Bonus Shares

After subscribing for the full price for the purchased securities, certain investors in this Offering are eligible to receive additional shares of Common Stock equal to an amount that is 3% to 7% of the number of shares purchased for no additional consideration paid (“Bonus Shares”). Investors who purchase shares of Common Stock are eligible to receive Bonus Shares based their status as a current stockholder, or attendance at webinars hosted by the Company. Investors will not be required to provide additional consideration, whether cash or non-cash, in order to receive Bonus Shares. Those investors not eligible for the maximum value of Bonus Shares will experience additional dilution compared to investors receiving the maximum amount of 7% Bonus Shares.

Bonus Shares have identical rights, privileges, preferences as well as restrictions to the shares of Common Stock purchased. The Investor Processing Fee will be assessed on the full share price of \$5.48, and not the effective, post bonus, price, but will not charge any fee on the Bonus Shares. The Company will absorb the cost of the issuance of the Bonus Shares. Up to 638,686 Bonus Shares are available in this Offering.

DealMaker Securities LLC has not been engaged to assist in the distribution of the Bonus Shares, and will not receive any compensation related to the Bonus Shares.
