a holder of the Securities to the Lead and grant broad authority to the Lead to take certain actions on behalf of the investor.

***The Custodian shall serve as the legal title holder of the Securities. Investors will only obtain a beneficial ownership in the Securities.***

The Issuer and the Investor shall appoint and authorize the qualified third-party Custodian for the benefit of the Investor, to hold the SAFE and any securities that may be issued upon conversion thereof in registered form in the Custodian's name or the name of the Custodian's nominees for the benefit of the Investor and Investor's permitted assigns. The Custodian may take direction from the Lead who will act on behalf of the Investors, and the Custodian may be permitted to rely on the Lead's instructions related to the Securities. Investors may never become an equity holder, merely a beneficial owner of an equity interest.

***The Securities will not be freely tradable under the Securities Act until one year from when the securities are issued. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.***

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Issuer. Each Investor in this Offering will be required to represent

that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. If a transfer, resale, assignment or distribution of the Security should occur prior to the conversion of the Security or after, if the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distributee, as relevant, will be required to sign a new Omnibus Nominee Trust Agreement (attached as Exhibit D). Additionally, Investors will only have a beneficial interest in the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the Custodian

***Investors will not become equity holders until the Issuer decides to convert the Securities or until there is a change of control or sale of substantially all of the Issuer's assets. The Investor may never directly hold equity in the Issuer.***

Investors will not have an ownership claim to the Issuer or to any of its assets or revenues for an indefinite amount of time and depending on when and how the Securities are converted, the Investors may never become equity holders of the Issuer. Investors will not become equity holders of the Issuer unless the Issuer receives a future round of financing great enough to trigger a conversion and the Issuer elects to convert the Securities. The Issuer is under no obligation to convert the Securities. In certain instances, such as a sale of the Issuer or substantially all of its assets, an initial public offering or a dissolution or bankruptcy, the Investors may only have a right to receive cash, to the extent available, rather than equity in the Issuer.

***Investors will not have voting rights, even upon conversion of the Securities.***

Investors will not have the right to vote upon matters of the Issuer even if and when their Securities are converted (the occurrence of which cannot be guaranteed). Under the terms of the Securities, a third-party designated by the Issuer will exercise voting control over the Securities. Upon conversion, the Securities will **continue** to be voted in line with the designee identified or pursuant to a voting agreement related to the equity securities the Security is converted into. For example, if the Securities are converted in connection with an offering of Series B Preferred Stock, Investors would directly or beneficially receive securities in the form of shares of Series B-CF Preferred Stock and such shares would be required to be subject to the terms of the Securities that allows a designee to vote their shares of Series B-CF Preferred Stock consistent with the terms of the Security. Thus, Investors will essentially never be able to vote upon any matters of the Issuer unless otherwise provided for by the Issuer.

***Investors will not be entitled to any inspection or information rights other than those required by law.***

Investors will not have the right to inspect the books and records of the Issuer or to receive financial or other information from the Issuer, other than as required by law. Other security holders of the Issuer may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Issuer can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Issuer such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

***Investors will be unable to declare the Security in "default" and demand repayment.***

Unlike convertible notes and some other securities, the Securities do not have any "default" provisions upon which Investors will be able to demand repayment of their investment. The Issuer has ultimate discretion as to whether or not to convert the Securities upon a future equity financing and Investors have no right to demand such conversion. Only in limited circumstances, such as a liquidity event, may Investors demand payment and even then, such payments will be limited to the amount of cash available to the Issuer.

***The Issuer may never elect to convert the Securities or undergo a liquidity event and Investors may have to hold the Securities indefinitely.***

The Issuer may never conduct a future equity financing or elect to convert the Securities if such future equity financing does occur. In addition, the Issuer may never undergo a liquidity event such as a sale of the Issuer or an initial public offering. If neither the conversion of the Securities nor a liquidity event occurs, Investors could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. If a transfer, resale, assignment or distribution of the Security should occur prior to the conversion of the Security or after, if the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distributee, as relevant, will be required to sign a new Omnibus Nominee Trust

Agreement (as defined in the Security). The Securities are not equity interests, have no ownership rights, have no rights to the Issuer's assets or profits and have no voting rights or ability to direct the Issuer or its actions.

***Any equity securities acquired upon conversion of the Securities may be significantly diluted as a consequence of subsequent equity financings.***

The Issuer's equity securities will be subject to dilution. The Issuer intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence holders of equity securities resulting from the conversion of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Issuer.

The amount of additional financing needed by the Issuer will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Issuer with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Issuer's needs, the Issuer may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Issuer. There can be no assurance that the Issuer will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

***Any equity securities issued upon conversion of the Securities may be substantially different from other equity securities offered or issued by the Issuer at the time of conversion.***

In the event the Issuer decides to exercise the conversion right, the Issuer will convert the Securities into equity securities that are materially different from the equity securities being issued to new investors at the time of conversion in many ways, including, but not limited to, liquidation preferences, dividend rights, or anti-dilution protection. Additionally, any equity securities issued at the Conversion Price (as defined in the SAFE agreement) shall have only such preferences, rights, and protections in proportion to the Conversion Price and not in proportion to the price per share paid by new investors receiving the equity securities. Upon conversion of the Securities, the Issuer may not provide the holders of such Securities with the same rights, preferences, protections, and other benefits or privileges provided to other investors of the Issuer.

The foregoing paragraph is only a summary of a portion of the conversion feature of the Securities; it is not intended to be complete, and is qualified in its entirety by reference to the full text of the SAFE agreement, which is attached as Exhibit B.

***There is no present market for the Securities and we have arbitrarily set the price.***

The offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues or other established criteria of value. We cannot guarantee that the Securities can be resold at the offering price or at any other price.

***In the event of the dissolution or bankruptcy of the Issuer, Investors will not be treated as debt holders and therefore are unlikely to recover any proceeds.***

In the event of the dissolution or bankruptcy of the Issuer, the holders of the Securities that have not been converted will be entitled to distributions as described in the Securities. This means that such holders will only receive distributions once all of the creditors and more senior security holders, including any holders of preferred stock, have been paid in full. No holders of any of the Securities can be guaranteed any proceeds in the event of the dissolution or bankruptcy of the Issuer.

***While the Securities provide mechanisms whereby holders of the Securities would be entitled to a return of their purchase amount upon the occurrence of certain events, if the Issuer does not have sufficient cash on hand, this obligation may not be fulfilled.***

Upon the occurrence of certain events, as provided in the Securities, holders of the Securities may be entitled to a return of the principal amount invested. Despite the contractual provisions in the Securities, this right cannot be

guaranteed if the Issuer does not have sufficient liquid assets on hand. Therefore, potential Investors should not assume a guaranteed return of their investment amount.

***There is no guarantee of a return on an Investor's investment.***

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

**IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.**

The actual allocation of proceeds may vary significantly from the estimates set forth below depending on a number of factors, including changes in economic conditions, market demand, supply chain constraints, operating results, regulatory developments, competitive dynamics, and the Issuer's cash requirements at the time proceeds are received.

The Issuer may determine that it is in its best interests to reallocate proceeds among the categories described below, to defer or accelerate expenditures, or to use proceeds for purposes other than those currently contemplated, including for general corporate purposes, debt service, or liquidity preservation. There can be no assurance that the use of proceeds will result in increased revenues, profitability, or the successful execution of the Issuer's business plan.

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
Happiness Insurance Inc.  
Irvine, California

### **Opinion**

We have audited the financial statements of Happiness Insurance Inc. which comprise the balance sheet as of December 31, 2025 and the related statements of operations, changes in stockholders' equity, and cash flows for the period from inception (September 03, 2025) through December 31, 2025 and the related notes to the financial statements (collectively, the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Happiness Insurance, Inc as of December 31, 2025 and the results of its operations and its cash flows for the period from inception (September 3, 2025) through December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

### **Going Concern**

As discussed in Note 7, certain conditions indicate that the Company may be unable to continue as a going concern. The accompanying financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Happiness Insurance, Inc and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Happiness Insurance, Inc's ability to continue as a going concern for a period of twelve months from the date of issuance of these financial statements.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

| <b>Total Deferred Tax Asset</b> | <b>\$ -</b>              |

Management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to use the existing deferred tax assets. On the basis of this evaluation, the Company has determined that it is more likely than not that the Company will not recognize the benefits of the federal and state net deferred tax assets, and, as a result, full valuation allowance has been set against its net deferred tax assets as of December 31, 2025. The amount of the deferred tax asset to be realized could be adjusted if estimates of future taxable income during the carry-forward period are reduced or increased.

For the fiscal period ending December 31, 2025, the Company had no federal cumulative net operating loss ("NOL") carryforwards. Utilization of some of the federal and state NOL carryforwards to reduce future income taxes will depend on the Company's ability to generate sufficient taxable income prior to the expiration of the carryforwards. The federal net operating loss carryforward is subject to an 80% limitation on taxable income, does not expire, and will carry on indefinitely.

The Company recognizes the impact of a tax position in the financial statements if that position is more likely than not to be sustained on a tax return upon examination by the relevant taxing authority, based on the technical merits of the position. As of December 31, 2025, the Company had no unrecognized tax benefits.

The Company recognizes interest and penalties related to income tax matters in income tax expense. As of December 31, 2025, the Company had no accrued interest and penalties related to uncertain tax positions.

**6. COMMITMENTS AND CONTINGENCIES****Contingencies**

The Company's operations are subject to various local and state regulations. Failure to comply with one or more of those regulations could result in fines, restrictions on its operations, or loss of permits that could result in the Company ceasing operations.

**Litigation and Claims**

From time to time, the Company may be involved in litigation relating to claims arising out of operations in the normal course of business. As of December 31, 2025, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of the Company's operations.

**7. GOING CONCERN**

The Company has recently commenced operations and will incur significant additional costs to generate revenues sufficient to sustain operations. The Company might not have sufficient liquid assets to fulfil its obligations in the near future. These matters raise substantial doubt over the Company's ability to continue as a going concern. Over the next twelve months, the Company intends to fund its operations from the proposed Regulation Crowdfunding campaign, additional debt, and/or equity financing as deemed necessary. There are no assurances that management will be able to raise capital on terms acceptable to the Company. If the Company is unable to obtain sufficient amounts of additional capital, the Company may be required to reduce the scope of development, which may harm the operations, financial condition, and operating results. These financial statements do not include any adjustments resulting from these uncertainties.

**8. SUBSEQUENT EVENT**

The Company evaluated subsequent events from the balance sheet date through the date these financial statements were issued, and other than the events noted below, no other events were identified that require adjustment to or disclosure in the financial statements.

On February 13, 2026, the Company issued 9,000,000 shares of common stock at a par value of \$0.00001 per share. The shares were issued in exchange for prior capital contributions received in 2025. Upon issuance, \$90 was reclassified from additional paid-in capital to common stock to reflect the par value of the shares issued.

**Series 2026**

THIS CERTIFIES THAT in exchange for the payment by [Investor Name] (the “**Investor**”, and together with all other Series 2026 SAFE holders, the “**Investors**”) of \$[ ] (the “**Purchase Amount**”) on or about [Date of SAFE], Happiness Insurance Inc., a Delaware corporation (the “**Issuer**”), hereby issues to the Investor the right to certain shares of the Issuer’s Capital Stock (defined below), subject to the terms set forth below.

The “**Discount**” is 20%.

The “**Pre-Money Valuation Cap**” is \$35,000,000. See Section 2 for certain additional defined terms.

**1. Events**

(a) **Equity Financing Event.** If an Equity Financing (defined below) occurs before this instrument terminates in accordance with Sections 1(b)-(d), the Issuer shall promptly notify the Investor of the closing, or anticipated closing, of the Equity Financing and issue to the Investor a number of shares of the Capital Stock (whether Preferred Stock or another class issued by the Issuer) sold in the Equity Financing, subject to the terms of this Section 1. The number of shares of Capital Stock shall equal the quotient obtained by dividing (x) the Purchase Amount by (y) the applicable Conversion Price (such applicable Conversion Price, the “**Equity Financing Price**,” as defined below).

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this SAFE (whether pursuant to Sections 1(a), (c) or (e)), the holder of this SAFE will automatically be entitled (subject to the liquidation priority set forth below in Section 1(d)) to receive a portion of Proceeds, due and payable to the holder of this SAFE immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the **greater of** (1) the Purchase Amount (or a lesser amount as described below) (the “**Cash-**

**Out Amount**”) or (2) the amount payable on the number of shares of Common Stock equal to the Purchase Amount (or a lesser amount as described below) divided by the Liquidity Price (the “**Conversion Amount**”).

Notwithstanding the foregoing, if the Issuer’s board of directors determines in good faith that delivery of Capital Stock to the holder of this SAFE pursuant to this Section 1(b) would violate applicable law, rule or regulation, then the Issuer shall deliver to the holder of this SAFE in lieu thereof, a cash payment equal to the fair market value of such Capital Stock, as determined in good faith by the Issuer’s board of directors.

(c) **Dissolution Event**. If there is a Dissolution Event (defined below) before termination of this SAFE, this SAFE’s holder will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds (defined below) equal to the Cash-Out Amount, due and payable to the holder of this SAFE immediately before the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this SAFE is intended to operate like standard non-participating Preferred Stock. The holder of this SAFE’s right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other SAFEs, whether this Series or otherwise, and/or Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other SAFEs and/or Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other SAFEs and/or Preferred Stockholders in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The holder of this SAFE’s rights to receive their Conversion Amount is (A) on par with payments for Common Stock and other SAFEs (whether this Series of SAFEs or alternative SAFEs) and/or Preferred Stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination**. This SAFE automatically terminates (without relieving the Issuer or holder of this SAFE of any obligations arising from a prior breach of or non-compliance with this instrument) upon the earlier to occur: (i) the issuance of Capital Stock to the holder of this SAFE pursuant to Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due to the holder of this SAFE pursuant to Section 1(b) or Section 1(c) as subject to Section 1(d).

This instrument constitutes a legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. (k) The Investor further acknowledges that it has read, understood, and had ample opportunity to ask the Issuer questions about its business plans, "Risk Factors," and all other information presented in the offering documents related to this transaction.

(l) The Investor represents that the Investor understands the substantial likelihood that the Investor will suffer a **TOTAL LOSS** of all capital invested, and that Investor is prepared to bear the risk of such total loss.

(a) The Investor hereby agrees that during the Lock-up Period it will not, without the prior written consent of the managing underwriter: (A) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Stock (whether such shares or any such securities are then owned by the Investor or are thereafter acquired); or (B) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities; whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Common Stock or other securities, in cash, or otherwise.

(b) The foregoing provisions of Section 5(a) will: (x) apply only to the IPO and will not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement; (y) not apply to the transfer of any shares to any trust for the direct or indirect benefit of the Investor or the immediate family of the Investor, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer will not involve a disposition for value; and (z) be applicable to the Investor only if all officers and directors of the Issuer are subject to the same restrictions and the Issuer uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning more than 5% of the outstanding Common Stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Common Stock. Notwithstanding anything herein to the contrary, the underwriters in connection with the IPO are intended third-party beneficiaries of Section 5(a) and will have the right, power and authority to enforce the provisions hereof as though they were a party hereto. The Investor further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with the IPO that are consistent with Section 5(a) or that are necessary to give further effect thereto.

(c) In order to enforce the foregoing covenant, the Issuer may impose stop transfer instructions with respect to the Investor's registrable securities of the Issuer (and the Issuer shares or securities of every other person subject to the foregoing restriction) until the end of the Lock-up Period. The Investor agrees

that a legend reading substantially as follows will be placed on all certificates representing all of the Investor's registrable securities of the Issuer (and the shares or securities of the Issuer held by every other person subject to the restriction contained in Section 5(a)):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LOCK-UP PERIOD BEGINNING ON THE EFFECTIVE DATE OF THE ISSUER'S REGISTRATION STATEMENT FILED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AS SET FORTH IN AN AGREEMENT BETWEEN THE ISSUER AND THE ORIGINAL HOLDER OF THESE SECURITIES, A COPY OF WHICH MAY BE OBTAINED AT THE ISSUER'S PRINCIPAL OFFICE. SUCH LOCK-UP PERIOD IS BINDING ON TRANSFEREES OF THESE SECURITIES.

(d) Without in any way limiting the representations and warranties set forth in Section 4 above, the Investor further agrees not to make any disposition of all or any portion of this instrument or the underlying securities unless and until the transferee has agreed in writing for the benefit of the Issuer to make the representations and warranties set out in Section 4 and the undertaking set out in Section 5(a) and:

(i) There is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(ii) The Investor shall have notified the Issuer of the proposed disposition and shall have furnished the Issuer with a detailed statement of the circumstances surrounding the proposed disposition and, if reasonably requested by the Issuer, the Investor shall have furnished the Issuer with an opinion of counsel reasonably satisfactory to the Issuer that such disposition will not require registration of such shares under the Securities Act.

(e) If the Investor intends to transfer the SAFE ("**Transfer**"), the party accepting transfer ("**Transferee**") must pass and continue to comply with any applicable know your customer ("**KYC**") and anti-money laundering ("**AML**") policies and, at the Issuer's sole determination, execute an Omnibus Nominee Trust Agreement, provided in connection with the Transfer. The Investor understands that the Transferee's failure to pass the requisite KYC and AML procedures or to execute an Omnibus Nominee Trust Agreement contemporaneously with the Transfer, if determined necessary in the Issuer's sole discretion, may render the Transfer void, null, unenforceable, and the Transferee will be unable to redeem their security.

(f) The Investor understands and agrees that the Issuer will place the legend set forth below or a similar legend on any book entry or other forms of notation evidencing this SAFE and any certificates evidencing the underlying securities, together with any other legends that may be required by state or federal securities laws, the Issuer's charter or bylaws, any other agreement between the Investor and the Issuer or any agreement between the Investor and any third party:

THIS INSTRUMENT HAS BEEN ISSUED PURSUANT TO SECTION 4(A)(6) OF THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND NEITHER IT NOR ANY SECURITIES ISSUABLE PURSUANT HERETO HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OR THE SECURITIES LAWS OF ANY STATE. THESE SECURITIES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED EXCEPT AS PERMITTED BY RULE 501 OF REGULATION CROWDFUNDING UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT OR EXEMPTION THEREFROM.

The Investor agrees and understands that the Investor's failure to execute an Omnibus Nominee Agreement contemporaneously with this SAFE may render the SAFE void, null and unenforceable.

(b) The Investor agrees to take any and all actions determined in good faith by the Issuer's board of directors to be advisable to reorganize this instrument and any shares of Capital Stock issued pursuant to the terms of this instrument.

(c) Any provision of this SAFE may be amended, waived or modified by the Issuer only at the direction of the Chief Executive Officer of the Issuer (the "**Lead**"), acting in his or her reasonable discretion, without the consent of any Investor, provided, however, that no amendment, waiver, or modification pursuant to this clause (i) shall (A) reduce the Purchase Amount paid by any Investor or (B) increase the Pre-Money Valuation Cap applicable to any Investor's SAFE; or (ii) by the Issuer with the written approval of Investors holding more than a majority of the aggregate outstanding Purchase Amounts under all SAFEs comprising this Series 2026 SAFE. The Lead shall act in accordance with the principals of good faith and fair dealing in the performance of their role as Lead and shall have no liability to any Investor arising from any amendment, waiver, or modification made in accordance with such standard pursuant to this Section 8(c).

(d) The Investor is not entitled, as a holder of this instrument, to vote or receive dividends or be deemed the holder of Capital Stock for any purpose, nor will anything contained herein be construed to confer on the Investor, as such, any of the rights of a stockholder of the Issuer or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive purchase rights or otherwise until shares have been issued upon the terms described herein.

(e) Neither this instrument nor the rights contained herein may be assigned, by operation of law or otherwise, by either party without the prior written consent of the Issuer and the Investor; *provided, however*, that this instrument and/or the rights contained herein may be assigned without the Issuer's consent by the Investor to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and *provided, further*, that the Issuer may assign this instrument in whole, without the consent of the Investor, in connection with a reincorporation to change the Issuer's domicile.

(f) In the event any one or more of the terms or provisions of this instrument is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the terms or provisions of this instrument operate or would prospectively operate to invalidate this instrument, then such term(s) or provision(s) only will be deemed null and void and will not affect any other term or provision of this instrument and the remaining terms and provisions of this instrument will

remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(g) Custodian through this SAFE and related Omnibus Nominee Agreement entered into between the Investor and Custodian shall be considered legal record holder of the SAFE and any shares of securities convertible thereon, including Capital Stock.

(h) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

(i) Any dispute, controversy or claim arising out of, relating to or in connection with this instrument, including the breach or validity thereof, shall be determined by final and binding arbitration administered by the American Arbitration Association (the “AAA”) under its Commercial Arbitration Rules and Mediation Procedures (“**Commercial Rules**”). The award rendered by the arbitrator shall be final, non-appealable and binding on the parties and may be entered and enforced in any court having jurisdiction. The place of arbitration shall be within 25 miles of the Issuer’s principal place of business. Except as may be required by law or to protect a legal right, neither a party nor the arbitrator may disclose the existence, content or results of any arbitration without the prior written consent of the other parties.

(j) The parties acknowledge and agree that for United States federal and state income tax purposes only this SAFE is, and at all times has been, intended to be characterized as stock, and more particularly as common stock for purposes of Sections 304, 305, 306, 354, 368, 1036 and 1202 of the Internal Revenue Code of 1986, as amended. Accordingly, the parties agree to treat this SAFE consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).

IN WITNESS WHEREOF, the undersigned have caused this instrument to be duly executed and delivered.

**1.1. Custodian.** Client authorizes, approves, and directs Custodian to establish and maintain one or more custody accounts on its books (each a “Custodial Account”), pursuant to the terms of this Agreement, for the receipt, safekeeping, and maintenance of supported Digital Assets, Fiat Currency, and Securities (“Custodial Services”).

**1.2. Wallet Software and Non-Custodial Wallet Service.**

- (a) Custodian also provides Client with the option to create non-custodial wallets that support certain Digital Assets via an API and web interface (“Wallet Services”). Wallet Services are provided by BitGo, Inc, an affiliate of Custodian (“BitGo Inc.”). Wallet Services provide access to wallets where BitGo Inc. holds a minority of the keys, and Client is responsible for holding a majority of the keys (“Client Keys”).
- (b) The Wallet Services do not send or receive Fiat Currency or Digital Assets. The Wallet Services enable Client to interface with virtual currency networks to view and transmit information about a public cryptographic key commonly referred to as a blockchain address. As further set forth in Section 3.5, Client assumes all responsibility and liability for securing the Client Keys. Further, Client assumes all responsibility and liability for creation, storage, and maintenance of any backup keys associated with accounts created using the Wallet Services.
- (c) Client’s use of the Wallet Services is subject to the terms and conditions set forth at <https://www.bitgo.com/terms> (the “Wallet Terms”), as they may be amended from time to time. Each Customer Omnibus Account shall be maintained separately and apart from Custodian’s business, operating, and reserve accounts. Each Omnibus Account constitutes a banking relationship between Custodian and the relevant Bank and shall not constitute a custodial relationship between Custodian and Bank.
- (c) Client acknowledges and agrees that Custodian may hold some or any portion of Fiat Currency in accounts that may or may not receive interest or other earnings. Client hereby agrees that the amount of any such interest or earnings attributable to such Fiat Currency in Customer Omnibus Accounts shall be retained by Custodian as additional consideration for its services under this Agreement, and nothing in this Agreement entitles Client to any portion of such interest or earnings. In addition, Custodian may receive earnings or compensation for a Customer Omnibus Account in the form of services provided at a reduced rate or similar compensation. Client agrees that any such compensation shall be retained by Custodian, Client understands and agrees that Client is not entitled to any portion of such compensation, and no portion of any such compensation shall be paid to or for Client.   - i. Upon receiving such Instructions and verifying the transferred Securities and that such Instructions comply with Section 2.3, Custodian will provide Client with settlement instructions, including specific account details and delivery instructions. Client will initiate the transfer by instructing their current holding institution or broker to deliver the Securities to the Custodian. - iv. If Client separately maintains one or more blockchain-based tokens, including self-custodied blockchain-based tokens, associated with securities entitlements in the Account (“Security Instruction Token(s)” or “SIT(s)”), and Client subsequently sells or otherwise transfers SITs on a third-party securities exchange, alternative trading system, or similar trading venue, Client acknowledges and agrees that Custodian will recognize such transfer as an Instruction by Client to Custodian, and Custodian shall transfer a corresponding amount of securities entitlements from the Client’s Account to the account of the acquirer of such SITs.

**1.5. Third-Party Payments.** The Custodial Services are not intended to facilitate third-party payments of any kind, which shall include the use of Fiat Currency, Securities, and/or Digital Assets. Custodian reserves the right to refuse to process or to cancel any pending Custody Transaction: as required by Applicable Law; to enforce transaction, threshold, and condition limits; or if Custodian reasonably believes that the Custody Transaction may violate or facilitate the violation of any Applicable Law, regulation or rule of a governmental authority or self-regulatory organization. - (c) Custodian makes no representations or warranties with respect to the availability and/or accessibility of the Digital Assets or Securities. **2.6. Supported Digital Assets.** The Custodial Services are available only in connection with those Digital Assets that Custodian supports (list currently available at <https://www.bitgo.com/resources/coins>). The Digital Assets that Custodian supports may change from time to time in Custodian's discretion. Custodian assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Custodian does not support. Custodian may, from time to time, determine types of Digital Assets that will be supported or cease to be supported by the Custodial Services. Custodian will use commercially reasonable efforts to provide Client with thirty (30) days' prior written notice before ceasing to support a Digital Asset, unless Custodian is required to cease such support sooner to comply with Applicable Law or in the event such support creates an urgent security or operational risk in Custodian's reasonable discretion (in which event Custodian will provide as much notice as is practicable under the circumstances). Under no circumstances should Client attempt to use the Custodial Services to deposit or store any Digital Assets that are not supported by Custodian. Depositing or attempting to deposit Digital Assets that are not supported by Custodian will result in such Digital Asset being unretrievable by Client and Custodian.

**2.7. Advanced Protocols.** Unless specifically announced on the Custodian or Company website, Custodian does not support airdrops, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Custodian (collectively, "Advanced Protocols"). Client shall not use its Custodial Account to

attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. Custodian assumes absolutely no responsibility whatsoever in respect to Advanced Protocols.

## **2.8. Operation of Digital Asset Protocols.**

- (a) Custodian does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Custodian platform. By using the Custodial Services, Client acknowledges and agrees that (i) Custodian is not responsible for operation of the underlying protocols and that Custodian makes no guarantee of their functionality, security, or availability; and (ii) the underlying protocols are subject to sudden changes in operating rules (a.k.a. “forks”), and (iii) that such forks may materially affect the value, function, and/or even the name of the Digital Assets that Client stores in Client’s Custodial Account. In the event of a fork, Client agrees that Custodian may temporarily suspend Custodian operations with respect to the affected Digital Assets (with or without advance notice to Client) and that Custodian may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. Client acknowledges and agrees that Custodian assumes absolutely no liability whatsoever in respect of an unsupported branch of a forked protocol or its determination whether or not to support a forked protocol.
- (b) Client agrees that all “airdrops” (free distributions of certain Digital Assets) and forks will be handled by Custodian pursuant to its fork policy (the “Fork Policy”) (currently available at [www.bitgo.com/resources/bitgo-fork-policy](http://www.bitgo.com/resources/bitgo-fork-policy)). Client acknowledges that Custodian is under no obligation to support any airdrops or forks, or handle them in any manner, except as detailed above and in the Fork Policy. Client further acknowledges that Custodian, at its sole discretion, may update the Fork Policy from time to time and/or the URL at which it is available and Client agrees that Client is responsible for reviewing any such updates. Client is under no obligation to provide notification to Client of any modification to the Fork Policy.

## **2.9. Account Statements.**

- (a) Custodian will provide Client with an electronic account statement every calendar quarter. Each statement will be provided via the Custodian’s website and notice of its posting will be sent via electronic mail.
- (b) The Client will have forty-five (45) days to file any written objections or exceptions with the Custodian after the posting of a Custodial Account statement online. If the Client does not file any objections or exceptions within a forty-five (45) day period, this shall indicate the Client’s approval of the statement and will preclude the Client from making future objections or exceptions regarding the information contained in the statement. Such approval by the Client shall be full acquittal and discharge of Custodian regarding the transactions and information on such statement.
- (c) To value Digital Assets held in the Client’s account, the Custodian will electronically obtain USD equivalent prices from digital asset market data with amounts rounded up to the seventh decimal place to the right. Custodian cannot guarantee the accuracy or timeliness of prices received and the prices are not to be relied upon for any investment decisions for the Client’s account.

- 2.10. Independent Verification.** If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Custodian shall, upon written request, provide Client’s authorized independent public accountant confirmation of, or access to, information sufficient to confirm (i) Client’s

Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client's Digital Assets are held either in a separate account under Client's name or in accounts under Client's name as agent or trustee for Client's clients.

- 2.11. Support and Service Level Agreement.** Custodian will use commercially reasonable efforts: (i) to provide reasonable technical support to Client, by email or telephone, during Custodian's normal business hours (9:30 AM to 6 PM ET); (ii) to respond to support requests in a timely manner; (iii) resolve such issues by providing updates and/or workarounds to Client (to the extent reasonably possible and practical), consistent with the severity level of the issues identified in such requests and their impact on Client's business operations; (iv) abide by the terms of the Service Level Agreement currently made available at <https://www.bitgo.com/resources/bitgo-service-level-agreement> (as Service Level Agreement or the URL at which it is made available may be amended from time to time); and (vii) to make Custodial Accounts available via the internet 24 hours a day, 7 days a week.

**2.12. Clearing and Settlement Services.**

- (a) Custodian may offer clearing and settlement services (the "Settlement Services") that facilitate the settlement of transactions of Digital Assets, Securities, or Fiat Currency between Client and Client's trade counterparty that also has a Custodial Account with Custodian ("Settlement Partner"). Client acknowledges that the Settlement Service is an API product complemented by a Web user interface (UI). Clients may utilize the Settlement Services by way of settlement of one-sided requests with counterparty affirmation or one-sided requests with instant settlement; and two-sided requests with reconciliation. Client understands that the Assets available for use within the Settlement Services may not include all of Client's Assets under custody. For the avoidance of doubt, use of the API product is subject to the terms and conditions set forth in Section 1.4 of this Agreement.
- (b) The Settlement Services allow Client to submit, through the Custodian's settlement platform, a request to settle a purchase or sale of Assets with a Settlement Partner. Client authorizes Custodian to accept Client's cryptographic signature submitted by way of the Settlement Services API. When a cryptographic signature is received by way of the Settlement Services along with the settlement transaction details, Client is authorizing Custodian to act on Client's direction to settle such transaction.
- i. A one-sided request with counterparty affirmation requires Client to submit a request, including its own cryptographic signature on the trade details, via API calls. Custodian will notify the Settlement Partner and lock funds of both parties while waiting for the Settlement Partner to affirm the request. Custodian will settle the trade immediately upon affirmation and the locked funds will be released.
  - ii. A one-sided request with instant settlement requires one side of the trade to submit a request, including cryptographic signatures of both parties to the trade, via API calls. Custodian will settle the trade immediately.
  - iii. A two-sided request with reconciliation requires that both Client and Settlement Partner submit requests via API calls, with each party providing their own cryptographic signatures. Custodian will reconcile the trades and settle immediately upon successful reconciliation.
  - iv. In any one-sided or two sided request, the Settlement Partner must be identified and selected by Client prior to submitting a settlement request.

- v. Client may submit a balance inquiry through the settlement platform, to verify that Settlement Partner has a sufficient balance of the applicable Asset(s) to be transacted before the Parties execute a transaction. This balance inquiry function is to be utilized only for the purpose of executing a trade transaction to ensure the Settlement Partner has sufficient Assets to settle the transaction. Client hereby expressly authorizes and consents to Custodian providing access to such information to Client's Settlement Partner in order to facilitate the settlement.
  - vi. Client and Settlement Partner's Custodial Accounts must have sufficient Assets prior to initiating any settlement request. The full amount of assets required to fulfill a transaction are locked until such order has been completed. All orders are binding on Client and Client's Custodial Account. Custodian does not guarantee that any settlement will be completed by any Settlement Partner. Client may not be able to withdraw an offer (or withdraw its acceptance of an offer) prior to completion of a settlement and Custodian shall not be liable for the completion of any order after a cancellation request has been submitted.
  - vii. Client acknowledges and accepts responsibility for ensuring only an appropriate Authorized Person of its Custodial Account has access to the API key(s).
  - viii. Client further understands and agrees that Client is solely responsible for any decision to enter into a settlement by way of the Settlement Services, including the evaluation of any and all risks related to any such transaction and has not relied on any statement or other representation of Custodian. Client understands that Custodian is a facilitator and not a counterparty to any settlement; and, as a facilitator, Custodian bears no liability with respect to any transaction and does not assume any clearing risk.
  - ix. Any notifications that Client may receive regarding the Settlement Services are Client's responsibility to review in a timely manner.
- (c) Upon execution of the settlement, the Settlement Services shall provide Client, by electronic means, a summary of the terms of the transaction, including: the type of Digital Asset or Securities purchased or sold; the delivery time; and the purchase or sale price. Settlement of a transaction is completed in an omnibus account by way of offsetting ledger transactions.
  - (d) Custodian reserves the right to refuse to settle any transaction, or any portion of any transaction, for any reason, at its sole discretion. Custodian bears no responsibility if any such order was placed or active during any time the Settlement Services system is unavailable or encounters an error; or, if any such order triggers certain regulatory controls.
  - (e) Client understands and agrees that Custodian may charge additional fees for the Settlement Services furnished to Client as indicated in the Fee Schedule attached as Schedule A and any amendments to Schedule A.
  - (f) Clearing and settlement transactions shall be subject to all Applicable Law.

### 3. USE OF SERVICES.

- 3.1. Company Site and Content.** Custodian hereby grants Client a limited, nonexclusive, non transferable, revocable, royalty-free license, subject to the terms of this Agreement, to access and

use the Company Site and related content, materials, information (collectively, the “Content”) solely for using the Services in accordance with this Agreement. Any other use of the Company Site or Content is expressly prohibited and all other right, title, and interest in the Company Site or Content is exclusively the property of Custodian and its licensors. Client shall not copy, transmit, distribute, sell, license, reverse engineer, modify, publish, or participate in the transfer or sale of, create derivative works from, or in any other way exploit any of the Content, in whole or in part. “www.bitgo.com,” “BitGo,” “BitGo Custody,” and all logos related to the Custodial Services or displayed on the Company Site are either trademarks or registered marks of Custodian or its licensors. Client may not copy, imitate or use them without Custodian’s prior written consent in each instance.

- 3.2. Website Accuracy.** Although Custodian intends to provide accurate and timely information on the Company Site, the Company Site (including, without limitation, the Content, but excluding any portions thereof that are specifically referenced in this Agreement) may not always be entirely accurate, complete, or current and may also include technical inaccuracies or typographical errors. In an effort to continue to provide Client with as complete and accurate information as possible, such information may be changed or updated from time to time without notice, including without limitation information regarding Custodian policies, products and services. Accordingly, Client should verify all information before relying on it, and all decisions based on information contained on the Company Site are Client’s sole responsibility and Custodian shall have no liability for such decisions. Links to third-party materials (including without limitation websites) may be provided as a convenience but are not controlled by Custodian. Custodian is not responsible for any aspect of the information, content, or services contained in any third-party materials or on any third-party sites accessible from or linked to the Company Site.
- 3.3. Third-Party or Non-Permissioned Users.** Client acknowledges that granting permission to a third party or non-permissioned user to take specific actions on Client’s behalf does not relieve Client of any of Client’s responsibilities under this Agreement and may violate the terms of this Agreement. Client is fully responsible for all activities taken on Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Further, Client acknowledges and agrees that Client will not hold Custodian responsible for, and will indemnify, defend and hold harmless the Custodian Indemnitees (as defined below) from and against any Losses arising out of or related to any act or omission of any party using Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Client must notify Custodian immediately if a third party or non-permissioned user accesses or connects to Client’s Custodial Account by contacting Client’s Custodial Account representative or by emailing [security@bitgo.com](mailto:security@bitgo.com) from the email address associated with Client’s Custodial Account.
- 3.4. Prohibited Use.** Client acknowledges and agrees that Custodian may monitor use of the Services and the resulting information may be utilized, reviewed, retained and or disclosed by Custodian in aggregated and non-identifiable forms for its legitimate business purposes or in accordance with Applicable Law. Client will not use the Services, directly or indirectly via the Developer Application, to: (i) upload, store or transmit any content that is infringing, libelous, unlawful, tortious, violate privacy rights, or that includes any viruses, software routines or other code designed to permit unauthorized access, disable, erase, or otherwise harm software, hardware, or data; (ii) engage in any activity that interferes with, disrupts, damages, or accesses in an unauthorized manner the Services, servers, networks, data, or other properties of Custodian or of its suppliers or licensors; (iii) develop, distribute, or make available the Developer Application in any way in furtherance of criminal, fraudulent, or other unlawful activity; (iv) make the

Services available to, or use any Services for the benefit of, anyone other than Client or end users of the Developer Application; (v) sell, resell, license, sublicense, distribute, rent or lease any Services, or include any Services in a Services bureau or outsourcing offering; (vi) permit direct or indirect access to or use of any Services in a way that circumvents a contractual usage limit; (vii) obscure, remove, or destroy any copyright notices, proprietary markings or confidential legends; (viii) to build a competitive product or service; (ix) distribute the Developer Application in source code form in a manner that would disclose the source code of the Services; or (x) reverse engineer, decrypt, decompile, decode, disassemble, or otherwise attempt to obtain the human readable form of the Services, to the extent such restriction is permitted by applicable law. Client will comply with the restrictions set forth in Appendix 1.

### **3.5. Security; Client Responsibilities.**

- (a) Client is responsible for maintaining adequate security and control of any and all Client Keys, IDs, passwords, hints, personal identification numbers, non-custodial wallet keys, API keys, yubikeys, 2-factor authentication devices or backups, or any other codes that Client uses to access the Services. Any loss or compromise of the foregoing information and/or Client's personal information may result in unauthorized access to Client's Custodial Account by third parties and the loss or theft of Assets. Client is responsible for keeping Client's email address and telephone number up to date in Client's profile in order to receive any notices or alerts that Custodian may send Client. Custodian assumes no responsibility for any loss that Client may sustain due to compromise of login credentials due to no fault of Custodian and/or failure to follow or act on any notices or alerts that Custodian may send to Client. In the event Client believes Client's Custodial Account information has been compromised, Client will contact Custodian Support immediately at [security@bitgo.com](mailto:security@bitgo.com).
- (b) Client will ensure that all Authorized Persons will be adequately trained to safely and securely access the Services, including understanding of general security principles regarding passwords and physical security of computers, keys, and personnel.
- (c) Client will immediately notify Custodian of any unauthorized access, use or disclosure of Client's Account credentials, or any relevant breach or suspected breach of security (including breach of Client's systems, networks or developer applications). Client will provide Custodian with all relevant information Custodian reasonably requests to assess the security of the assets, Custodial Accounts and wallets.

- 3.6. Taxes.** The Client will, for all tax purposes, be treated as the owner of all Assets held by the Custodian pursuant to this Agreement. It is the Client's sole responsibility to determine whether and to what extent Taxes and Tax reporting obligations may apply to the Client with respect to its Assets, Custodial Accounts, and transactions, and the Client will timely pay all such taxes and will file all returns, reports, and disclosures required by Applicable Law. Client is solely responsible for any taxes applicable to any deposits or withdrawals Client conducts through the Custodial Services, and for withholding, collecting, reporting, and/or remitting the correct amount of taxes to the appropriate tax authorities. Client's deposit and withdrawal history is available by accessing Client's Custodial Account through the Company Site or by contacting Custodian directly. If Custodian or an affiliate of Custodian has a legal obligation to pay or collect taxes for which Client is responsible, Client will be invoiced for the relevant amount and Client will pay that amount unless Client provides the Custodian or relevant affiliate of Custodian with a valid tax exemption certificate authorized by the appropriate taxing authority.

- 3.7. Third Party Providers.** Client acknowledges and agrees that the Services may be provided from time to time by, through or with the assistance of affiliates of or vendors to Custodian, including

BitGo Inc. as described above. Custodian shall remain liable for its obligations under this Agreement in the event of any breach of this Agreement caused by such affiliates or any vendor.

### **3.8. Developer Applications.**

- (a) Subject to Custodian's acceptance of Client as a developer, and subject to Client's performance of its obligations under this Agreement, Custodian grants Client a nonassignable, non-transferrable, revocable, personal and non-exclusive license under Custodian's applicable intellectual property rights to use and reproduce the Custodian software development kit for Developer Applications.
- (b) Client agrees that all end users of any Developer Application will be subject to the same use restrictions that bind Client under this Agreement (including under Section 3.4 (Prohibited Use) and Appendix 1).
- (c) Client is solely responsible and has sole liability for Client's end users that access or use the Services via the Developer Application and all acts or omissions taken by such end users will be deemed to have been taken (or not taken) by Client. Client is responsible for the accuracy, quality and legality of Developer Application content and user data. Client will comply with, and ensure that Client's Developer Application and end users comply with all Applicable Law.

## **4. CUSTODIAN OBLIGATIONS.**

- 4.1. Insurance.** Custodian will obtain and/or maintain insurance coverage in such types and amounts as are commercially reasonable for the Custodial Services provided hereunder. Client acknowledges that any insurance related to theft of Digital Assets will apply to Custodial Services only (where keys are held by Custodian) and not Wallet Services for non-custodial accounts (where keys are held by Client).
- 4.2. Standard of Care.** Custodian will use commercially reasonable efforts in performing its obligations under this Agreement. Subject to the terms of this Agreement, Custodian shall not be responsible for any loss or damage suffered by Client as a result of the Custodian performing such duties unless the same results from an act of gross negligence, fraud, or willful misconduct on the part of the Custodian. Custodian shall not be responsible for the title, validity or genuineness of any of the Assets (or any evidence of title thereto) received or delivered by it pursuant to this Agreement.
- 4.3. Business Continuity Plan.** Custodian has established a business continuity plan that will support its ability to conduct business in the event of a significant business disruption ("SBD"). This plan is reviewed and updated annually, and can be updated more frequently, if deemed necessary by Custodian in its sole discretion. Should Custodian be impacted by an SBD, Custodian aims to minimize business interruption as quickly and efficiently as possible. To receive more information about Custodian's business continuity plan, please send a written request to [security@bitgo.com](mailto:security@bitgo.com).

- 5.1. After the Initial Term, this Agreement will automatically renew for successive one-year periods (each a "Renewal Term"), unless either party notifies the other of its intention not to renew at least sixty (60) days prior to the expiration of the then-current Term. "Term" means the Initial Term and any Renewal Term.

**5.2. Termination for Breach.** Either party may terminate this Agreement if the other party breaches a material term of this Agreement and fails to cure such breach within thirty (30) calendar days following written notice thereof from the other party.

  - vi. Client fails to pay fees for a period of 90 days; or
  - vii. Client's Custodial Account has no Digital Assets, Fiat Currency, or Securities for 180 consecutive days.

Client acknowledges that Custodian's decision to take certain actions, including limiting access to, suspending, or closing Client's Custodial Account, may be based on confidential criteria that are essential to Custodian's compliance, risk management, or and security protocols. Client agrees that Custodian is under no obligation to disclose the details of any of its internal risk management and security procedures to Client.
- (c) If Custodian terminates Client's Custodial Account, this Agreement will automatically terminate on the later of (i) the effective date of such cancellation or (ii) the date on which all of Client's funds are withdrawn.

Such termination will not be deemed effective unless and until (1) Client removes all assets from Custodial Accounts and Wallet Services, and (2) BitGo receives such Early Termination Fee, which Client understands and acknowledges will not be deemed a penalty but a figure reasonably calculated to reflect remaining payment due to Custodian in return for Client’s term commitment. Client may not cancel the subscription of Services before the expiration of their current term, except as specified herein.

You hereby authorized and permit BitGo to use information submitted by you to accomplish these purposes and to configure the service to be compatible with the accounts.

You understand and agree that at all times your relationship with each account provider is independent of BitGo and your use of this service. BitGo will not be responsible for any acts or omissions by the financial institution or other provider of any account, including without limitation any modification, interruption or discontinuance of any account by such provider.

Not all types of accounts are eligible for this service. Be sure to check with your financial institution for restrictions regarding transfers among your retirement, savings, trusts, custodial, business, corporate and other account types. BitGo is not responsible for any costs or losses incurred from transfers that are not permitted under such restrictions by the provider of your account or those imposed by applicable law.

1.4 Transfer Limitations. You may use the external transfer service to transfer funds to or from an eligible BitGo account and another account held by you or a third party at another U.S. financial institution. Transfers may be scheduled to occur one time, for a future date, or on a specific recurring basis.

We reserve the right to impose and/or change transfer limits on your account from time to time in our sole discretion. We reserve the right to suspend or restrict access to use the external transfer service immediately and without prior written notice to you. You understand and agree that such action is reasonable for us to take in order to protect ourselves from loss.

1.5 Initiating and Scheduling Transfers. The cut off time for same business day transfers is [4:45 pm ET]. Any transfer initiated after the applicable cut off time will be considered as being initiated on the next business day. Any transfer initiated on Saturday, Sunday or on a bank holiday will be considered as being initiated on the next business day.

Transfer can be scheduled on either a one time or recurring basis. Processing of one-time transfers may be initiated immediately or scheduled for initiation on a future date. Recurring transfers may be used when a set amount is transferred at regular intervals.

Your transfer must be payable in U.S. dollars. Transfers that we process using your bank account will be identified as “BitGo Trust Company, Inc.” (or similar identifier) on the statement issued by your bank or other financial institution holding your account.

All questions relating to any transactions made using your bank account by us should be initially directed to us, but may also require involvement of your bank.

1.6 Recurring Transfers. In addition to authorizing one-time transfers, you can request that BitGo facilitate recurring periodic transfers from your designated bank account on a daily, weekly or monthly basis. If you have established a weekly recurring transfer, then your transfer will be scheduled to occur on the same day of each week as the initial transfer in such recurring transfer (for example, every Wednesday). If you have established a monthly recurring transfer, then your transfer will be scheduled to occur on either the first or the fifteenth day of each month, based on your election when you initiate the recurring transfer. Your initial recurring transfer will not occur until you have submitted your recurring ACH transfer request and BitGo has had a reasonable amount of time to act upon it.

Any termination or cancellation of your recurring ACH transfer instructions will be effective as soon as BitGo has received your request and had a reasonable amount of time to act upon it.

BitGo may terminate any future recurring transfer without notice at any time for any reason.

1.7 Processing Time. When setting up a new external transfer account, please allow 3 business days to process validation of the test transaction.

Once the test transaction is completed for an external account, you should allow up to 3 business days for processing a transfer.

Please note the receiving financial institution could place a hold on the funds or delay availability. With respect to withdrawals, contact the receiving financial institution for information on their funds availability policy.

1.8 Errors. You understand that we must rely on the information provided by you and you authorize us to act on any instruction which has been or reasonably appears to have been requested by you, to submit

transfer instructions on your behalf. You understand that financial institutions receiving the transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. You understand that if you provide us with incorrect information or if there is any error in your instructions we will make all reasonable efforts to reserve or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplications, ambiguities or fraud in the information that you provide. You agree not to impersonate any person or use a name that you are not authorized to use. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, BitGo reserves the right to recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

We are not responsible for errors, delays and other problems caused by or resulting from the action or inaction of financial institutions holding the account. Although we will use reasonable efforts to try to assist you in resolving any such problems, you understand that any such errors, delays or other problems are the responsibility of the relevant financial institution. Any rights you may have against a financial institution for such errors, delays or other problems are subject to the terms of the agreements you have with such financial institutions, including any time limits during which complaints must be made.

#### 1.9 Unlawful or Prohibited Use.

You warrant to us that you will not use this service for any purpose that is unlawful or not permitted, expressly or implicitly, by the terms of this agreement or by any applicable law or regulation. You further warrant and represent that you will not use this service in any manner that could damage, disable, overburden or impair the service or interfere with any other party's use of the service.

All transfers are subject to the rules and regulations governing the relevant accounts, whether held at BitGo or elsewhere. You agree not to process any transfer from or to an account that is not allowed, under the rules and regulations applicable to such accounts.

**1.10 Rejection of Transfers.** We reserve the right to decline any transfer, to submit transfer instructions or to carry out change or cancellation requests for any reason. We may, at any time, decline any transfer that we believe may violate applicable law, or where we believe there are not sufficient funds in your account to process any requested transfer. BitGo, in its sole discretion, may require that any or all Digital Assets purchased with funds from an ACH transfer be held in your BitGo Wallet for a period of up to 60 days.

**1.11 Electronic Signature and ACH Authorization.** You understand that to process your transfer instruction we utilize the Automated Clearing House (ACH), using applicable ACH Rules, to debit one of your accounts and credit another of your accounts. By choosing your bank account as your transfer method, you agree that: (a) you have read, understand and agree to these ACH Transfer Terms, and that this agreement constitutes a "writing signed by you" under any applicable law or regulation, (b) you consent to the electronic delivery of the disclosures contained in these ACH Transfer Terms, (c) you authorize BitGo (or its agent) to make any inquiries we consider necessary to validate any dispute involving your transfer, which may include ordering a credit report and performing other credit checks or verifying the information you provide against third party databases, (d) you authorize BitGo (or its agent) to initiate one or more ACH debit entries (withdrawals) for specified amount(s) from your bank account, and you authorize the financial institution that holds your bank account to deduct such transferred amounts (including any transfers to be made on a recurring basis, as applicable), (e) you authorize BitGo (or its agent) to initiate one or more ACH credit entries (direct deposits) for specified amount(s) to your bank account, and you authorize the financial institution that holds your bank account to credit such transferred amounts, (f) once a sale is complete and an ACH transfer is initiated, the transaction cannot be cancelled; and (g) funds sent to you via ACH typically take two to four business days to reach your financial institution, and BitGo is not responsible for any delays

in the availability of funds, which may vary based on your financial institution's ACH processing procedures and settlement.

If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize us to collect from the account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited. To process this collection, you understand and authorize us to debit the credited account or the debited account in either the same dollar amount as the original funds transfer or a portion of the debt. As discussed in more detail below, there may be a fee associated with such collection imposed by the financial institution holding the account.

In the event that a debit to any of your accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited account as set forth above, we reserve the right, and you hereby authorize us, to debit any of your other accounts to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such event, other than by posting any such transfer or transfers to the applicable account in accordance with this agreement.

**1.12 Fees.** Because these are electronic transfers, these funds may be withdrawn from your designated bank account immediately. In the case of an ACH debit transaction that is rejected for insufficient funds, you understand that BitGo may at its discretion attempt to process the debit in the amount of the applicable requested transfer again within 30 days and BitGo may separately impose a fee of up to \$25 for each transaction returned for insufficient funds, as permitted by applicable law. You certify that you are an authorized user of your bank account and you will not dispute these scheduled transactions with such bank so long as the transactions correspond to these ACH Transfer Terms and any other applicable agreement related to your accounts with BitGo and its affiliates or such transfer.

You must notify BitGo in writing if you dispute any portion of any fees paid or payable by you under these ACH Transfer Terms or any related agreement. You must provide that written notice to BitGo within 60 days of the applicable charge, and BitGo will work with you to resolve the applicable dispute promptly. If you do not provide BitGo with this written notice of your fee dispute within this 60-day period, you will not be entitled to dispute any fees paid or payable by you.

All amounts and fees stated or referred to in these ACH Transfer Terms are exclusive of taxes, duties, levies, tariffs, and other governmental charges (collectively, "Taxes"). You shall be responsible for payment of all Taxes and any related interest and/or penalties resulting from any transfers made hereunder, other than any taxes based on BitGo's net income.

**1.13 Service Changes and Discontinuation.** We may modify or discontinue the Service or your use of some or all accounts within the service, with or without notice, without liability to you, any other user or any third-party. We may from time to time make available additional or new features to the service, including but not limited to, a higher dollar limit service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We reserve the right, subject to applicable law, to terminate your account within the Service and your right to use the service at any time and for any reason, including without limitation if we, in our sole judgment, believe you have engaged in conduct or activities that violate any of the Terms or the rights of BitGo, or if you provide us with false or misleading information or interfere with other users or the administration of the service. We reserve the right to charge a fee for the use of the service and any additional services or features that we may introduce. You understand and agree that you are responsible for paying all applicable fees associated with the use of our services.

1.14 Returned Transactions. You understand and agree that if any previously-initiated debit entry hereunder is returned for any reason (including because of insufficient funds), BitGo will be entitled to exercise remedies in accordance with the Custodial Services Agreement, including freezing your any assets held in any account held with BitGo or any affiliate thereof and reversing any Digital Asset purchases made and delivered to such account.

1.15 Your Liability for Unauthorized Transactions. Federal law limits your liability for any fraudulent, erroneous unauthorized transaction from your bank account based on how quickly you report it to your financial institution. As general rule, you should report any fraudulent, erroneous or unauthorized transactions to your bank within 60 days after the questionable transaction FIRST appeared on your bank account statement. You should contact your bank for more information about the policies and procedures that apply to your account and any unauthorized transactions, including any limits on your liability.

1.16 Our Liability. If we fail to debit or credit your bank account in accordance with these ACH Transfer Terms, in the correct amount or in the correct amount of time, we may be liable for certain losses directly caused by our failure as the law may impose in such cases. However, there are some exceptions. For instance, we will not be liable where: (1) you do not have enough money in your bank account; (2) your bank account is closed or deposits or withdrawals restricted; (3) any terminal or system was not working properly and you were advised of that before you initiated the transfer; (4) the failure was related to circumstances beyond our control (such as flood, fire, power outages, mechanical or system failures); (5) your financial institution refuses to honor an ACH debit or credit; (6) your instructions are lost or delayed in transmission to us; (7) a reasonable security concern, such as unauthorized use, causes us not to honor your instructions; (8) this transfer option has been discontinued or suspended; (9) we advise you that your request will not be processed; (10) you submit a cancellation request with respect to recurring ACH transfer instructions and BitGo is unable to process it prior to your next scheduled transfer and (11) other exceptions are allowed by law.

Except as otherwise required by law, BitGo shall in no event be liable for any other losses and/or damages other than those arising from gross negligence or willful misconduct on our part, and in such case will be limited to actual damages.

You agree that we shall not be liable for any costs, fees, losses or damages of any kind incurred as a result of any charges imposed by any provider of accounts of fund transfers or any funds transfer limitations set by the financial institutions or other providers of the accounts.

1.17 Limitation of Warranty and Liability. You understand and agree that the service is provided “as-is.” Except as otherwise provided in this agreement or as required by law, we assume no responsibility for the timeliness, deletion, mis-delivery or failure to store any user communications. You understand and expressly agree that use of the service is at your sole risk, that any materials and/or data downloaded or otherwise obtained through the use of the service is downloaded or obtained at your own discretion and risk and that you will be solely responsible for any damages, including without limitation damage to your computer system or loss of data that results from the download or the obtaining of such material and/or data. Except as expressly set forth on the BitGo website or in this agreement, we disclaim all warranties of any kind, express or implied, including without limitation any warranty of merchantability, fitness for a particular purpose or non-infringement of intellectual property or third party rights, and we make no warranty or representation regarding the results that may be obtained from the use of the service, the accuracy or reliability of any information obtained through the service, the accuracy of any information retrieved by us from the accounts or that the service will meet any user’s requirements, be uninterrupted, timely, secure or error free. We will not be liable for any direct, indirect, incidental, special, consequential or punitive damages of any kind resulting from the use or the inability to use the service, any inaccuracy of any information or amount retrieved by us from the accounts, any breach of security caused by a third party,

any transactions entered into based on the service, any loss of, unauthorized access to or alteration of a user's transmissions or data or for the cost of procurement of substitute goods and services, including but not limited to damages for loss of profits, use, data or other intangibles, even if we had been advised of the possibility of such damages.

1.18 Agreement Changes. We may in our discretion change these ACH Transfer Terms at any time without notice to you. If any change is found to be invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability of any other changes or the remainder of these ACH Transfer Terms. We reserve the right to subcontract any of our rights or obligations under these ACH Transfer Terms.

YOUR CONTINUED USE OF YOUR BANK ACCOUNT AS A METHOD OF MAKING ANY TRANSFER TO OR RECEIVING ANY TRANSFER FROM BITGO (INCLUDING ANY RECURRING TRANSFER) AFTER WE CHANGE THESE ACH TRANSFER TERMS OR ANY OF THE OTHER TERMS INCORPORATED IN THESE ACH TRANSFER TERMS CONSTITUTES YOUR ACCEPTANCE OF THESE CHANGES.

1.19 Communications. If you have registered for this service and wish to withdraw your consent, you must cancel any pending transfer requests and contact our Trust Operations Department at [TrustOperations@bitgo.com](mailto:TrustOperations@bitgo.com).

In the event of suspension, you may request reinstatement of the service by contacting our [name] Department at [TrustOperations@bitgo.com](mailto:TrustOperations@bitgo.com). We reserve the right, in our sole discretion, to grant or deny reinstatement of the service.

WHEREAS, the Beneficial Owner has invested and/or intends to invest in one or more exempt securities offerings pursuant to which the Beneficial Owner may acquire securities (each, a “Security” and as each such Security is described from time to time on Exhibit A hereto, the “Property”);

WHEREAS, the Property is, or upon issuance will be, 100% beneficially owned by the Beneficial Owner;

WHEREAS, the title holder of the Property will be one or more trusts established by and maintained by Nominee for the purposes of safeguarding the Property and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to such Property;

WHEREAS, Beneficial Owner wishes to engage Nominee as its limited agent to safeguard and provide certain limited services with respect to the Property held in trust; and

WHEREAS, the Beneficial Owner and the Nominee wish to establish a nominee relationship upon the terms and conditions, and for the limited purposes, set forth in this Nominee Agreement.

### AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants contained in this Nominee Agreement, the parties agree as follows:

1. Appointment. The Beneficial Owner hereby appoints the Nominee to act as nominee for the Beneficial Owner, to serve in such capacity until the appointment and authority conferred shall be revoked, for the limited purpose of causing to be held, and holding, in the name of the Nominee alone, title to the Property beneficially owned by the Beneficial Owner and acquired by the Nominee for the benefit of Beneficial Owner or otherwise conveyed to the Nominee pursuant to this Nominee Agreement in accordance with the directions of the Beneficial Owner, with power and authority limited to registering and holding the Property in the Nominee name, and otherwise acting with respect to the Property in accordance with the instructions of the Beneficial Owner, as provided in this Nominee Agreement or as may be given by the Beneficial Owner from time to time. In the context of investments made on or after the date hereof, the Beneficial Owner hereby directs the Nominee to acquire, on behalf of the Beneficial Owner, any Security that the Beneficial Owner subscribes for directly from the issuer thereof in the name of

the Nominee. The Beneficial Owner acknowledges and agrees that it shall pay the aggregate subscription amount due in respect of any such Security at the time and in the manner contemplated in the related subscription agreement, and that the Nominee will have no obligation to make any payments on behalf of the Beneficial Owner in respect of its acquisition of any Security. The Beneficial Owner acknowledges and agrees that the issuer of a Security may have the right to reject the Beneficial Owner's subscription for any given Security, and that the Nominee will have no liability for the failure of any Security to be issued pursuant to any subscription entered into by the Beneficial Owner, and the Beneficial Owner waives, to the fullest extent permitted by law, any claims of any kind it may have against the Nominee for executing any documents on behalf of, or for the benefit of the Beneficial Owner pursuant to this Agreement and agrees that the Nominee will have no liability (whether direct or indirect) to the Beneficial Owner in respect of any claim or to any person asserting a claim on behalf of or in right of the Beneficial Owner.

2. Acceptance. The Nominee hereby accepts the appointment described in Paragraph 1 above, upon the terms and conditions set forth in this Nominee Agreement and will always faithfully and promptly carry out and observe the instructions of the Beneficial Owner regarding the acquisition, holding of title to or otherwise acting with respect to the Property of the Beneficial Owner transferred to the Nominee hereunder and with respect to the Property. The Nominee acknowledges that it shall have no right or authority to act with respect to the Property, except upon the instructions of the Beneficial Owner.

3. Revocation. The Beneficial Owner may, at any time, in their absolute discretion, terminate this Nominee Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Property the transfer of which is restricted by contract, law, edict or otherwise ("Restricted Property") unless consented to by the issuer thereof (including by blanket consent). To be effective, any such termination shall be in writing, signed by the Beneficial Owner and delivered to the Nominee in accordance with the provisions of Paragraph 13 hereof with instructions for the return of the Property to the Beneficial Owner or their designee without consideration.

4. Custody of Property. Throughout the term of this Nominee Agreement, the Property will be held in the custody of the Nominee and the Nominee will take all actions reasonably necessary to assure the safekeeping of such Property. In taking any action with respect to the Property, the Nominee shall be acting solely as the agent and nominee of the Beneficial Owner. Property shall include any funds, securities, or other assets acquired through the benefit of holding the Securities (including by conversion of any convertible, exchangeable or redeemable Security (collectively "Convertible Instruments"))).

5. No Beneficial Interest. The Nominee's sole function during the term of this Nominee Agreement shall be to hold nominal legal title to the Property for the benefit of the Beneficial Owner under and subject to the Beneficial Owner's instructions. If third parties may require that they be furnished with documents executed by the Nominee as such holder of legal title to the Property, the Beneficial Owner shall prepare such documents, and the Nominee shall execute such documents in accordance with the Beneficial Owner's instructions. The Nominee shall have no discretionary authority to exercise any control over the Property, except as set forth herein, it being expressly understood that the Nominee shall have no real interest in the Property,

except to perform ministerial tasks at the instructions of the Beneficial Owner. The Nominee acknowledges that the Beneficial Owner is, and during the entire term of this Nominee Agreement shall remain, the true and actual owner of the Property. The Nominee and the Beneficial Owner hereby acknowledge and agree that, with respect to the Property, the Beneficial Owner will have the rights of an entitlement holder under Article 8 of the Uniform Commercial Code as in effect in the State of South Dakota. Neither the Nominee nor any officer, director, employee, or shareholder of the Nominee will have or claim any beneficial interest whatsoever in the Property nor any right to vote on matters that relate to the Property. Further, the Nominee will not hold itself out as having, or represent to any person that it has, any beneficial interest whatsoever in the Property. Notwithstanding the foregoing, with respect to Property that consists of shares of stock of a domestic or foreign corporation or other entity, the Nominee may, if so, instructed by the Beneficial Owner, register such shares on the books of the issuing entity in the Nominee's name alone, without indication of any nominee or other fiduciary capacity.

6. Instructions From the Beneficial Owner. Pursuant to the written (including electronic form) instructions of the Beneficial Owner, the Nominee will promptly execute and deliver all contracts, consents, assignments, powers of attorney, resolutions, proxies, waivers, disclaimers, and other instruments, general or specific, affecting or relating to the Property; provided, however, that the Beneficial Owner hereby provides standing instructions to the Nominee to consent to the conversion of any Convertible Instrument provided, further, and for the avoidance of doubt, while the Nominee shall consent to any other instrument that requires consent for conversion thereof it shall not do so without written instructions from the Beneficial Owner if such conversion consent is tied to an amendment or change in terms to the Convertible Instrument. Immediately upon receipt by the Nominee, the Nominee will transmit all funds received with respect to the Property to the Beneficial Owner, together with an accounting therefor, and will deliver to the Beneficial Owner all correspondence, notices, invoices, proxies, certificates, and other documents received with respect to the Property.

7. Signatures Required. The signature of the Beneficial Owner, as contemplated in this Nominee Agreement will be sufficient to bind the Nominee for all purposes of this Nominee Agreement, including, without limitation, the sale, assignment, pledge, hypothecation, or other transfer, encumbrance, or disposition of the Property.

8. Indemnification. The Beneficial Owner will, at all times, hold harmless and indemnify the Nominee and each of the officers, directors, attorneys, and employees of the Nominee from and against any and all costs, expenses, damages, claims, demands, and liabilities of every kind of character that relate to the Property and may arise out of this Nominee Agreement or the performance of the duties imposed by this Nominee Agreement, or that may be incurred with respect to the Property or with respect to any acts or omissions directed by the Beneficial Owner; provided, however, that the foregoing indemnification will not apply to costs, expenses, damages, claims, demands, and liabilities that may arise or be imposed upon the Nominee or any officer, director, attorney or employee of the Nominee by reason of that person's intentional misconduct or gross negligence.

9. Binding Effect. This Nominee Agreement will inure to the benefit of and bind the parties and their respective successors and assigns.

10. Counterparts. This Nominee Agreement may be signed in any number of counterparts, each of which shall be an original and all of which together shall constitute one instrument. This Nominee Agreement may be executed by signatures, electronically or otherwise, delivered by email, and a copy hereof that is properly executed and delivered by a party will be binding upon that party to the same extent as an original executed version hereof.

11. Governing Law. This Nominee Agreement shall be construed in accordance with and governed by the laws of the State of South Dakota. Any dispute concerning the terms or enforceability of this Nominee Agreement shall be brought in a court subject to the jurisdiction of the State of South Dakota.

## People Insure Death. Why Not Happiness?

Rami Lazarescu

Rami Lazarescu | Founder &amp; CEO, Happiness Insurance® | Life Insurance covers death. We cov...

June 2, 2026

Over 90 million Americans already pay monthly for life insurance death benefits. Happiness Insurance Inc. helps balance those death benefits with a structured happiness plan. Today, we are taking our mission to the next level by launching a \$3.2 million equity crowdfunding campaign on Republic.

Happiness Insurance® is a **structured plan for happiness**—helping families overcome the barriers of money, time, and planning, even if they don't know today where or when to vacation.

For \$9/day, paid monthly, families of four can vacation anytime in the next 12 months while a concierge handles the planning—at 2,000+ resort destinations, including Marriott, Hilton, and Disney area properties.

Pre-IPO investment opportunities are now open. Full offering details, company performance metrics, and official disclosures are available on our SEC-registered portal page: <https://rep.pub/happiness-insurance>

### Why I Built This Company

My parents never took me on a single vacation. Not once. They are both gone now, and I have no joyful memories of us together.

That loss—and 30 years spent watching families put off vacations to "someday" - which often never comes—built Happiness Insurance®.

That grief created a company. Traditional insurance protects your family from financial loss. Happiness Insurance® protects your family from regret—the regret of vacations postponed, childhoods that passed too fast, and time that cannot be recovered. Unlike life insurance, which pays after you are gone, Happiness Insurance® delivers unforgettable family experiences while you are still alive.

---

### The Untapped Market

Unlike Expedia, Airbnb, or hotels, which require customers to know today where and when to vacation—and pay in full upfront—we remove those barriers so families can vacation on their terms, without needing to decide or pay in full today.

### Market Validation & Traction

We are scaling a proven concept that has already achieved major validation across the United States:

- **The Pilot Success:** Our initial cohort of 60 paying families generated approximately \$169,000 in revenue—averaging roughly \$2,800 per customer. This validates a real, enthusiastic willingness to pay at a premium price point.
- **The B2B PTO Solution:** For businesses, we help turn the \$312 billion in unused PTO liability sitting on U.S. employer balance sheets into measurable ROI. We drive employee engagement and retention by incentivizing employees - and their families- with prepaid vacations they actually take.
- **Established Credibility:** This traction — reinforced by 14 public YouTube customer testimonials — validates a new category: **structured plans for happiness**.
- Published on MarketWatch, Reuters, Yahoo Finance, and syndicated across 141 radio stations, we are driving brand credibility and inbound interest.
